INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Stanion Wholesale Electric Co. Cafeteria Benefit Plan

Opinion

We have audited the financial statements of the Stanion Wholesale Electric Co. Cafeteria Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets in liquidation as of September 11, 2025 and December 31, 2024, the related statements of changes in net assets in liquidation for the period January 1, 2025 through September 11, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets in liquidation of the Plan as of September 11, 2025, and the changes in its net assets in liquidation for the period January 1, 2025 through September 11, 2025, in accordance with liquidation basis of accounting as described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter-Plan Termination and Liquidation Basis

As discussed in Note 2 to the financial statements, the Board of Directors of Stanion Wholesale Electric Co., Inc., the Plan's Sponsor, voted on September 11, 2025 to terminate the Voluntary Employee's Beneficiary Association Trust (VEBA Trust), and management determined liquidation was imminent. As a result, the Plan has changed its basis of accounting from the modified cash basis of accounting used in presenting the 2024 financial statements to the liquidation basis of accounting used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Emphasis of Matter-Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting as of and for the year ended December 31, 2024. The financial statements were prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matter-Prior-Year Audit Report

The financial statements of the Plan for the year ended December 31, 2024 were audited by us, and we issued a report dated August 5, 2025 containing a disclaimer of opinion on those financial statements because we were unable to obtain sufficient appropriate audit evidence to support healthcare claims paid and related amounts included in the statement of changes in net assets available for benefits (modified cash basis). As part of our audit of the 2025 financial statements, we performed procedures on the balances reported in the accompanying statement of net assets available for benefits (modified cash

basis) as of December 31, 2024 presented for comparative purposes and obtained sufficient appropriate audit evidence regarding those balances. Accordingly, our opinion on the statement of net assets available for benefits (modified cash basis) as of December 31, 2024, as presented herein, is different from that expressed in our previous report.

Responsibilities of Management for the Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting described in Note 2, and for determining that the liquidation basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. DESCRIPTION OF THE PLAN

The following description of the Stanion Wholesale Electric Co. Cafeteria Benefit Plan (the Plan) provides only general information about the Plan's provisions. Participants should refer to the Master Plan Document or Summary Plan Description for a more complete description of the Plan provisions. The Plan Administrator is responsible for oversight of the Plan and monitors investment performance.

General - The Plan provides health and other benefits to eligible employees and their covered dependents of Stanion Wholesale Electric Co. Inc. (Company). An eligible employee means an individual who is actively employed by the Company in a regularly scheduled work week ordinarily equaling or exceeding 30 hours per week. An eligible employee becomes a participant in the Plan on the first day of the month following or coincident with 60 days of continuous, active employment with the Company.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The benefits are funded by the Company and participating employees. All funds contributed are to be held for the exclusive benefit of the participants. Plan assets, prior to September 11, 2025, were held in a voluntary employees' beneficiary association (VEBA) trust.

Significant Plan Amendment - Effective September 11, 2025, the Board of Directors of the Company adopted an amendment to terminate the VEBA trust effective September 11, 2025.

Benefits - The Plan provides health benefits (medical, vision, dental and prescription drugs), group and voluntary life insurance, short and long-term disability benefits and accidental death and dismemberment (AD&D), health flexible spending accounts, dependent care, vision hardware, cancer care, hospital indemnity, critical illness, long-term care, employee assistance and wellness program benefits to covered participating employees and designated dependents. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Insured Benefits - The Plan fully insures the life insurance benefits (basic, supplemental, and dependent), accidental death and disability benefits (basic, supplemental, and spousal), short and long-term disability benefits, vision hardware, accident, cancer, hospital indemnity, critical illness, long-term care, employee assistance and wellness program. The Company purchases annual insurance contracts for these insured benefits. Premiums for basic group life insurance, basic accidental death and dismemberment, short and long-term disability insurance, employee assistance and wellness programs are paid from the general assets of the Company. Premiums for the medical plan insured benefits are paid from the assets of the VEBA trust.

Self-Insured Benefits - The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants through the Plan's VEBA trust. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan. The Plan maintains a contract with Allied Benefit Systems, LLC (Allied) to administer the payment of medical, vision, dental and prescription drug benefit claims.

1. DESCRIPTION OF THE PLAN (CONTINUED)

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Stop-Loss Coverage - The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for benefits liability (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Contributions - In addition to deductibles and copayments, participants contribute specified amounts based on applicable monthly premiums for their respective benefit elections. Participants pay the full cost of supplemental and dependent life insurance and supplemental accidental death and dismemberment insurance programs based on the current group rate premium cost. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Flexible Spending Accounts - The Plan includes a flexible spending account to pay for copayments, deductibles, prescription drugs, and other health care costs. A separate, non-interest bearing account has been established by the Company.

Administrative Expenses - Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan and no such costs are therefore included in these financial statements. Administrative fees for claims and reinsurance contracts are paid by the Plan.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - Due to the decision to terminate the Plan, the Plan Administrator determined that liquidation of the VEBA was imminent, and the financial statements have been prepared using the liquidation basis of accounting. Prior to the determination that liquidation was imminent, the Plan prepared its financial statements on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis, participant contributions are recognized when collected rather than when earned; benefits, premiums and expenses are recognized when paid rather than when incurred; interest bearing cash is reported at fair value and interest is recognized when earned. Consequently, participant contributions receivable, claims incurred but not reported or paid, amounts due insurance companies, deferred premiums and accrued expenses are not included in the accompanying financial statements.

Cash - The Plan considers cash and cash equivalents to include deposits on demand and short-term investments with original maturities of three months or less. Interest bearing accounts are classified as investments. The Plan's cash and cash equivalents are held in high credit quality financial institutions. The Plan maintains its cash in bank deposit accounts that, at times, may exceed the federally insured limits. The Plan has not experienced losses in such accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Insurance Premiums - Premiums paid by the Plan are recorded as claims administration and other expenses in the accompanying statement of changes in net assets available for benefits.

Premiums for expected claims as annualized by Allied are paid by employees and the Company and are included as contributions in these financial statements.

Claims Payment - Premiums paid by the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets in liquidation. Claim payments are recorded when paid by the third-party claims processor and are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

The estimate for unrecorded estimated medical claims payable and unrecorded claims incurred but not reported (IBNR) is calculated based on actual claims incurred during the year for which payment was made subsequent to year-end and historical data as provided by the third-party claims processer to the Plan. As of the VEBA trust termination date, the Company assumed responsibility for all benefit obligations, including claims incurred on or before September 11, 2025, but not reported or paid as of that date. Upon termination of the VEBA trust, any unpaid claims, including IBNR, are no longer obligations of the VEBA trust and are obligation of the Company.

Stop Loss - Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets in liquidation. Stop loss refunds totaling approximately $22,000 have been netted with claims paid in the accompanying statement of changes in net assets in liquidation.

Reinsurance - The Plan limits its risk through reinsurance of medical and dental benefits. The Plan has a contract with QBE Insurance Corporation which includes reinsurance coverage for claim losses as specified by a formula and pays specific losses per individual and aggregate losses in excess of the Expected Incurred Claims Expense and the Administrative Fee.

Estimates - The preparation of financial statements requires management to make estimates and assumptions that affect: (1) the reported amounts of assets and liabilities, (2) disclosures such as contingencies, and (3) the reported amounts of revenues and expenses included in such financial statements. Actual results could differ from those estimates.

Subsequent Events - These financial statements considered subsequent events through April 2, 2026, the date these financial statements were available to be issued.

3. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

3. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The following describes three levels of inputs that may be used to measure fair value:

Level 1 - Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;
Level 2 - Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Interest Bearing Cash. Interest bearing cash includes amounts held in bank deposit accounts, money market deposit accounts, or other highly liquid cash equivalents that earn interest. These balances are valued at cost plus accrued interest, which approximates fair value, and are classified as Level 1.

The fair value at September 11, 2025 and December 31, 2024 of the Plan's financial instruments that are valued on a recurring basis in accordance with the above fair value hierarchy is as follows (there are no Level 2 or 3 investments):

	Fair Value at September 11, 2025	
	Level 1	Fair Value
Assets in fair value hierarchy:		
Interest bearing cash	$ --	$ --

	Fair Value at December 31, 2024	
	Level 1	Fair Value
Assets in fair value hierarchy:		
Interest bearing cash	$ 1,508,468	$ 1,508,468

4. CLAIMS ADMINISTRATION AND OTHER EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators (Allied). These expenses are reported on the statement of changes in net assets in liquidation as claims administration and other expenses.

5. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan assets were invested and managed by Fusion Bank, as well as certain Plan deductions and payments to Allied who performs administrative services for the Plan, and therefore, these transactions qualify as party-in-interest transactions. As described in Notes 1 and 4, the Plan has several arrangements with service providers. Total fees incurred and paid directly by the Plan for these services were $74,937.

6. TAX STATUS

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated April 14, 1992, stating that the trust is tax exempt under the provisions of Section 501(c)9 of the Internal Revenue Code (IRC). However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator believes that the Plan, and any amendments to the Plan since receiving the determination letter, is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Management has evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements related to all open periods. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PLAN TERMINATION

As disclosed in Note 1, the Board of Directors of the Company elected to terminate the VEBA trust, effective September 11, 2025. As a result, the Plan Administrator determined that liquidation of the VEBA was imminent. The Plan fully liquidated all assets of the VEBA during 2025.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

8. RISKS AND UNCERTAINTIES (CONTINUED)

IBNR is determined based on certain assumptions pertaining to historical claim rates, lag times, and individual large claims, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material.
