Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Security Risk Advisors Intl, LLC 401(k) Profit Sharing Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Fidelity Management Trust Company, a qualified institution, as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INDEPENDENT AUDITOR'S REPORT

(continued)

- The information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITOR'S REPORT

(continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Security Risk Advisors Intl, LLC 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution plan covering all full-time employees of Security Risk Advisors Intl, LLC ("Company"). It is designed to invest voluntary employee contributions and matching employer contributions for the benefit of the participating employees. The Plan is subject to the provisions of the Employee Income Security Act of 1974 ("ERISA").

Eligibility

Employees of the Company, except for interns, co-ops, part-time, temporary, and seasonal employees, are eligible to participate in the Plan immediately upon being hired. Part-time, temporary, or seasonal employees become eligible to participate in the Plan in the year after they have provided 1,000 hours of service in a Plan year and are at least 21 years of age.

Contributions

Participants can voluntarily contribute a specific percentage or dollar amount from their taxable income, as a pre-tax 401(k) deferral or a Roth 401(k) deferral, with certain limitations. Salary reduction contributions for any calendar year are subject to Internal Revenue Code ("IRC") limitations of \$23,500 and \$23,000 in 2025 and 2024, respectively. Consistent with Internal Revenue Service ("IRS") guidelines, participants who have attained age 50 before the end of the Plan year are eligible to contribute catch-up contributions (limited by the IRC to \$7,500 in 2025 and 2024). IRS guidelines restrict the total contributions for participants over the age of 50 for the years ended December 31, 2025 and 2024 to \$31,000 and \$30,500, respectively. Participants may also make rollover contributions from other qualified plans.

The Company may make additional contributions to the Plan as a safe harbor basic matching contribution, safe harbor enhanced matching contribution, or safe harbor non-elective contribution. If the Company decides to make one of the contributions above, the employee will receive a notice informing them of the decision and the amount of the contribution. This is intended to satisfy the nondiscrimination tests under the code sections 401(k) and 401(m) of the IRC. During 2025 and 2024, the Company elected to make a safe harbor non-elective contribution equal to 3% of an employee's compensation. For these contributions, the employee receives a contribution even if they have chosen to not voluntarily contribute to the Plan.

The Company may also contribute a discretionary profit-sharing contribution of a percentage of the participants' eligible compensation in accordance with the Plan document. There were no discretionary contributions for the years ended December 31, 2025 and 2024.

SECURITY RISK ADVISORS INTL, LLC 401(K) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Participant accounts

Each participant's account is increased for contributions, reduced for withdrawals and Plan expenses, and increased or decreased on a daily basis for investment income (loss) including unrealized appreciation or depreciation in the fair value of investments.

Participants may direct their voluntary contributions, rollover contributions and the Company contributions in one or more of the investment options offered and may change their investment allocation on a daily basis.

Vesting

Participants are immediately vested in their voluntary contributions, Company safe harbor contributions, and rollover contributions, plus actual earnings thereon. Participants vest in the Company's discretionary profit-sharing contribution and matching contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

The Company defines a year of service as at least 1,000 hours of service during a Plan year.

Payment of benefits

A participant who has attained age 59½, has incurred a hardship (as defined in the Plan document), or has become disabled may receive a distribution from the Plan. The Plan may also make a distribution upon termination of service. Upon termination of service, if the participant's account balance is \$1,000 or less, the participant will receive, as soon as practicable, a lump-sum payment less applicable withholding taxes. If the participant's account balance exceeds \$1,000 but is less than \$7,000, the participant must consent to an automatic distribution. If the participant does not elect to have such distribution paid, then the participant's account is distributed in a direct rollover to an Individual Retirement Account ("IRA") designated by the Plan administrator. If the participant is a 5% owner, the Plan is required to make a distribution of the participant's account balance on the required beginning date, which is April 1 following the year in which the 5% owner attains the age of 73. For all other participants, the required beginning date is the latter of April 1 following the year in which the participant attains the age of 73 or the participant's retirement date.

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants

Subject to certain restrictions, participants may borrow a minimum of \$500 up to a maximum equal to the lesser of 50% of their aggregate account balance or \$50,000 reduced by the excess of the highest outstanding balance of any Plan loans during the 12-month period preceding the date of the loan. In no event shall the total of any participant's outstanding note exceed, at the time the loan is made, the lesser of (a) \$50,000 reduced by the excess of any outstanding loan balance incurred during a one-year period prior to the new loan date or any outstanding loan balance or (b) one-half of the vested balance of a participant's accrued benefit under this Plan and all other plans of the Company.

The notes bear interest at a fixed rate, which is determined by the Plan administrator to be a reasonable rate of interest, taking into account the rate that would be charged by commercial lenders for money loaned under similar circumstances. For the year ended December 31, 2025, the interest rate was equal to one percentage point over the prime rate in effect on the day the participant's note is processed. Generally, the notes are repayable over a specified period not to exceed five years. If, however, the note is to be used for the purchase of a participant's principal residence, the note is repayable over a longer repayment term. The interest rates in effect on outstanding loans as of December 31, 2025 range from 4.25% to 9.50%.

The notes are secured by promissory notes providing for repayment of principal and interest through payroll deductions. Participants can also make payments directly to the custodian. As collateral for the note, the participant gives the Plan a security interest in his/her vested accrued benefit in the Plan in an amount equal to the outstanding principal balance of the note plus accrued interest.

Under the Plan's policy, if the employee fails to make payments when they are due under the terms of the note, then the note will be considered to be "in default." The Company will consider a note to be in default if any scheduled note repayment is not made by the end of the calendar quarter following the calendar quarter in which the missed payment was due. The Plan would then have authority to take all reasonable actions to collect the balance owed on the note.

Administrative expenses

The Plan's provisions provide that administrative costs be paid out of the Plan, except to the extent that the Company has elected to pay part or all of such costs. These costs include professional fees and costs for external recordkeeping services. A monthly fee is deducted from all participant's accounts to cover the administrative expenses.

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Forfeited accounts

Forfeitures can be used to reduce future employer contributions or expenses incurred in the operation of the Plan. During 2025 and 2024, forfeited non-vested accounts were used to reduce employer contributions by \$0 and \$298, respectively. During 2025 and 2024, forfeited non-vested accounts were not used by the Plan to reduce Plan administrative expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan provides participants the opportunity to direct both participant and Company contributions into separate investment funds. However, the investing activity within the funds is discretionary, and the individual investment managers have the authority to make investment decisions.

Investments are reported at fair value as reported to the Plan administrator by the trustee of the Plan's assets. The Plan's investments consist of mutual funds and a common collective trust ("CCT").

The Plan's investments in mutual funds are stated at fair value as measured by quoted market prices. The common collective trust fund is valued at the net asset value ("NAV") of units held by the Plan at year-end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments comprising the trust, less its liabilities. Investment transactions are accounted for on the trade date (date the order to buy or sell is executed). Interest and dividend income is recorded as earned. All gains and losses (realized and unrealized) on investments recorded at fair value, bought and sold as well as held during the year are included in net appreciation in fair value of investments reported within the statements of changes in assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued)

The Plan provides for investment options that are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of assets available for benefits and participants' individual account balances.

Contributions

Participant contributions are recorded when withheld from the participant's compensation. Employer matching contributions are recorded at that same time. Additional discretionary employer retirement contributions may be recorded periodically during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through June 11, 2026, the date on which the financial statements were available to be issued.

NOTE 3 - CERTIFICATION

All information related to investments and notes receivable from participant assets, investment and notes receivable from participant transactions, and related income as of and for the years ended December 31, 2025 and 2024, is certified as complete and accurate by the Fidelity Management Trust Company, the custodian of the Plan for each Plan year, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 4 - FAIR VALUE MEASUREMENT

Investments measured and reported at fair value are classified and disclosed in one of the following categories based on the extent of market observability:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The Plan's investments in mutual funds are classified as Level I as of December 31, 2025 and 2024.

Level II – Pricing inputs are other than quoted market prices included in Level I, however, are observable either directly or indirectly for the investment. The Plan does not carry any of these investments as of December 31, 2025 and 2024.

Level III – Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not carry any of these investments as of December 31, 2025 and 2024.

The valuation of the Plan's investments by the above fair value hierarchy levels are as follows as of December 31:

	<u>Level</u>	<u>2025</u>	<u>2024</u>
Mutual funds	I	\$ 25,203,241	\$ 18,670,294
Common collective trust fund	NAV	<u>122,660</u>	<u>48,092</u>
Total investments at fair value		<u>\$ 25,325,901</u>	<u>\$ 18,718,386</u>

The following table sets forth disclosure of the Plan's investment whose fair value is estimated at NAV per share, as a practical expedient, as of December 31, 2025 and 2024:

<u>Investment</u>	<u>Fair value</u>		<u>Redemption</u>	<u>Redemption</u>
	<u>2025</u>	<u>2024</u>	<u>frequency</u>	<u>notice period</u>
Putnam Stable Value Fund	\$ 122,660	\$ 48,092	daily	n/a

- (a) Putnam Stable Value Fund is a common collective trust fund established, operated, and maintained by Putnam Fiduciary Trust Company, LLC under the declaration of a trust agreement. The investment objective of the fund is to provide current and stable income. The fund invests primarily in traditional, separate account, and synthetic guaranteed investment contracts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Putnam Stable Value Fund. The Plan has no unfunded commitments with respect to this investment.

NOTES TO FINANCIAL STATEMENTS

(continued)

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company reserves the right to terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, assets will be allocated to each participant based on their respective account balance after payment of all final liquidation or termination expenses, pursuant to the directions of the Plan administrator.

NOTE 6 - INCOME TAX STATUS

A favorable determination letter was received from the IRS on June 30, 2020, stating that the Plan was qualified under Section 401 of the IRC and the related trust was exempt from tax under Section 501(a) of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

In accordance with U.S. GAAP, Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examination for years prior to 2022.

NOTE 7 - RELATED PARTY TRANSACTIONS

For the years ended December 31, 2025 and 2024, the Plan has investments in several funds managed by Fidelity and, therefore, these fund transactions qualify as party-in-interest transactions.

For years ended December 31, 2025 and 2024, the Plan also holds notes receivable from participants, which qualify as party-in-interest transactions.

Fees paid by the Plan for investment management and trustee services qualify as party-in-interest transactions and amounted to \$70,506 and \$42,795 for the years ended December 31, 2025 and 2024, respectively.
