Independent Auditor's Report

Board of Trustees
The AGMA Retirement Plan

Opinion

We have audited the accompanying financial statements of The AGMA Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of August 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended August 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of August 31, 2025 and 2024, and the changes in net assets available for benefits for the years ended August 31, 2025 and 2024 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 13 through 14 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Independent Auditor's Report

Board of Trustees
The AGMA Retirement Plan

Opinion

We have audited the accompanying financial statements of The AGMA Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of August 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years ended August 31, 2025 and 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of August 31, 2025 and 2024, and the changes in net assets available for benefits for the years ended August 31, 2025 and 2024 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 13 through 14 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE AGMA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED AUGUST 31, 2025 AND 2024

Note 1 - Description of Plan and Significant Accounting Policies

The following description of The AGMA Retirement Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan first became effective August 11, 1995 and is a defined contribution profit sharing plan established under an Agreement and Declaration of Trust pursuant to collective bargaining agreements between the American Guild of Musical Artists, Inc. (the "Union") and various employers and employer associations in the theatrical industry in the United States and Canada. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Management has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

Purpose

The purpose of the Plan is to provide retirement benefits to eligible participants.

Participation

An individual becomes a participant in the Plan the first day their employer, subject to a collective bargaining agreement or a participation agreement, is required to make contributions to the Plan.

Vesting

Participants are immediately 100% vested in all contributions and related earnings credited to their individual accounts.

Benefits

A participant, or the participant's beneficiary, is entitled to receive benefits, if the participant:

1. Attains age 55 and retires
2. Dies
3. Becomes totally and permanently disabled
4. Has no employers' contributions credited to their individual account for six consecutive months as described in the Plan document
5. Retires

Plan regulations mandate that the distribution of a participant's benefit commences when the participant attains age 73.

THE AGMA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED AUGUST 31, 2025 AND 2024

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Benefits (cont'd)

A participant may elect any one of the following methods of payment:

- a. Single life annuity or qualified joint survivor annuity, purchased by the Plan from an insurance company
- b. One lump sum
- c. A fixed monthly amount, over a period of five (5) or ten (10) years

In accordance with IRS Regulations, minimal account balances may be distributed in one lump sum payment without consent of the participant.

Participant accounts

Individual accounts are maintained for each participant of the Plan and are "participant directed" for investment purposes. Under this approach, each participant directs the investment of their account into various investment options offered by the Plan. Each participant's account is credited with contributions made on their behalf. An administrative fee is charged to each participant's account on a quarterly basis to cover the operating expenses of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Plan termination

The Trustees expect and intend to continue the Plan indefinitely, but reserve the right to amend or terminate it as provided for by the applicable Trust Agreement and Plan provisions. If the Plan is terminated, the rights of all affected participants and beneficiaries, to the value of the amounts credited to participants' accounts, shall be non-forfeitable and the Plan assets will be allocated to pay all obligations of the Plan and to provide benefits to those eligible under the terms of the Plan and as otherwise required by law.

Basis of accounting

The financial statements are presented on the accrual basis of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. See "Fair value measurements" footnote for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

THE AGMA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED AUGUST 31, 2025 AND 2024

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Employers' contributions receivable

Employers' contributions receivable is estimated based on receipts in the subsequent plan year that pertain to prior plan years.

The Plan, in its normal course of business, performs audits of the records of contributing employers to monitor compliance with their obligation to make contributions to the Plan. It is the Plan's policy that any employer contributions due to the Plan based on these procedures are recorded as income in the period in which such amounts are received.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

Administrative expense allocation

Certain expenses not specifically applicable to a particular entity are allocated based on the estimated benefit received by each entity. Amounts reported as receivable from related organizations or payable to related organizations generally include balances for shared expenses.

Reimbursements paid to related organizations for the years ended August 31, 2025 and 2024 were \$229,730 and \$308,656, respectively.

Reclassification

Certain prior year amounts have been reclassified to conform to the current year presentation.

Note 2 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices, in active markets, for identical assets that the Plan has the ability to access.

THE AGMA RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED AUGUST 31, 2025 AND 2024

Note 2 - Fair value measurements (cont'd)

Level 2 inputs to the valuation methodology include: quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement. Level 3 inputs are generally based on the best information available, which may include the reporting entity's own assumptions and data.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Registered investment companies: Valued at the closing price reported in the active market in which the securities are traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of August 31, 2025, with fair value measurements on a recurring basis:

	<u>2025</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments at fair value				
Registered investment companies	\$ <u>114,600,214</u>	\$ <u>114,600,214</u>	\$ <u>-</u>	\$ <u>-</u>
Total assets in the fair value hierarchy	\$ <u><u>114,600,214</u></u>	\$ <u><u>114,600,214</u></u>	\$ <u><u>-</u></u>	\$ <u><u>-</u></u>

THE AGMA RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED AUGUST 31, 2025 AND 2024

Note 2 - Fair value measurements (cont'd)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of August 31, 2024, with fair value measurements on a recurring basis:

	<u>2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments at fair value				
Registered investment companies	\$ <u>103,479,886</u>	\$ <u>103,479,886</u>	\$ <u>-</u>	\$ <u>-</u>
Total assets in the fair value hierarchy	\$ <u><u>103,479,886</u></u>	\$ <u><u>103,479,886</u></u>	\$ <u><u>-</u></u>	\$ <u><u>-</u></u>

Note 3 - Unallocated contract

The Plan is party to a fully benefit-responsive Guaranteed Income Fund with Empower Annuity Insurance Company ("Empower"). This traditional investment contract meets the fully benefit-responsive investment criteria and therefore is reported at contract value which approximates fair value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The contract value of the unallocated contract as of August 31, 2025 and 2024 was \$1,129,898 and \$926,968, respectively. The crediting interest rate is reviewed and reset periodically and in no instance will fall below 0.00%.

Note 4 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Note 5 - Party-in-interest transactions

Certain Plan investments are held by the manager of the investment; therefore, transactions relating to those investments qualify as exempt party-in-interest transactions and are identified as such on the supplemental schedules of investments.

THE AGMA RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED AUGUST 31, 2025 AND 2024

Note 6 - Employers' contributions

In accordance with collective bargaining agreements and participation agreements, employers are required to make contributions to the Plan on behalf of employees performing covered work. Employer contributions are generally based on a percentage of salary, as required by current collective bargaining agreements. Four employers contributed approximately 65% and 70% of the total employers' contributions for the years ended August 31, 2025 and 2024, respectively.

Note 7 - Lease

The AGMA Health Fund and the Retirement Plan (the "Plans") entered into a lease agreement with a related organization, the Union, for office space. The term of the lease began April 30, 2021, with a monthly base rent of \$7,613, increasing 2% annually. The lease was terminated on January 1, 2025, when Plans' administration transferred to a third party. The Plan's allocated portion of the monthly rent was 39%.

Rent and escalation charges were allocated between the Plan and all other related organizations based on estimated benefit received. The Plan's share of total occupancy expense for the years ended August 31, 2025 and 2024 was \$22,163 and \$38,936 respectively.

Note 8 - Reconciliation of financial statements to Form 5500

For financial statement purposes, participant loans are required to be classified as notes receivable from participants. This differs from the reporting requirements of the Department of Labor which requires that these assets be shown as investments.

For financial statement purposes, investment expenses are reported as a reduction of investment income. The reporting requirements of the Department of Labor require these fees be shown as administrative expenses.

Net assets available for benefits	<u>\$ 116,759,589</u>	<u>\$ 105,215,090</u>

Note 10 - Tax status

The Plan has received a determination letter from the Internal Revenue Service dated April 14, 2016, stating that the Plan is qualified under Section 401(a) and is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code. The Trustees believe that the Plan, including amendments subsequent to the IRS determination, is currently designed and operated in compliance with the requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date. Additionally, the Plan believes it has no uncertain tax positions as of August 31, 2025 and 2024 in accordance with FASB ASC Topic 740 "Income Taxes".
