Board of Trustees of
The International Brotherhood of Electrical Workers Local 1377 Eligible Retirees VEBA Benefit Plan
Brunswick, Ohio

***Opinion***

We have audited the financial statements of The International Brotherhood of Electrical Workers Local 1377 Eligible Retirees VEBA Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of The International Brotherhood of Electrical Workers Local 1377 Eligible Retirees VEBA Benefit Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits and plan benefit obligations for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The International Brotherhood of Electrical Workers Local 1377 Eligible Retirees VEBA Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The International Brotherhood of Electrical Workers Local 1377 Eligible Retirees VEBA Benefit Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The International Brotherhood of Electrical Workers Local 1377 Eligible Retirees VEBA Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate that raise substantial doubt about The International Brotherhood of Electrical Workers Local 1377 Eligible Retirees VEBA Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedule Required by ERISA***

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule H, line 4i - schedule of assets held at end of year as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Note 1 - Description of Plan

The following description of The International Brotherhood of Electrical Workers (IBEW) Local 1377 Eligible Retirees VEBA Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a complete description of the Plan's provisions.

### General

The Plan provides health benefits to all eligible and retired IBEW Local 1377 members as compiled on January 1, 2010, or as defined below, and their eligible spouses and dependents. The Plan was established on January 1, 2010. The related trust was established on November 30, 2008 and funded in December 2009. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

### Benefits

The Plan provides health benefits (medical, prescription drug, vision, and dental) to retirees who are retired as of January 1, 2010, the Collective Bargaining Agreement effective date, and upon retirement, to all eligible active members. Eligible active members are current employees as of January 1, 2010 who have met the eligibility requirements of the Ford Retiree Health Plan. The Plan also covers eligible spouses, surviving spouses, and dependents of the employees and retirees if they were recognized as such under the Ford Retiree Health Plan as of January 1, 2010. Retirees under 65 years of age have coverage under a self-insured plan with a reinsurance contract. Retirees over 65 years of age have coverage under a fully insured plan.

### Insured Benefits

The Plan fully insures health benefits for post-65 retirees. Additionally, the Plan fully insures dental and vision benefits. Premiums for all insured benefits are paid from the assets of the VEBA trust.

### Self-Insured Benefits

Health benefits for pre-65 retirees are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of the participants and are then reimbursed by the Plan's VEBA trust. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

### Stop Loss Coverage

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

**Contributions**

In addition to deductibles, copayments and coinsurance, participants are required to contribute to premium costs for health care (medical, dental and vision). Contributions are withheld by Ford from the participants' pension checks or remitted directly by the participants. For each of the years ended December 31, 2025 and 2024, the required pre-Medicare monthly contribution for single and family coverage was $133 and $266, respectively, and the required post-Medicare monthly contribution for single and family coverage was $50 and $100, respectively. The amount of premium required from each participant is determined annually by the Board of Trustees.

**Plan Termination**

Although it has not expressed any intention to do so, the Governing Body of the Plan (Board of Trustees and Committee members) has the right under the Plan to amend or terminate the Plan at any time. An amendment to the Plan may be made effective retroactively as long as it does not adversely affect the rights of the covered persons to benefits, under this Plan, for covered health care "expenses incurred" that occur after the effective date of the amendment but before the amendment is adopted. Upon termination, the Plan shall remain liable to pay benefits for "expenses incurred" and for any total disability that occurs prior to the effective date of Plan termination, but only to the extent of the assets set aside for that purpose.

## Note 2 - Summary of Significant Accounting Policies

**Basis of Accounting**

The accompanying financial statements have been prepared using the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Cash and Cash Equivalents**

The Plan considers all highly liquid instruments with maturities of three months or less to be cash equivalents.

**Payment of Benefits**

Premiums paid by the VEBA trust are recorded as insurance premiums paid in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claim processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits. These payments are recorded as benefits paid in the accompanying statement of changes in net assets available for benefits.

**Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on the Form 5500 due to different reporting requirements on the Form 5500.

**Stop Loss**

Premiums for stop loss insurance are included in insurance premiums paid in the accompanying statement of changes in net assets available for benefits.

Stop loss credits of approximately $655,000 for the year ended December 31, 2025, are netted against claims paid in the accompanying statement of changes in net assets available for benefits.

**Expenses**

Administrative expenses incurred in the administration of the Plan that are paid by the Plan include bank charges, accounting and legal fees, preferred provider organization and review fees, and other administration fees. These expenses are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

**Claims Incurred but not Reported**

Plan obligations at December 31 for claims incurred but not reported are estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.

**Patient-Center Outcomes Research Trust Fund Fees**

In accordance with Section 1341 of the Affordable Care Act, the Plan is required to pay the Patient-Center Outcomes Research Trust Fund (PCORI) fee. The fee per each non-Medicare member covered under the self-insured portion of the Plan in both 2025 and 2024 was approximately $3. For the years ended December 31, 2025 and 2024, the Plan paid total fees of $38 and $48, respectively.

## Note 3 - Postretirement Benefit Obligations

A postretirement benefit obligation has been recognized for retiree medical, dental and vision benefits for eligible participants and their dependents upon retirement. This benefit obligation represents the actuarial present value of the cost of those estimated future benefits that are attributed to participant eligibility rendered to December 31. Postretirement benefits include future benefits expected to be paid to or for (1) currently retired employees and their beneficiaries and dependents and (2) active employees and their beneficiaries and dependents after retirement from service. Prior to an active employee's full eligibility date, the postretirement benefit obligation is the portion of the expected postretirement benefit obligation that is attributed to the employee's service rendered to the valuation date.

The actuarial present value of the expected postretirement benefit obligation is determined by an actuary and is the amount that results from applying actuarial assumptions to historical claims-cost data to estimate future annual incurred claims costs per participant and to adjust such estimates for the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as those for death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment. For measurement purposes, a 6.0% annual rate of increase in the per capita cost of covered health care benefits was assumed for 2025; the rate was assumed to decrease in ½% decrements to 5% in 2027. A 5% annual rate of increase in the dental and vision benefits was assumed for 2025.

The following represent other significant assumptions used in the valuations as of December 31, 2025 and 2024:

| | 2025 | 2024 |
|---|---|---|
| Weighted-average discount rate | 5.50% | 5.75% |
| Average retirement age | 65 | 65 |
| Mortality | Pri-2012 Blue Collar Dataset Headcount-Weighted Mortality projected with Scale MP-2021 | Pri-2012 Blue Collar Dataset Headcount-Weighted Mortality projected with Scale MP-2021 |

The foregoing assumptions are based on the presumption that the Plan will continue indefinitely. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the postretirement benefit obligation.

Health costs incurred by post-65 retiree participants, their beneficiaries and dependents are covered by insurance contracts maintained by the Plan. It is the present intention of the Plan to continue obtaining insurance coverage for benefits. Insurance premiums for future years in respect of the Plan's postretirement benefit obligation will be funded by participant contributions to the Plan in those later years.

The health care cost-trend rate assumption has a significant effect on the amounts reported in the accompanying financial statements. If the assumed rate increased by one percentage point in each year, it would increase the obligation as of December 31, 2025 and 2024 by approximately $1,409,000 and $1,144,000, respectively. If the assumed rate decreased by one percentage point in each year, it would decrease the obligation as of December 31, 2025 and 2024 by approximately $1,216,000 and $1,046,000, respectively.

## Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritized the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board (FASB) ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024:

Common and Preferred Stocks: Valued at the closing price reported in the active market in which the individual security is traded.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

| | 2025 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Common stocks | $ 20,611,899 | $ - | $ - | $ 20,611,899 |
| Preferred stocks | 546,998 | - | - | 546,998 |
| Mutual funds | 16,732,048 | - | - | 16,732,048 |
| Investments at fair value | $ 37,890,945 | $ - | $ - | $ 37,890,945 |

| | 2024 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Common stocks | $ 19,145,131 | $ - | $ - | $ 19,145,131 |
| Preferred stocks | 360,416 | - | - | 360,416 |
| Mutual funds | 16,905,647 | - | - | 16,905,647 |
| Investments at fair value | $ 36,411,194 | $ - | $ - | $ 36,411,194 |

## Note 5 - Tax Status

The trust established under the Plan to hold the Plan's assets is qualified pursuant to §501(c)(9) of the Internal Revenue Code (IRC), and accordingly, the Trust's net investment income is exempt from income taxes. The Trust obtained a favorable tax determination letter from the Internal Revenue Service (IRS) on May 27, 2009, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter.

The Plan Administrator believes that the Plan is currently designed and being operated with the applicable requirements of the IRC, has no income subject to unrelated business income tax, and therefore, believes that the related trust is tax-exempt. In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## Note 6 - Stop Loss Insurance

During 2025 and 2024, the Plan carried specific stop loss insurance that provided coverage for claims in excess of $60,000 per participant for an unlimited lifetime maximum. In addition, upon reaching a minimum annual threshold of aggregate medical claims, as defined by the insurance provider, the Plan will be covered, through its aggregate stop loss insurance contract, up to $1,000,000 per contract year.

## Note 7 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

The actuarial present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and participant demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

## Note 8 - Concentrations of Credit Risk

The Plan holds assets in various certificates of deposit and money market deposit accounts, the balances of which are periodically in excess of federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 per depositor, per insured bank, for each account ownership category. At December 31, 2025 and 2024, the Plan had no balances in excess of FDIC-insured limits.

## Note 9 - Related Parties and Party in Interest Transactions

The Plan has an administrative services agreement for directorial services in place with an entity operated by a trustee. The agreement is effective through June 2026 and renews automatically for successive one-year terms. The agreement requires a monthly administrative fee. The monthly administrative fee was $4,815 through July 2025. The monthly administrative fee was increased to $5,055 beginning August 2025. For the years ended December 31, 2025 and 2024, the Plan paid approximately $59,000 and $56,000, respectively, under this agreement.

## Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements at December 31, 2025 and 2024 to the Form 5500:

| | 2025 | 2024 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 38,417,228 | $ 36,929,555 |
| Benefit obligations currently payable | (276,000) | (559,000) |
| Net assets available for benefits per the Form 5500 | $ 38,141,228 | $ 36,370,555 |

The following is a reconciliation of claims paid per the financial statements to the Form 5500 for the year ended December 31, 2025:

| | |
|---|---|
| Claims paid per the financial statements | $ 522,412 |
| Add: Amounts currently payable as of December 31, 2025 | 276,000 |
| Less: Amounts currently payable as of December 31, 2024 | (559,000) |
| Claims paid per the Form 5500 | $ 239,412 |

Claims incurred but not reported are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.

## Note 11 - Subsequent Events

Plan management has evaluated subsequent events through June 18, 2026, the date which the financial statements were available to be issued.

Effective January 1, 2026, the Plan entered into a consulting agreement with the Samaritan Fund Program (SFP). Under the terms of the agreement, SFP will coordinate medical coverage for participants who voluntarily elect to participate in the program. The Plan paid an annual service fee in the amount of $55,000, which is included in prepaid premiums and expenses as of December 31, 2025 on the accompanying statements of net assets available for benefits.
