Report of Independent Auditors

To the Participants and Trustees of
IBEW Local 613 Defined Contribution
Pension Plan

Opinion

We have audited the financial statements of IBEW Local 613 Defined Contribution Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of IBEW Local 613 Defined Contribution Pension Plan as of December 31, 2025, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (continued)

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to Financial Statements

December 31, 2025

Note 1. Summary of Significant Accounting Policies

Method of Accounting - The accompanying financial statements of IBEW Local 613 Defined Contribution Pension Plan (the Plan) have been prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Employer Contributions Receivable - Employer contributions due at year end are recorded as contributions receivable. Payroll compliance audit deficiencies are recognized upon settlement with the employer. An allowance for uncollectible accounts is considered unnecessary and is not provided.

Employer Contribution Income - Employer contributions are recognized in the period in which covered work is performed, based on the wages earned in covered employment and the contribution rate currently in effect, as set forth in the collective bargaining agreement. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 2 within a jurisdiction located in certain counties in the states of Georgia and Alabama.

Note 1. Summary of Significant Accounting Policies (continued)

Reciprocal Contributions - The Plan is signatory to reciprocity agreements with various other multiemployer retirement plans for its participants who perform work outside the geographic jurisdiction of the local union. Participants who are normally employed within the territory of one local union (home local) may be temporarily employed within the territory of another local union (reciprocating local). When a participant of the home local works in the territory of a reciprocating local, the latter is to make contributions to the former's fringe benefit plans on the participant's behalf. Monies received by the Plan on behalf of persons from outside participating local unions are forwarded to their home local fringe benefit plans. The Plan uses the same recognition and measurement criteria for contributions received on behalf of its participants under the terms of reciprocity agreements, as for all other employer contribution revenue. Amounts paid to other plans under the terms of reciprocity agreements are not reflected in the statements of changes in net assets available for benefits, as the amounts received are not revenue earned by the Plan, and the corresponding payments are not an expense of the Plan. The Plan recognizes a liability upon receiving reciprocal contributions on behalf of non-participants working within the jurisdiction of the local union, and recognizes a decrease in that liability upon remitting those contributions to the appropriate plan. Employer contributions included reciprocal contributions of \$12,860,905 and \$10,765,307 for the years ended December 31, 2025 and 1899, respectively, from various other retirement plans under the terms of reciprocity agreements. The Plan remitted a total of \$2,254,581 and \$2,093,455 in reciprocal contributions to various other retirement plans under the terms of reciprocity agreements for the years ended December 31, 2025 and 1899, respectively.

Payment of Benefits - Benefits are recorded when paid. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2025 or .

Expenses - Certain investment related expenses are included in net appreciation in fair value of investments.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Subsequent Events - Subsequent events have been evaluated through April 29, 2026, which is the date the financial statements were available to be issued.

Note 2. Description of the Plan

The Plan was established pursuant to a collective bargaining agreement between the Atlanta Chapter of National Electrical Contractors Association and International Brotherhood of Electrical Workers Local Union 613 to provide retirement, death and disability benefits for eligible participants. The Plan is a multiemployer defined contribution retirement plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Plan benefits are not insured by the Pension Benefit Guaranty Corporation.

Note 2. Description of the Plan (continued)

An individual becomes a participant on the first day of covered employment with an employer required to make a contribution to the Plan on their behalf.

The Plan is primarily funded by employer contributions as specified in the collective bargaining agreements. Contributions are invested as directed by the participant in various investment options. In the absence of participant direction, contributions are invested in a default target date investment fund. Participants must evaluate their own investment goals and objectives and choose the investments best suited to achieve those goals and objectives. Poor investment performance by the investments selected by the participants may cause their account balances to be lower than the amounts contributed to the Plan on their behalf.

Participant's accounts are credited with employer contributions made on their behalf as well as an allocation of Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant elections or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Under current Plan provisions, each participant's account is immediately vested. Upon death, disability, retirement or separation from service, participants are entitled to receive the amount in their account, subject to the payment provision selected.

The Plan's net assets available for benefits at December 31, 2025, include unallocated amounts of \$129,692 and \$120,833 respectively. Such amounts primarily represent deposits made into an uncashed checks account related to participants who the Plan considers to be nonresponsive or "missing". Plan management utilizes best practice guidance in locating and distributing retirement benefits to missing participants. If a participant is later relocated, their account will be reinstated at the value put into the unallocated account.

Participants should refer to the summary plan description for more complete information.

Note 3. Priorities upon Termination

It is the intent of the Trustees to continue the Plan in full force and effect. The Trustees reserve the right to terminate the Plan subject to the provisions of ERISA. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries, except that provision may be made for the payments of necessary expense resulting from termination of the Plan. In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Whether or not a particular participant will receive full benefits should the Plan terminate at some future time will depend on the sufficiency of the Plan's net assets at that time and the priority of those benefits. If the Plan were terminated, the participants would remain 100% vested in their benefits.

Note 4. Tax Status

In a letter dated June 1, 2015, the Internal Revenue Service has advised that the Plan qualifies under Section 401(a) of the Internal Revenue Code and is, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Fair Value Measurements

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy.

Note 5. Fair Value Measurements (continued)

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the following tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Investments measured at net asset value:				
Common collective trusts	<u>159,772,626</u>			
Total	<u>\$ 743,274,695</u>			

Note 5. Fair Value Measurements (continued)

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

Measurements Using Net Asset Value as a Practical Expedient

Certain investments are valued at the net asset value per share, used as a practical expedient to estimate fair value. The net asset value is based on the fair values of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

The common collective trusts are direct filing entities (DFEs) and file a Form 5500 annual report with the U.S. Department of Labor. The Plan is not required to disclose the significant investment strategies of DFE investments. There are no significant liquidity or withdrawal restrictions.

Note 6. Related Organizations

The Plan is related to several organizations including two health and welfare plans, a training fund and a local union, all of which are tax-exempt.

Note 7. Funding Policy

Participating employers contribute amounts as determined by the collective bargaining agreements. The contribution rate in effect was 11% of gross wages from January 1, 2024 through September 1, 2025 and 12% of gross wages thereafter.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Party-in-Interest Transactions

The Plan incurs expenses and receives reimbursements under several arrangements with service providers and receives contributions from employers under the terms of collective bargaining agreements. In addition, the Plan is maintained under an agreement with Vanguard Fiduciary Trust Company, who has custody of the majority of the assets of the Plan. The Plan also invests in shares of mutual funds and common collective trusts managed by an affiliate of the custodian. These transactions are considered exempt party-in-interest transactions under ERISA.

Note 10. Department of Labor Investigation

In September 2025, the Department of Labor (DOL) concluded its investigation of the Plan for the general purpose of determining compliance with the provisions of Title I of ERISA. Because the Plan has taken corrective action regarding the Plan's missing beneficiaries, the DOL has closed its investigation. There was no financial impact to the Plan as a result of the investigation.

Report of Independent Auditors on Supplemental Schedules

To the Participants and Trustees of
IBEW Local 613 Defined Contribution
Pension Plan

We have audited the financial statements of IBEW Local 613 Defined Contribution Pension Plan (the Plan) as of December 31, 2025 and 2024 and our report thereon dated April 29, 2026, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audit was conducted for the purpose of forming an opinion on the financial statement as a whole. Supplemental Schedule 1 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
