Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Dungarvin Group, Inc. Welfare Benefits Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of August 31, 2025 and 2024, and the related statement of changes in benefit obligations and net assets available for benefits for the year ended August 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the benefit obligations and net assets available for benefits of Dungarvin Group, Inc. Welfare Benefits Plan as of August 31, 2025 and 2024, and the changes in its benefit obligations and net assets available for benefits for the year ended August 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dungarvin Group, Inc. Welfare Benefits Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dungarvin Group, Inc. Welfare Benefits Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

CLA (CliftonLarsonAllen LLP) is an independent network member of CLA Global. See CLAglobal.com/disclaimer.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dungarvin Group, Inc. Welfare Benefits Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dungarvin Group, Inc. Welfare Benefits Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 DESCRIPTION OF PLAN

The following description of Dungarvin Group, Inc. (the Employer) Welfare Benefits Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established on September 1, 2003, to provide health and dental benefits covering all eligible participants of the Employer and their dependents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was most recently restated and amended effective September 1, 2023.

Contributions

In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. The Employer makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Employer on a pay-as-you-go basis.

Benefits

The Plan provides comprehensive medical (major medical and prescription drugs) and dental benefits to all eligible enrolled employees and enrolled dependents. Eligible employees are all full-time employees of the Employer and participants are required to complete two months of service with the Employer to be eligible for benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Plan benefits are self-insured. The claims for self-insured benefits are processed by UMR and Delta Dental under administrative services only arrangements. UMR and Delta Dental pay claims directly to or on behalf of participants and is then reimbursed by the Plan's trust. Inc. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop-Loss Coverage

The Employer funds the full cost of benefits, net of employee contributions as calculated by, UMR and Delta Dental, based upon actual claims reported and estimates of incurred but not reported claims. The Employer has insurance which limits the Plan's liability for annual claims to a maximum of $200,000 per each participant, and annual aggregate claims up to $1,000,000 for the year ended August 31, 2025. Claims paid by the Plan which exceed the maximum are reimbursed by the insurance company. Stop-loss refunds paid to the Employer were $1,318,577 for the year ended August 31, 2025 which will be used to reduce future contributions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Contributions

Contributions from the Employer to cover administrative expenses are recorded in the period which such expenses are incurred. Contributions from the Employer to cover claims are recorded in the period which the claims are paid by the Plan. Contributions from the Employer are paid based upon the amount required to be funded under the provisions of the Plan. Employee contributions are recorded in the period in which they are withheld from payroll. Employer contributions funded in excess of claims at year end are shown as unearned employer funding at August 31, 2025 and 2024.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Board of Directors to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Benefits

Funds for payment of health claims are paid into a trust from which allowable claims, based on the schedule of benefits, are paid. All funds received by the trust are applied toward payment of claims, insurance, and reasonable expenses for administration of the Plan. Benefits are recorded in the statement of changes in net assets available for benefits when paid.

Benefit Obligations

As of August 31, 2025 and 2024, there are many self-funded claims that have been incurred on which benefit payments have been and/or will be made subsequent to that date. Estimated claims payable represents unpaid claims at year-end that have been reported to the claims administrator and is based on information available regarding claims paid subsequent to the Plan year-end. Estimated claims incurred but not reported is based on information available regarding claims incurred during the Plan year and claims lag history of the Plan. The Plan does not provide postretirement benefits.

Deposits

In August 2021, the Employer paid a deposit with the health insurance company. The deposit represents a hold should the Employer leave the provider and have unpaid claims.

Administrative Expenses

Certain benefit related expenses are paid by the Plan. All other expenses are paid by the Employer.

Subsequent Events

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through June 11, 2026, the date the financial statements were available to be issued.

NOTE 3 TAX STATUS

The trust of the Plan is structured as a taxable trust under Section 419 to serve as a funding vehicle for the Plan under appropriate sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC. The trust's assets are noninterest bearing and the trust has not generated taxable income during the year ended August 31, 2025.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 PLAN TERMINATION

Although it has not expressed any intention to do so, the Employer has the right under the Plan to modify the benefits provided to, and contributions required of participants, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits or for on account of the participants. No assets of the Plan may revert to the Employer or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 5 PARTY-IN-INTEREST TRANSACTIONS

As described in Notes 1 and 2, the Plan has several arrangements with service providers. These transactions are party-in-interest transactions under ERISA.

NOTE 6 RISKS AND UNCERTAINTIES

The liability for claims incurred but not reported (IBNR) at August 31, 2025 and 2024 was estimated based on information available regarding claims incurred during the Plan year, claims lag history of the Plan, anticipated stop-loss coverage and similar restrictions on benefits and other trend factors. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.
