INDEPENDENT AUDITOR'S REPORT

To the Procter & Gamble U.S. Business Services Company:

Opinion

We have audited the financial statements of The Procter & Gamble Commercial Company Employees' Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher

than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 and schedule of reportable transactions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

THE PROCTER & GAMBLE COMMERCIAL COMPANY EMPLOYEES' SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024

1. DESCRIPTION OF THE PLAN

The following description of The Procter & Gamble Commercial Company Employees' Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General — The Plan is a defined contribution plan covering all eligible employees of The Procter & Gamble Commercial, LLC (the "Plan Sponsor"), a subsidiary of The Procter & Gamble Company (P&G). In order to be eligible to participate in the Plan, employees must be residents of Puerto Rico and have completed one year of service. The Procter & Gamble U.S. Business Services Company controls and manages the operation and administration of the Plan. Alight Solutions LLC serves as the recordkeeper of the Plan. The Northern Trust Company serves as the custodian of the Plan. Banco Popular de Puerto Rico serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions — Each year, participants may contribute up to 10% of their pretax annual compensation, as defined in the Plan, not exceeding the maximum deferral amount specified by Puerto Rico law. Participants may also contribute amounts representing distributions from other Puerto Rico qualified defined benefit or defined contribution plans. The Plan Sponsor contributes 40% of the first 5% of eligible compensation that a participant contributes to the Plan. Contributions are subject to certain PR Code limitations. Participant and Plan Sponsor contributions are recorded when withheld.

Participant Accounts — Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, Plan Sponsor contributions, and allocations of Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments — Participants direct the investment of their contributions and account balances into various investment options offered by the Plan. The Plan Sponsor contributions are automatically invested in The Procter & Gamble Company common stock ("P&G common stock"). The Plan currently offers seven mutual funds (including a money market mutual fund) as investment options for participants.

Vesting — Participants are vested immediately in their contributions, plus actual earnings thereon. The Plan Sponsor contributions plus actual earnings thereon are 100% vested upon the occurrence of any of the following events: completion of three years of credited service; attaining age 65; total disability or death while employed by the Plan Sponsor.

Payment of Benefits — On termination of service, death, or disability, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or as P&G common stock, with any fractional share of stock paid in cash. Participants are also eligible to make hardship withdrawals in the event of certain financial hardships.

Notes Receivable from Participants — Loans to participants are not permitted under the Plan.

Forfeited Accounts — At December 31, 2025 and 2024, forfeited non-vested accounts totaled \$2,665 and \$791, respectively. These accounts can be used to reduce future Plan Sponsor contributions. During the year ended December 31, 2025 and 2024, no forfeited non-vested account monies were used.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties — The Plan provides for various investment options in common stocks, a money market fund, and in registered investment companies which invest in combinations of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Concentrations of Investments - Included in investments at December 31, 2025 and 2024, are shares of P&G common stock of \$16,550,299 and \$20,893,884, respectively. This investment represents 30.8% percent and 38.6% percent of total investments at December 31, 2025 and 2024, respectively.

Investment Valuation and Income Recognition — The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held throughout the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned daily and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Excess Contributions Payable — The Plan is required to return contributions received during the Plan year in excess of the Puerto Rican Internal Revenue Code (the "PRIRC") limits. There were no excess contributions payable at December 31, 2025 and 2024.

Payment of Benefits — Benefit payments to participants are recorded upon distribution. There are no amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid at December 31, 2025 or 2024.

Administrative Expenses — Investment management expenses are paid by the Plan and are netted against investment income. Recordkeeping fees of the Plan are paid by participants through a reduction in their investment balances.

3. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. There are no Level 2 or Level 3 investments in this plan. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Methodologies — Valuation methodologies maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Cash — Held primarily in short-duration, highly liquid securities, which are valued at cost plus accrued interest.

Common Stocks — Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual Funds — Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are actively traded.

Transfers between Levels — The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. The Plan's policy is to recognize transfers between levels at the actual date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2025 and 2024, there were no transfers between levels.

We evaluate the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to the total net assets available for benefits.

Common Collective Trust Fund - As permitted by accounting principles generally accepted in the United States of America, the Plan uses NAV as a practical expedient to determine the fair value of the common collective trust fund. NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. Redemption for the common collective trust is permitted daily with no other restrictions or notice periods and there are no unfunded commitments. In accordance with GAAP, the common collective trust fund measured at NAV has not been classified in the fair value hierarchy. The fair value amounts presented in the table below are intended to permit reconciliation to the amounts presented in the Statements of Net Assets Available for Benefits.

The following tables set forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2025 and 2024:

	Fair Value Measurements	
	2025	2024

5. RELATED PARTY TRANSACTIONS AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are funds managed by Banco Popular de Puerto Rico and The Northern Trust Company, including an interest-bearing deposit account. Transactions with the recordkeeper, trustee, and custodian qualify as party-in-interest transactions. Fees paid for the investment management services were included as a reduction of the return earned on each fund.

The Plan held shares of the P&G common stock and recorded dividend income on the shares for the years ended December 31, 2025 and 2024, as follows:

	2025	2024
Common stock:		
Shares	115,486	124,628
Cost	\$ 8,948,880	\$ 9,294,026
Dividend income	\$ 503,238	\$ 515,430

During the years ended December 31, 2025 and 2024, the Plan's investment in P&G common stock, including gains and losses on investments bought and sold as well as held during the year, depreciated in value by \$2,886,516 and appreciated by \$2,819,639, respectively.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan is terminated participants would become 100% vested in their accounts.

7. TAX STATUS

The Plan is exempt from Puerto Rico income taxes under the provisions of the Puerto Rico (“PR”) Internal Revenue Code of 2011, as amended Section 1081.01 (“PR Code”), enacted on January 31, 2011. The 2011 PR Code replaced the 1994 PR Code, as amended. The 2011 PR Code modified rules concerning contribution limits, coverage requirements, non-discrimination testing, and other matters. The 2011 PR Code also provided for certain changes applicable to plans sponsored by entities under common control. These changes were effective for periods commencing after December 31, 2010, with certain additional requirements beginning on January 1, 2012. The Plan is not qualified under Section 401(a) of the U.S. Internal Revenue Code, but it is exempt from U.S. taxation under Section 1022 of the Employee Retirement Income Security Act of 1974. The Plan is subject to routine audits by taxing jurisdictions at any time. The Plan Sponsor and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the 2011 PR Code and the Plan and the related trust continue to be tax-exempt. Therefore, no provision for income taxes has been reflected in the Plan’s financial statements.
