To the Trustees of
A.J. Johns, Inc.
401(k) Profit Sharing Plan and Trust

Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of A.J. Johns, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Independent Auditor's Report **(Continued)**

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditor's Report
(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Independent Auditor's Report
(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the A.J. Johns, Inc. 401(k) Profit Sharing Plan and Trust ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan was established on November 1, 1979 as a defined contribution and profit sharing plan covering all employees of A.J. Johns, Inc, and Concrete Profiles, Inc. (the "Employers"), provided they are not an excluded employee, who have six months of service and are age eighteen or older. The Plan is subject to the provisions of the Employer Retirement Income Security Act of 1974 (ERISA).

Plan Administration:

Effective December 30, 2024, Empower Trust Company (the "Custodian") serves as custodian of the Plan's assets and JPMorgan Investment Holdings performs certain recordkeeping functions of the Plan. Previously, John Hancock Life Insurance Company performed these responsibilities. The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions:

Participants may elect to make salary deferral contributions to the Plan in an amount up to 100% of their annual pay with a total amount not to exceed \$23,500 and \$23,000 for the years ended December 31, 2025 and 2024, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Employers may make a discretionary matching contribution to be determined for each Participant in a discretionary amount that will not exceed 6% of total compensation. Additionally, the Employers may make a discretionary profit sharing contribution to the Plan, which is allocated among participants who are eligible to share for the plan year. During the year ended December 31, 2025 the Employers made no profit-sharing contribution to the Plan.

Participant Accounts:

Each participant's account is credited with the participant's contributions and Employers matching contributions, as well as allocations of the Employer's profit-sharing contribution and Plan earnings. Participants' accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (Continued)

Vesting:

Participants are immediately vested in their employee contributions plus actual earnings thereon. Vesting in the employer's matching and discretionary contribution portion of the participants' accounts plus actual earnings thereon is based on years of continuous service. A participant is fully vested after six years of credited service. The vesting percentages are as follows:

Years of Service	Non- forfeitable Percentage
Less than 2	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Payment of Benefits:

Upon termination of service for any other reason, a participant (or beneficiary) may receive a lump sum distribution if their vested account balance does not exceed \$5,000. For vested account balances in excess of \$5,000, participants may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or payments of cash installments over a period not to exceed the participant's assumed life expectancy (or the assumed life expectancies of the participant and their beneficiary).

The plan also permits participants to take distributions prior to termination of employment upon attaining age 59½ or normal retirement age. These in-service distributions may only be drawn from accounts in which the participants are 100% vested.

Additionally, participants who have incurred a "hardship", as defined in the Plan, may take hardship withdrawals, which will be sourced only from their elective deferrals.

Forfeited Accounts:

Forfeitures may first be used to pay administrative expenses of the Plan. Thereafter, any remaining forfeitures attributable to amounts other than employer matching contributions shall be allocated to participants based on their relative compensation. Remaining forfeitures shall be used to reduce employer matching contributions. As of December 31, 2025 and 2024, the forfeited, non-vested accounts totaled \$20,090 and \$2,133, respectively.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principals generally accepted in the United States of America.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year, net of investment management fees.

Subsequent Events:

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through June 17, 2026, the date the financial statements were available to be issued.

Payment of Benefits:

Benefits are recorded when paid.

Note 3. Fair Value Measurements

The Plan applies generally accepted accounting principles for fair value measurements of financial assets and liabilities. These accounting principles define fair value and establish a hierarchy that prioritizes fair value measurements based on the types of inputs used for the various valuation techniques. The three levels of inputs used to measure fair value are as follows:

Level 1 - Values measured using quoted prices in active markets for identical investments.

Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (Continued)

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities & Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Exchange-traded funds: Valued based on the closing price reported by the fund. ETFs held by the Plan are closed-end funds registered with the Securities & Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The ETFs held by the Plan are deemed to be actively traded.

Collective investment trusts (CITs): valued, as a practical expedient, at the net asset value (NAV) of units held by the Plan at year end. The net asset value of these accounts is based on the market value of the underlying investments. The net asset value is not a publicly quoted price in an active market.

The following is a summary of the levels within the fair value hierarchy for the Plans assets measured at fair value on a recurring basis as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Assets:				
Investments:				
Mutual funds	\$ 4,851,546	\$ -	\$ -	\$ 4,851,546

Total investments, at fair value	<u>\$ 4,851,546</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,851,546</u>

Total investments, at fair value	<u>\$ 3,722,344</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,123,295</u>

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) and contract value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fully Benefit-Responsive Investment Contracts

During 2024, the Plan had assets invested in a fully benefit-responsive separate account guaranteed interest contract with John Hancock Life Insurance Company. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. As of December 31, 2025, the Plan did not have any assets invested in a fully-benefit-responsive separate account guaranteed interest contract.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2025 and 2024 was \$0 and \$16,209 respectively. The crediting interest rate is based on a formula agreed upon with the Company.

Certain events limit the Plan's ability to transact at contract value with John Hancock Life Insurance Company. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the sponsor to terminate the contract with the Plan and settle at an amount difference from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the sponsor's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the sponsor are probable of occurring.

NOTES TO FINANCIAL STATEMENTS

Note 6. Party-in-Interest Transactions

Plan investments are managed by Empower Trust Company. These investments and transactions in these investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA. Empower Trust Company was paid \$16,233 in service expenses for the Plan year ended December 31, 2025. Notes receivable from participants also qualify as party-in-interest transactions.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the sponsors have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and tax counsel believe that the Plan is designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.
