INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator
Plastic Ingenuity, Inc. Profit Sharing and Savings Plan
Cross Plains, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Plastic Ingenuity, Inc. Profit Sharing and Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plastic Ingenuity, Inc. Profit Sharing and Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Plastic Ingenuity, Inc. Profit Sharing and Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plastic Ingenuity, Inc. Profit Sharing and Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plastic Ingenuity, Inc. Profit Sharing and Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plastic Ingenuity, Inc. Profit Sharing and Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PLASTIC INGENUITY, INC. PROFIT SHARING AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1—DESCRIPTION OF PLAN

The following description of Plastic Ingenuity, Inc. Profit Sharing and Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering employees of Plastic Ingenuity, Inc. (the Company). Employees become eligible for the Plan immediately upon hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustees.

Effective January 1, 2025 the Plan implemented the SECURE 2.0 Act super catch-up contributions for participants aged 60-63.

Contributions. Participants may elect to contribute between 1% and 100% of their compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions and employer safe harbor contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated fund balance until changed by the participant. The Company contributes a 3% safe harbor contribution on eligible compensation. Additional discretionary profit sharing amounts may be contributed at the option of the Company's board of directors and are invested in a portfolio of investments as directed by the Company (nonparticipant directed accounts). During the year ended December 31, 2025, the Company contributed 4% of eligible compensation. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's profit-sharing contribution, plan earnings, and forfeited account balances. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are vested immediately in their contributions and the Company's safe harbor contribution plus actual earnings thereon. Vesting in the Company's discretionary profit-sharing contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear interest at rates

NOTE 1—DESCRIPTION OF PLAN (continued)

commensurate with local prevailing rates as determined by the plan administrator. Principal and interest is paid ratably through biweekly payroll deductions.

Payment of Benefits. A participant will receive a lump sum amount equal to the value of the participant's vested interest in his or her account, for all distributions other than death. After termination of employment with the Company, if the vested amount of the account does not exceed \$7,000, the vested account balance will be distributed from the Plan. Participants may also elect in-service distributions from the Plan on account of hardship or attainment of age 59 $\frac{1}{2}$.

Forfeited Accounts. At December 31, 2025 and 2024, forfeited nonvested accounts totaled \$89,289 and \$117,942, respectively. These accounts will be reallocated to active plan participants. In 2025, \$117,942 was reallocated to participants' accounts in the same manner as the employer's contributions.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions Receivable

The Plan uses the ERISA definition of plan assets to determine whether an accrual should be made for employee or the related employer contributions receivable based on when amounts have been withheld from employee compensation. A defined contribution plan can elect to recognize the employee and the related employer matching contribution either (1) in the period related to the participant's service or compensation (even if not yet withheld), or (2) in the period the employee contribution is withheld if the policy is applied on a consistent basis.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable to participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment advisory expenses are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Date of Management's Review

Management has evaluated subsequent events through June 19, 2026, the date which the financial statements were available to be issued.

NOTE 3—NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets relating to the nonparticipant-directed investments is as follows:

NOTE 3—NONPARTICIPANT-DIRECTED INVESTMENTS (continued)

Information about the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

Changes in net assets	
Contributions	\$ 2,843,532
Interest	70,327
Dividends	2,485,990
Rents	39,140
Land appreciation	1,070,000
Net appreciation	5,838,718
Loan transfers	76,237
Benefits paid to participants	(4,920,578)
Administrative expenses	(102,232)
Total changes in net assets	<u>\$ 7,401,134</u>

NOTE 4—FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority.

Certificates of deposit: portfolio of brokered CD's valued at the closing price reported on the market in which they are sold, which fluctuates based on the interest rates and market conditions.

Bonds: valued at the present value of their future cash flows by discounting cash flows using a discount rate, which reflects the market interest rate and risk of the bond.

Money market: valued at amortized costs and reported at net asset value (NAV).

Real estate: valued at appraised value.

Collective trusts: valued at NAV based on the value of the underlying investments which is considered to be readily determinable.

Mutual funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Total investments at fair value	<u>\$ 153,671,118</u>	<u>\$ 93,437,918</u>	<u>\$ 60,233,200</u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2025, are reported in net appreciation in fair value of investments.

PLASTIC INGENUITY, INC. PROFIT SHARING AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 5—LEASING ARRANGEMENTS

The Plan leases real estate used as farm land to tenants under noncancelable operating leases with terms of one year. The cost of the real estate was \$719,172 and the carrying value at December 31, 2025 and 2024 was \$10,450,000 and \$9,380,000.

NOTE 6—PARTY-IN-INTEREST TRANSACTIONS

Northwest Plan Services (NWPS) provides certain administrative services to the Plan pursuant to an Administrative Services Agreement (ASA) between the Company and NWPS.

NWPS is not compensated through revenue sharing. All fees billed by NWPS are paid from the Plan or by the Plan Sponsor.

Any revenue sharing paid by mutual funds is collected by the Plan's custodian, Matrix Trust Company, and deposited into the Plan's core trust account on a quarterly basis. Such amounts are rebated back to participants invested in the respective funds that pay the revenue sharing. During the year ended December 31, 2025, there was \$6,224 collected by Matrix Trust Company, and allocated back to participants, and is included in net appreciation in fair value of investments.

NOTE 7—PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in the Company contribution portion of their account.

NOTE 8—RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9—TAX STATUS

The Company has adopted a non-standardized prototype plan document that has received an opinion letter from the IRS dated June 30, 2022 stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

PLASTIC INGENUITY, INC. PROFIT SHARING AND SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 9—TAX STATUS (continued)

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 10—CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Matrix Trust Company (the custodian of the Plan).

Non section 103a3(c) procedures were performed on notes receivable from participants.

NOTE 11—SUBSEQUENT EVENT

Subsequent to year-end, in March 2026, the Plan sold two of the three parcels of land held as investments by the Plan, commonly referred to as the Wahl Farm and Landes Farm. The Plan continues to hold the remaining parcel, commonly referred to as the Schroeder Farm, as an investment. As of the date the financial statements were available to be issued, there were no plans to sell the remaining parcel.
