We have performed audits of the financial statements of The Trevor Project, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

To the Plan Administrator of
The Trevor Project, Inc. 403(b) Plan

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedules Required by ERISA

The supplementary schedules of assets (held at end of year) as of December 31, 2024 and delinquent participant contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE TREVOR PROJECT, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The Trevor Project, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a defined contribution 403(b) plan which covers all full-time employees of The Trevor Project, Inc. (the Organization). Employees are eligible to join the Plan as soon as administratively feasible on or after the employee's first day of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan became effective January 1, 2013.

(b) CONTRIBUTIONS

In accordance with the Plan document, a participant may elect to make pre-tax contributions and post-tax Roth 401(k) contributions up to a maximum combined amount of \$23,000 in 2024. Participants who have attained the age of 50 by the Plan year end may also make additional catch-up contributions up to a maximum of \$7,500 during the year ended December 31, 2024. In addition, the Organization may make discretionary contributions as defined by the Plan Agreement. Participants are eligible to receive the employer discretionary contributions upon entrance into the plan. During 2024 and 2023, the Organization contributed amounts equal to 3% of eligible employee compensation. The Organization's discretionary contributions are allocated to participant accounts in accordance with the participant's designated fund allocation. The amount of contribution made by the Organization is within the Organization's discretion and may vary from year to year. The Organization made discretionary contributions totaling \$636,721 during the year ended December 31, 2024.

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions and the Organization's contributions. The benefit to which a participant is entitled is the participant's vested account balance. Forfeitures of terminated participants' non-vested accounts may be used to reduce employer contributions or to reimburse the Plan Sponsor for plan expenses. During the year ended December 31, 2024, no forfeited amounts were used to reimburse the Plan Sponsor for plan expenses. There were \$148,752 and \$69,906 of forfeitures available at December 31, 2024 and 2023, respectively.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(d) VESTING

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in employer contributions increases by 33% after completion of one year of continuous service. A participant is 100% vested after three years of continuous service.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balance subject to a minimum loan amount of \$1,000 and a maximum loan amount of \$50,000. Notes receivable from participants bear interest at a rate which is comparable to commercial lending institutions as determined quarterly by the Plan administrator. Notes receivable are secured by the participants' vested interest in the Plan. Notes receivable from participants must be paid back within five years unless the notes are for the purchase of a principal residence. Principal and interest are paid through equal quarterly installments consisting of both interest and principal. Interest rates on outstanding notes receivable from participants at December 31, 2024 ranged from 2.50% to 5.50%. Principal and interest are paid directly to the custodian.

(f) PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive a single lump-sum payment of the value of his or her account, equal installments or an annuity for a period not exceeding life expectancy. Benefits are recorded when paid. There were no benefit claims for participants separated from service that have not yet been paid as of December 31, 2024.

(g) ADMINISTRATIVE EXPENSES

The Plan incurs fees and administrative costs which are assessed by a third party administrator and absorbed by the Organization in administering the Plan. Transaction charges are paid by the participants.

THE TREVOR PROJECT, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan Administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including fixed and variable annuities. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

(d) VALUATION OF INVESTMENTS AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's net gains and losses on investments bought and sold as well as held during the year.

Investments are valued at fair value as determined by The Variable Annuity Life Insurance Company (VALIC), the custodian of the Plan as of December 31, 2024 and 2023.

THE TREVOR PROJECT, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

(f) SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2024, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through May 29, 2026, the date these financial statements were available to be issued. No such subsequent events were noted.

NOTE 3 - INVESTMENTS

The Plan's funds are maintained by VALIC, the custodian of the Plan. The Plan's funds are credited with contributions and actual earnings on the underlying investments and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2024 and 2023 are the values as reported to the Plan by VALIC.

The following was certified as to being complete and accurate by VALIC:

- Investments and notes receivable from participants as shown in the statement of net assets available for benefits as of December 31, 2024 and 2023.
- Net appreciation in fair value of investments, interest income on investments and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Supplementary Schedule of Assets (Held at End of Year) at December 31, 2024.

The Plan's independent auditor did not perform any auditing procedures with respect to this information, except for comparing such information to the related information included in the statements of net assets available for benefits and statement of changes in net assets available for benefits and the supplementary Schedule of Assets (Held at End of Year).

Participants may change their investment options at their discretion.

THE TREVOR PROJECT, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan adopted the fair value accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	Year Ended December 31	Fair Value Measurements Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2024:				
Fixed Annuities	\$ 634,213	\$ -	\$ 634,213	\$ -
TOTAL INVESTMENTS IN FAIR VALUE HIERARCHY	634,213	\$ -	\$ 634,213	\$ -

TOTAL INVESTMENTS AT FAIR VALUE	<u>\$ 10,162,127</u>			

THE TREVOR PROJECT, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2024 and 2023

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

	Year Ended December 31	Fair Value Measurements Using		
		Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2023:				
Fixed Annuities	\$ 547,766	\$ -	\$ 547,766	\$ -
TOTAL INVESTMENTS IN FAIR VALUE HIERARCHY	547,766	\$ -	\$ 547,766	\$ -
Investments Measured at Net Asset Value - Annuity Separate Accounts (a)	7,641,471			
TOTAL INVESTMENTS AT FAIR VALUE	\$ 8,189,237			

(a) In accordance with Financial Accounting Standard Board Accounting Standard Codification Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan. The investments have no unfunded commitments as of December 31, 2024. The redemption frequency and redemption notice period is daily.

The following is a description of the valuation methodologies used for assets measured at fair value.

- **Annuity Separate Accounts:** Valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV is based on the value of the underlying assets owned by the fund, less its liabilities, and then divided by the number of shares outstanding. The separate accounts are designed to mirror the performance of mutual funds of the same name.
- **Fixed Annuities:** Invests in general account assets of VALIC to provide fixed return investment growth and is credited with interest at rates set by VALIC. Inputs include quoted prices for similar assets and liabilities in active markets, and inputs other than quoted prices that are observable for the asset or liability, such as interest rates and yield curves that are observable at commonly quoted intervals.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

THE TREVOR PROJECT, INC. 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE 5 - TAX STATUS

The Plan has not received an IRS Determination Letter. The Plan Administrator believes that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken.

NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by VALIC, a custodian as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions during 2024. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to terminate the Plan subject to the provisions of ERISA. Upon plan termination, participants become 100% vested in employer contributions. In the event the Plan is terminated, the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.
