INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
K&L Gates Voluntary Employees' Beneficiary Association

Opinion

We have audited the financial statements of the K&L Gates Voluntary Employees' Beneficiary Association (Trust), which comprise the statements of net assets available for benefits as of December 31, 2025 (in Liquidation) and 2024 (Ongoing), and the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Trust as of December 31, 2025 and 2024, and the changes in its net assets for the years then ended in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As further discussed in Note 1 to the financial statements, the K&L Gates Benefits & Investments Committee approved a termination of the Trust on October 7, 2025, with an effective date of December 31, 2025, and management determined liquidation was imminent. As a result, the Trust changed its basis of accounting from the going-concern basis of accounting used in presenting the 2024 financial statements to the liquidation basis of accounting used in presenting the 2025 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

K&L GATES VOLUNTARY EMPLOYEES' BENEFICIARY ASSOCIATION

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 (IN LIQUIDATION) AND 2024 (ONGOING)

NOTE 1 - TRUST DESCRIPTION

The following description of the K&L Gates Voluntary Employees' Beneficiary Association (Trust) provides only general information. Participants should refer to the Trust document for a complete description of the Trust's provisions. On October 7, 2025, the K&L Gates Benefits & Investments Committee approved the termination of the Trust with an effective date of December 31, 2025. The remaining assets were paid out from the Trust as of November 12, 2025.

General - The Trust was a noncontributory, non-participant-directed trust. Assets were held in a voluntary employees' beneficiary association (VEBA) trust, which provides assets to fund certain health benefits in accordance with Internal Revenue Code (IRC) Section 419 and 419(a) for any employee or equity partner or former employee or equity partner of K&L Gates LLP, a Delaware limited liability partnership (Firm), from the K&L Gates Group Benefits Plan (Plan).

Trust Administration - The Trust was sponsored by the Firm. Trustees are fiduciaries with respect to administration of the Trust. The Bank of New York Mellon, N.A. (BNY Mellon) served as custodian of the Trust and had overall responsibility for custody and safekeeping of the assets of the Trust that it held. Trustees had sole authority to fund the Plan from the Trust assets.

Contributions - Only the Firm was permitted to make contributions to the Trust, which may be in the form of money or property at a time as determined by the Firm.

Payment of Benefits - Upon receipt of written direction from the Trustees, the Trust made payments from its assets fund to Trust entities or accounts, including any claims administrator on the Trust's behalf, in such manner and in such amounts as the Trustees would direct.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies applied by management in the preparation of the accompanying statements of net assets available for benefits and related statements of changes in net assets available for benefits and the related notes to the financial statements (financial statements) follows:

Basis of Accounting - The financial statements of the Trust are prepared under the liquidation basis of accounting as of and for the year ended December 31, 2025, and under the accrual basis of accounting as of and for the year ended December 31, 2024.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the dates of the financial statements. Actual results could differ from those estimates.

Investment Valuation - The Trust's investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion of fair value measurement.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Interest income is recorded on the accrual basis.

Payment of Benefits - Benefit payments are recorded when paid.

Expenses - Trust expenses are paid either by the Trust or the Firm, as provided by the Trust document. Expenses paid by the Firm are excluded from these financial statements. The Firm may also fund the Trust to pay expenses on behalf of the Plan. Certain expenses incurred in connection with the general administration of the Trust that are paid by the Trust are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Subsequent Events - The Trustees have evaluated subsequent events through June 18, 2026, the date on which the financial statements were available to be issued.

NOTE 3 - TAX STATUS

The Trust is qualified pursuant to Section 501(c)(9) of the IRC and, accordingly, the Trust's net investment income is exempt from income taxes. The Trust has obtained a favorable tax exemption letter from the Internal Revenue Service (IRS) dated June 7, 2017 with an effective date of November 29, 2016. The Trustees believe the Trust continues to qualify and to operate as designed.

U.S. GAAP require the Trustees to evaluate tax positions taken by the Trust and recognize a tax liability (or asset) if the Trust has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Trustees have analyzed the tax positions taken by the Trust, and have concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Trust is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax periods in progress. The trustees believe the Trust is no longer subject to income tax examinations for years prior to 2022.

NOTE 4 - FAIR VALUE MEASUREMENT

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Trust has the ability to access.

NOTE 4 - FAIR VALUE MEASUREMENT (Continued)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Interest-Bearing Cash - Values based on the actual observable value of the underlying money; priced daily.

The following tables set forth by level, within the fair value hierarchy, the Trust's assets at fair value at December 31:

	2025			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	-	-	-	-

	2024			
	Level 1	Level 2	Level 3	Total
Interest-bearing cash	$ 74,501	-	-	$ 74,501

NOTE 5 - RELATED-PARTY TRANSACTIONS

All of the Trust's assets were held in a bank account maintained by BNY Mellon, which is the custodian of the Trust, therefore these transactions qualify as party-in-interest transactions. Certain administrative functions are performed by employees or partners of the Firm at no cost to the Trust.
