INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Riva Solutions, Inc. Group Medical Plan
McLean, Virginia

Opinion

We have audited the financial statements of the Riva Solutions, Inc. Group Medical Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits - modified cash basis as of August 31, 2025, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits - modified cash basis of Riva Solutions, Inc. Group Medical Plan as of August 31, 2025, and the changes in net assets available for benefits - modified cash basis for the year then ended, in accordance with the modified cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Riva Solutions, Inc. Group Medical Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2; and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Riva Solutions, Inc. Group Medical Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Riva Solutions, Inc. Group Medical Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of Schedule H, Line 4 (i) - Schedule of Assets (Held at End of Year) - modified cash basis and Schedule H, Line 4 (j) - Schedule of Reportable Transactions - modified cash basis as of and for the year ended August 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules - modified cash basis, we evaluated whether the supplemental schedules - modified cash basis, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules - modified cash basis is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

August 31, 2025

NOTE 1 - Description of the Plan

The following description of the Riva Solutions, Inc. Group Medical Plan (the “Plan”) provides only general information about the Plan’s provisions. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan provides health benefits as defined in the Plan document, covering all full-time employees of Riva Solutions, Inc. (the “Plan Sponsor”), and their eligible dependents. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was established September 1, 2024 (Inception).

The Plan is a member of Veris Benefits Consortium, LLC, which operates as a health insurance consortium under which the members negotiate and establish employee welfare benefit plans for their employees. Some expenses of the Plan are paid through the Veris Benefit Trust. The employees may be required to pay for a portion of the cost of the benefit.

Plan Amendments - The Plan has been amended and restated as of September 1, 2025. Effective September 1, 2025, the Plan year will be July 1st through June 30th, following a short Plan year from September 1, 2025 through June 30, 2026.

Benefits - The Plan provides health benefits (medical and prescription drugs) to the full-time employees and their eligible dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Contributions - The Company and the participants’ share the premiums for the self-funded medical insurance with the participants contributing based on semi-monthly payroll deductions in accordance with the provisions of the Plan.

Stop Loss Coverage - The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure of self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Parties-in-Interest - Certain transactions, including administrative services and claims processing, are conducted with parties-in-interest as defined by ERISA.

Self-Insured Benefits - The claims for self-insured benefits are processed by the Plan’s third-party claims processor under administrative services only (ASO) arrangements. The claims processor pays claims directly to or on behalf of participants and are then reimbursed by the Plan’s Veris Benefit Trust. Despite the Plan’s utilization of a third-party claim’s processor, ultimate responsibility for the payments to providers and participants is retained by the Plan.

NOTE 2 – Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared under the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Contributions are recorded when received and are not accrued and certain expenses are recognized when paid rather than when incurred. Accordingly, the accompanying financial statements are not intended to present net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein; claims incurred but not reported; eligibility credits; claims payable; and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Concentration of Credit Risk – Financial instruments that potentially subject the Plan to concentrations of credit risk consists principally of cash deposits. Accounts at the institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Amounts not covered by the FDIC may be covered by the Plan's Fidelity Bond insurance. At August 31, 2025, the Plan's balance did not exceed the limit.

The Plan believes it mitigates the risk of holding uninsured deposits by only depositing funds with a major financial institution. The Plan has not experienced any losses in such accounts, and believes it is not exposed to any significant risk.

Payment of Benefits – Premiums are reported when paid. Premiums paid are recorded as insurance company premiums in the accompanying statement of changes in net assets available for benefits – modified cash basis.

Claim payments are recorded when paid by the third-party claims processor and recorded as self-insured benefits paid, net in the accompanying statement of changes in net assets available for benefits – modified cash basis.

Stop Loss – Premiums for stop loss insurance are included in insurance company premiums in the accompanying statements of changes in net assets available for benefits – modified cash basis. During the year ended August 31, 2025, stop loss reimbursements netted against self-insured benefits paid on the statement of changes in net assets available for benefits – modified cash basis was \$430,905.

Subsequent Events – The Plan management has evaluated those events and transactions that occurred from September 1, 2025 through June 4, 2026, the date the financial statements were available to be issued. No material events or transactions have occurred during this period which would render these financial statements to be misleading.

NOTE 3 - Claims Incurred but Not Reported

Claims incurred but not reported are not recognized in the financial statements due to the modified cash basis of accounting; however such amounts are disclosed for informational purposes. These amounts are paid by the Plan only if claims are submitted and approved for payment. Claims incurred but not reported are estimated to be approximately \$149,000 as of August 31, 2025. There were no reportable claims payable at August 31, 2025.

NOTE 4 - Administrative Expenses

The Plan pays administrative expenses that consists primarily of administrative fees paid to the third-party claims administrators, brokers, patient advocates, and actuary. These expense are reported on the statement of changes in net assets available for benefits - modified cash basis as administrative expenses.
