INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Wilson Trailer Company Health Care
Plan for S Employees
Sioux City, Iowa

Opinion

We have audited the accompanying financial statements of WILSON TRAILER COMPANY HEALTH CARE PLAN FOR S EMPLOYEES, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of August 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Wilson Trailer Company Health Care Plan For S Employees as of August 31, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wilson Trailer Company Health Care Plan for S Employees and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wilson Trailer Company Health Care Plan for S Employees' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wilson Trailer Company Health Care Plan for S Employees' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wilson Trailer Company Health Care Plan for S Employees' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held at End of Year as of August 31, 2025 and Reportable Transactions for the year ended August 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion, on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects. In relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wilson Trailer Company Health Care Plan for S Employees' ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Wilson Trailer Company Health Care Plan for S Employees' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wilson Trailer Company Health Care Plan for S Employees' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Assets Held at End of Year as of August 31, 2025 and Reportable Transactions for the year ended August 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion, on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects. In relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - PLAN DESCRIPTION

The following description of the Wilson Trailer Company Health Care Plan for S Employees (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides health and short-term disability benefits for certain eligible employees and covered dependents as specified in the Plan agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health and short-term disability benefits to full-time employees (working at least 30 hours per week) upon the completion of 60 calendar days following the date of employment. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-Insured Benefits

All Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processor. The claims processors pay claims directly to or on behalf of the participants and are then reimbursed by the Plan's trust.

Stop Loss Coverage

Health benefits in excess of $300,000 per participant are reimbursed by a stop loss coverage obtained from a reinsurance carrier.

Contributions

Contribution amounts for the participant are established by the sponsor and deducted from the participant's pay. These funds are remitted, along with the employer's contribution, to a trust fund.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Interest-Bearing Cash

The Plan maintains an interest-bearing checking account with a financial institution which is valued at cost. Interest income related to the account is recorded as interest income in the Statements of Changes in Net Asset Available for Benefits and Benefit Obligations.

Benefits Payable

Claim payments are recorded when paid by the third-party claims processor. Amounts due to the claims processor that have not been reimbursed by the Plan are recorded as claims payable in the accompanying Statements of Net Assets Available for Benefits and Benefit Obligations.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Stop Loss

Premiums for stop loss insurance are included in reinsurance premiums, and stop loss refunds are included in reinsurance reimbursement in the accompanying Statements of Changes in Net Assets Available for Benefits and Benefit Obligations.

Rebates

Rebates due from the Plan's pharmacy benefit manager are recorded when earned.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 3 - RELATED PARTY RECEIVABLES AND PAYABLES

Premiums Receivable from the Sponsor were $196,508 and $259,017 on August 31, 2025 and 2024, respectively.

The Sponsor has advanced funds to the Plan for certain expenses during the year. The advances bear no interest. Amounts due to the Sponsor from the Plan were $2,692 and $56,536 on August 31, 2025 and 2024, respectively.

The Plan’s interest-bearing cash is held by Security National Bank, and therefore, these transactions qualify as party in interest transactions.

The Plan also has several arrangements with service providers as described in Notes 1 and 5. These transactions are party in interest transactions under ERISA.

Note 4 - CLAIMS INCURRED BUT NOT REPORTED

Liabilities for claims incurred but not reported, as of August 31, 2025 and 2024, were $80,000 and $140,000, respectively. These amounts were estimated based on actual claims paid during the year and historical percentages of claims paid in the year after the date of the claim. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Note 5 - ADMINISTRATIVE EXPENSES AND PROFESSIONAL FEES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. Professional fees consist of audit fees and consulting fees paid to third-parties. These expenses are reported on the statement of changes in net assets available for benefits and benefit obligations.

The above costs are considered to be parties in interest transactions.

Note 6 - TERMINATION OF THE PLAN

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 7 - RISKS AND UNCERTAINTIES

At times during the year, the Plan's cash and equivalents balances may exceed amounts insured by the Federal Deposit Insurance Corporation. The Plan does not believe it is exposed to any significant credit risk on cash and equivalents.

The value of claims incurred not reported are based on certain assumptions which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note 8 - INCOME TAX STATUS

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)9 of the Internal Revenue Code. The Trust has obtained a favorable determination letter from the Internal Revenue Service, and the Plan sponsor believes that the Trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code. As such, income earned in the performance of its exempt purpose is not subject to income tax. Income earned on certain investments is subject to taxation. Income tax expense for the years ended August 31, 2025 and 2024 was $5,908 and $4,459, respectively.

Management has concluded that any uncertain tax positions would be immaterial to the financial statements taken as a whole. Accordingly, the accompanying financial statements do not include any provision for uncertain tax positions, and no related interest or penalties have been recorded.

Note 9 - SUBSEQUENT EVENTS

In preparing the financial statements, the Plan has evaluated all subsequent events, for potential recognition or disclosure, through, June 11, 2026, the date the financial statements were available to be issued.
