Independent Auditor's Report

Board of Trustees
Citizens Medical Center, Inc. Welfare Employee Benefit Plan
Colby, Kansas

Opinion

We have audited the financial statements of Citizens Medical Center, Inc. Welfare Employee Benefit Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and plan benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Citizens Medical Center, Inc. Welfare Employee Benefit Plan
Notes to Financial Statements
December 31, 2024 and 2023

Note 1. Description of the Plan

General

The following description of Citizens Medical Center, Inc. Welfare Employee Benefit Plan (Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan Document and Summary Plan Description for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

The Plan provides health benefits covering all eligible employees of Citizens Medical Center, Inc. (the Company/Sponsor) (with at least 20-30 hours of service per week, depending on the benefit) and covered dependents. Certain plan assets are held in a voluntary employees' beneficiary association (VEBA) trust. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA).

Effective January 1, 2024, the Plan changed its name from Citizens Medical Center, Inc. Group Health Care Plan to Citizens Medical Center, Inc. Welfare Employee Benefit Plan.

Benefits

The Plan provides health benefits (medical, dental and prescription drugs), life insurance, short- and long- term disability benefits, accidental death and dismemberment benefits, accident benefits, critical illness benefits, hospital indemnity benefits, and vision. The Plan has a flexible spending account to be used for health and dependent care expenses. The Plan also provides continuation of certain benefits upon termination of employment through the *Consolidated Omnibus Budget Reconciliation Act* (COBRA).

On January 1, 2024, the Plan was amended to include additional benefits, including executive disability, employee assistance, whole life, dependent care assistance and health savings account.

Insured Benefits

The Plan fully insures the life insurance benefits (basic, supplemental and whole), accidental death and disability benefits (basic and supplemental), disability benefits (short-term, long-term, and executive), accident benefits, critical illness benefits, hospital indemnity benefits, vision, and employee assistance benefits. The Company purchases annual insurance contracts for these insured benefits. Premiums for these fully insured benefits are paid to the insurance company from the general assets of the Company. Premiums for health benefits are paid from the assets of the VEBA trust.

Experience-Rated Contracts

Effective January 1, 2024, certain insurance contracts are subject to experience-rating adjustments. Experience ratings (calculated as the difference between premiums paid and the total of claims paid and fees charged by the insurance company) are determined by the insurance company every three years and may result in a premium surplus or deficit.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Self-Insured Benefits

All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either the Plan's VEBA trust or the general assets of the Company. Despite the Plan's utilization of third-party claim's processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

In addition to deductibles and copayments, participants may contribute specified amounts, based on applicable monthly premiums for their respective benefit elections. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, incurred but not reportable claims (IBNR), claims payable and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits

Premiums paid by either the Company or the VEBA trust are recorded as premium payments in the accompanying statements of changes in net assets available for benefits.

Claim payments are recorded when advanced to the third-party claims processor who pays claims directly to or on behalf of participants. The third-party claims processor processes health claims of active participants and covered dependents, but the responsibility for payments to participants and providers is retained by the Plan. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

Stop-Loss

Premiums for stop-loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits. Stop-loss refunds totaling \$608,240 and \$639,367 are presented in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, respectively.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling \$190,189 and \$121,920 have been netted with claims paid in the accompanying statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, respectively.

Other Plan Benefits

Plan obligations for health claims incurred but not reported are estimated based upon historic claims experience and actual claims reported subsequent to the Plan year end. Amounts due to claims processors that have not been reimbursed by the Plan are included as health claims payable as part of the Plan's total benefits obligations. Additional accruals are included for the estimated ultimate cost of future claims only if such claims are covered as of the Plan's fiscal year end and the Plan is obligated to pay for the care regardless of continued participation in the Plan.

Administrative Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion.

Note 3. Benefit Obligations

The Plan's deficiency of net assets over benefit obligations at December 31, 2024 and 2023, relates primarily to current claims, the funding of which is not covered by the noninterest-bearing cash maintained in the Plan's account. It is expected that the deficiency will be funded through future fundings of contributions.

Note 4. Related Party and Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan has a number of service providers. Such providers are parties in interest under ERISA. Funds in the amount of \$1,276,787 and \$955,016 for the years ended December 31, 2024 and 2023, respectively, were paid by the Plan for premiums and administrative expenses.

The Plan made disbursements for benefits which were ultimately paid to the Company for services performed in the amount of \$571,718 and \$712,609 for the years ended December 31, 2024 and 2023, respectively.

The Company also pays for annual audit costs and provides certain administrative services at no cost to the Plan.

Differences between the Annual Return/Report of the Plan (Form 5500) filed with the Internal Revenue Service and the accompanying financial statements include reporting benefit obligations in Form 5500.

Note 6. Tax Status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service (IRS) dated February 28, 1995, stating that the trust, as then designed, was tax-exempt under the provisions of Section 501(c)9 of the Internal Revenue Code. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in the financial statements. The Plan did not request or receive a determination letter. The Plan Administrator believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Change in Accounting Principle

The Plan previously recorded claims when paid by the third-party claims administrator who pays claims directly to or on behalf of participants. The Plan changed its claims administrators, and this information is not as easily accessible as there are several administrators involved in the claims process. As such, for the year ended December 31, 2024, the Plan elected to change its policy to record claims when advanced to a third-party claims administrator. This third-party then reimburses an affiliated third-party administrator who pays claims directly to or on behalf of participants. The adoption of this change resulted in an immaterial impact to the 2023 financial statements.

Note 8. Subsequent Events

Subsequent events have been evaluated through January 26, 2026, which is the date the financial statements were available to be issued.
