INDEPENDENT AUDITOR'S REPORT

To the Participants of
Crown Cork & Seal Company, Inc. Retirement Thrift Plan
and Members of the Audit Committee and Benefit Plans Committee:

Opinion

We have audited the financial statements of Crown Cork & Seal Company, Inc. Retirement Thrift Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Crown Cork & Seal Company, Inc. Retirement Thrift Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Crown Cork & Seal Company, Inc. Retirement Thrift Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Crown Cork & Seal Company, Inc. Retirement Thrift Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Crown Cork & Seal Company, Inc. Retirement Thrift Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Crown Cork & Seal Company, Inc. Retirement Thrift Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RETIREMENT THRIFT PLAN

Notes to Financial Statements

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Crown Cork & Seal Company, Inc. Retirement Thrift Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a voluntary defined contribution plan. The purpose of the Plan is to provide a convenient method by which eligible employees may save regularly through salary deferrals. Participation in the Plan is determined by an agreement among recognized collective bargaining units and Crown Holdings, Inc. and subsidiaries (the "Company") or as otherwise agreed upon between the Company and non-organized hourly employees. Generally, employees are eligible to participate in the Plan upon date of hire. Employees are automatically enrolled on the first of the month following 30 days of service with a before-tax contribution rate of 6% unless they affirmatively elect not to participate in the Plan or elect to contribute at a different rate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is administered by the Crown Cork & Seal Company, Inc. Benefit Plans Committee (the "Committee"). The Committee has appointed Vanguard Fiduciary Trust Company ("VFTC") as the trustee and recordkeeper of the Plan.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. This legislation includes a vast array of provisional changes to retirement plans. Plan management is adopting any mandatory provisions as they become applicable and evaluating those provisions deemed discretionary. There were no plan changes adopted in 2025 as a result of this legislation. During 2024, the automatic cash out limit was increased to \$7,000 in accordance with SECURE 2.0.

The Plan evaluated subsequent events for recognition or disclosure through June 18, 2026, the date the financial statements were available to be issued.

Contributions

The Plan allows before-tax and Roth participant contributions of 2% to 75% of eligible compensation. The Plan also allows after-tax participant contributions of 1% to 10% of eligible compensation. Catch-up contributions are permitted by the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. Company contributions, where applicable, are invested in accordance with participant investment directions. Before-tax and Roth contributions may be matched by the Company at various rates as determined by the employer company, as defined in the Plan document. In addition, certain participants receive profit sharing contributions, some of which are discretionary, from the Company at varying rates as determined by the employer company, as defined in the Plan document. Discretionary contributions in 2025 and 2024 totaled \$703,784 and \$649,544, respectively. Contribution amounts are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts

Each participant's account is credited with (a) the participant's contributions, (b) the Company's contribution and (c) Plan earnings, and charged with administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and profit sharing contribution portions of their accounts plus earnings thereon is based on various rates established in the collective bargaining agreements or in the Plan document. The Plan uses graded vesting that

CROWN CORK & SEAL COMPANY, INC.

RETIREMENT THRIFT PLAN

Notes to Financial Statements

results in a participant becoming 100% vested in the matching contribution portion after completing 4 or 5 years of credited service depending on the employer company and as defined in the Plan document. If eligible, a participant becomes 100% vested in the profit sharing contribution portion either immediately or after completing 5 years of credited service on a graded scale, depending on the employer company and as defined in the Plan document.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Notes receivable terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at prevailing interest rates. Interest rates on notes receivable outstanding as of December 31, 2025 and 2024 range from 4.25% to 9.50%. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to retirement, attainment of age 65, permanent plant shutdown, permanent disability, or death, the participant, or his or her beneficiary, automatically becomes fully vested in the Company contributions. For termination of service due to these or any other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the vested interest is \$7,000 or less at the time of termination, a participant will be cashed out. An active employee may take an in-service withdrawal if he or she has attained age 59.5 or if other criteria are met as defined in the Plan document. All distributions are paid in either cash or Company stock at the participant's election.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined, represents a forfeiture. The balance of unallocated forfeitures, which will be used to reduce future Company contributions, were \$628 and \$12 at December 31, 2025 and 2024, respectively. Forfeitures used to offset Company contributions in 2025 and 2024 totaled \$121,850 and \$163,606, respectively.

Plan Transfers

A participant's balance may be transferred to or from the Crown Cork & Seal Company, Inc. 401(k) Retirement Savings Plan due to an employee's eligibility changing as a result of a promotion or relocation.

Plan Termination

The Company reserves the right to retroactively amend or modify any of the provisions of the Plan in any respect in order to qualify or maintain the Plan as a plan meeting the requirements of ERISA or any other applicable legislation. Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions.

Delinquent Participant Contributions

The Company did not remit certain participant contributions in 2025 to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Untimely remittances identified on the Schedule of Delinquent Participant Contributions, which totaled \$35,004, were corrected in 2025. Additionally, the Company compensated participants for lost earnings resulting from the delay in contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following significant accounting policies, which conform with accounting principles generally accepted in the United States of America, have been used consistently in the preparation of the Plan's financial statements.

CROWN CORK & SEAL COMPANY, INC.

RETIREMENT THRIFT PLAN

Notes to Financial Statements

Basis of Accounting

The accompanying financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income is recorded on the accrual basis.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Recordkeeping expenses, investment advisory fees, and miscellaneous administrative fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. Expenses paid by the Company are excluded from these financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under authoritative guidance are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;

CROWN CORK & SEAL COMPANY, INC.
RETIREMENT THRIFT PLAN
Notes to Financial Statements

- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following tables summarize instruments measured at fair value on a recurring basis for the Plan:

Assets at Fair Value as of December 31, 2025

The amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

CROWN CORK & SEAL COMPANY, INC.

RETIREMENT THRIFT PLAN

Notes to Financial Statements

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no transfers between levels and no changes in the methodologies used at December 31, 2025 and 2024.

Registered investment companies are valued at the daily closing price as reported by the fund, which represents the NAV of shares held by the Plan at year end. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The collective investment trusts are Vanguard Target Retirement Trusts that are valued daily. The unit values are based upon significant observable inputs, although they are not based upon quoted market prices in an active market. The trusts invest in Vanguard mutual funds using a balanced asset allocation strategy designed for investors planning to retire and leave the workforce in or within a few years of the target year. The trusts' asset allocation will become more conservative over time. The trusts hold a diversified mix of indirect bond and indirect stock holdings.

The underlying investments of the collective investment trusts consist primarily of Level 2 inputs, consisting of inputs either directly or indirectly observable for substantially the full term of the asset through corroboration with observable market data. The collective investment trusts are not subject to any withdrawal or redemption restrictions, and there are no unfunded commitments.

The Vanguard Retirement Savings Trust III is a collective investment trust that is valued at the NAV of the units of the collective investment trust held by the Plan at year end multiplied by the respective unit value. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV of the collective investment trust is based upon significant observable inputs, although it is not based upon quoted market prices in an active market. The collective investment trust's investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital. To achieve its investment objective, the collective investment trust invests in assets (typically contracts issued by insurance companies and banks, synthetic investment contracts, and short term investments) and enters into "wrapper" contracts issued by third parties and invests in cash equivalents represented by shares in a money market fund. The collective investment trust invests solely in the Vanguard Retirement Savings Master Trust (the "VRST Master Trust") and is allocated net investment income based on its ownership percentage in the master trust. The underlying investments of the VRST Master Trust are primarily in a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by bond funds.

The fair value of the Company's common stock fund is measured at the closing price reported on the active market on which the security held by the fund is traded.

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 4 - RELATED PARTY TRANSACTIONS

The Plan participants invest in shares of registered investment companies and collective investment trusts managed by affiliates of VFTC. VFTC acts as trustee for investments of the Plan. Plan assets managed by affiliates of VFTC were \$172,788,411 and \$153,755,573 as of December 31, 2025 and 2024, respectively. Transactions in these investments qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

The Plan participants also invest in shares of the Company's common stock through the Crown Holdings, Inc. Stock Fund. The Company's common stock fund held 49,187 and 50,238 shares of Crown Holdings, Inc. common stock representing 2.5% and 2.3% of Plan assets as of December 31, 2025 and 2024, respectively. For the years ended December 31, 2025 and 2024, the Company common stock fund had purchases of \$222,230 and \$263,911, respectively, and sales of \$323,747 and \$1,017,624, respectively. Dividend income from the Company's common stock fund totaled \$51,468 and \$54,351 for the years ended December 31, 2025 and 2024, respectively. The Plan also issues loans to participants, which are secured by the balances in the respective participant accounts. Transactions in such investments and notes receivable from participants qualify as party-in-interest transactions and are exempt from the prohibited transaction rules.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 5 – TAX STATUS

The IRS determined and informed the Company by letter dated October 13, 2015 that the Plan was qualified under Internal Revenue Code ("IRC") Section 401(k). The Company believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RISKS AND UNCERTAINTIES

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

The Plan had investments of \$61,299,801 concentrated in one fund as of December 31, 2025 and \$75,050,823 concentrated in two funds as of December 31, 2024.
