TO THE PARTICIPANTS AND ADMINISTRATOR OF MONROE PLAN FOR MEDICAL CARE, INC. 401(K) RETIREMENT PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of **Monroe Plan for Medical Care, Inc. 401(K) Retirement Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Monroe Plan for Medical Care, Inc. 401(K) Retirement Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Monroe Plan for Medical Care, Inc. 401(K) Retirement Plan's** ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **Monroe Plan for Medical Care, Inc. 401(K) Retirement Plan**'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Monroe Plan for Medical Care, Inc. 401(K) Retirement Plan**'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of assets (held at end of year) and delinquent participant contributions as of the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, ARE presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MONROE PLAN FOR MEDICAL CARE, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN

The following brief description of the Monroe Plan for Medical Care, Inc. 401(K) Retirement Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution profit-sharing plan covering all full-time employees of the Monroe Plan for Medical Care, Inc. Employees aged 18 or older are automatically enrolled to participate in the Plan on the first day of the month coinciding with or next following the date of employment. Employees aged 18 or older must have completed one year of service in which they are credited 1 hour of service to be eligible for the employer matching contributions. Employees must have completed one year of service in which they are credited 1,000 hours of service and are employed by the Plan Sponsor at the end of the Plan year to be eligible for the employer discretionary contribution. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are automatically enrolled to contribute 3% of Plan compensation but may elect to contribute up to 100% of their pre-tax annual compensation, subject to Internal Revenue Service (“IRS”) limitations. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct their investment of their contributions into various investment options offered by the Plan. The Company may contribute a discretionary matching contribution and a discretionary profit-sharing contribution. For both the Plan years ended December 31, 2025 and 2024, the Company matched 100% of contributions up to 8%. No profit-sharing contributions were made for the Plan years ended December 31, 2025 and 2024.

Participant Accounts

Separate accounts are maintained for each participant. The trustee invests the contribution amounts, as instructed by the participants, in one or more of the separate investment funds offered under the Plan. Each participant’s account is credited with (a) the amount of the participant’s elected contributions; (b) the amount of the participant’s Company matching and discretionary contributions, if any; (c) the amount of any attributable investment earnings and market appreciation or depreciation; and (d) charged with direct administrative expenses when applicable. The benefit to which a participant is entitled is the final market value of the participant’s account.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN – Continued

Vesting

Participants are immediately vested in their contributions plus earnings thereon. For the Company's matching or discretionary contribution plus earnings thereon, the employee's vested percentage is determined based on the participant's date of hire, as follows:

Participants hired on or before December 31, 2023:

Years of Service	Vesting Percentage
Less than Two	0%
2	30%
3	60%
4 or more	100%

Participants hired on or after January 1, 2024:

Years of Service	Vesting Percentage
1	0%
2	20%
3	50%
4	60%
5	80%
6	100%

Payment of Benefits

Upon retirement, disability or death, the participant is eligible to receive their vested benefits in accordance with the provisions of the Plan. The amount of the participant's retirement account may be distributed to the participant or the designated beneficiary in a lump sum distribution, installment payments or partial payments, as defined in the Plan. Upon separation from service before retirement, disability or death, the participant is eligible to request early payment of vested benefits or defer receipt of a distribution in accordance with plan provisions.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN – Continued

Forfeited Accounts

At December 31, 2025 and 2024, forfeited non-vested accounts totaled approximately \$10,000 and \$20,000, respectively. Forfeitures arising under the Plan can be used to pay plan expenses or employer matching contributions. During the years ended December 31, 2025 and 2024, forfeitures of approximately \$22,000 and \$67,000 were used to reduce the employer matching contributions, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at 4.25% - 9.50%, which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal plus interest is paid ratably through payroll deductions.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

The accounting principles and practices which affect the more significant elements of the financial statements are:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract with an insurance company, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of investments are recorded on trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment gain (loss) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

MONROE PLAN FOR MEDICAL CARE, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – Continued

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of investments.

Risks and Uncertainties

The Plan provides for various investment options in any combination of a variety of mutual funds and investment contracts. Investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure on contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

MONROE PLAN FOR MEDICAL CARE, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – Continued

Transfer of Plan Assets

On December 11, 2025, the Plan transferred all investments and other plan assets from Empower Annuity and Insurance Company of America (“Empower”) to Principal Trust Company (“Principal”) in connection with a change in the Plan’s trustee, custodian, and recordkeeper. The net assets transferred were recorded by the Plan at the amounts previously reported by Empower. Subsequent to the transfer date, all contributions, benefit payments, and investment activity have been processed by Principal.

In connection with the conversion, participant investment direction, loan activity, and benefit distributions were temporarily suspended for a short-blackout period while participant accounts were reconciled and transferred to Principal.

Subsequent Events

The Plan has evaluated subsequent events from December 31, 2025 through June 30, 2026, which is the date the financial statements were available to be issued. Management has determined no such events have occurred.

NOTE 3 – FAIR VALUE

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification (“FASB ASC”) No. 820 are described as follows:

MONROE PLAN FOR MEDICAL CARE, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 3 – FAIR VALUE – Continued

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the net asset value ("NAV") of shares held by the plan at year end. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds: Valued at the NAV of units held by the Plan at year end, as determined by the trustee or custodian of the trust. The NAV is based on the fair value of the underlying investments held by the trust less its liabilities, and is used as a practical expedient to estimate fair value in accordance with ASC 820-10-35-59. Participant transactions (purchases and sales) are permitted on a daily basis at NAV. Under the terms of the trust, the investment manager or trustee may, in certain circumstances, restrict or temporarily delay withdrawals in order to permit the orderly liquidation of underlying securities.

MONROE PLAN FOR MEDICAL CARE, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 3 – FAIR VALUE – Continued

Pooled Separate Accounts: Valued at the per-unit NAV (participation-unit value) of units held by the Plan at year end, as determined by the issuing insurance company. Each pooled separate account's per-unit value is based on the fair value of the underlying investments held in the separate account less its liabilities and is used as a practical expedient to estimate fair value in accordance with ASC 820-10-35-59. Participant transactions (purchases and sales) are generally permitted on a daily basis at NAV. Under the terms of the separate account, the insurance company may, in certain circumstances, restrict or temporarily delay withdrawals in order to permit the orderly liquidation of underlying investments.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in a fully benefit-responsive guaranteed investment contract ("GIC") with Principal Life Insurance Company ("Principal"). Contributions to the GIC are maintained in Principal's general account. The issuer is contractually obligated to repay principal and a specified rate of interest guaranteed to the Plan. The GIC is included in the Statements of Net Assets Available for Benefits at contract value. Contract value, as reported to the Plan by the trustee, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value.

During 2025, the Plan's fully benefit-responsive GIC with Massachusetts Mutual Life Insurance Company was terminated, and the related assets were reallocated to other investment options within the Plan, which include the fully benefit-responsive GIC with Principal.

The total contract value of the GICs at December 31, 2025 and 2024 was approximately \$43,000 and \$944,000, respectively.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include, but are not limited to, termination of the Plan, a significant layoff, or a significant change in the Plan's investment structure. The plan administrator does not believe that the occurrence of any such event that would limit the Plan's ability to transact at contract value with participants is probable.

NOTE 5 – INCOME TAX STATUS

The Plan previously adopted the EPIC Advisors, Inc. Non-Standardized Profit Sharing 401(k) Plan with CODA. Effective December 1, 2025, the Plan adopted the Principal Financial Group Pre-Approved Document for Savings Plans that has received an opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (“IRC”). Although the plan has been amended and restated since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As the Plan is tax-exempt, the Plan administrator has concluded that as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 6 – FINANCIAL INFORMATION CERTIFIED BY PLAN TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained a certification from Principal Trust Company and Empower Annuity Insurance Company of America, the trustees of the Plan, that all of the information provided by them is complete and accurate. Information included in the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2025 and 2024 pertaining to investments, notes receivable from participants, dividend and interest income, and net investment gain (loss) is presented in reliance solely upon those certifications.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 7 – RELATED-PARTY TRANSACTIONS AND PARTIES IN INTEREST TRANSACTIONS

Principal (current trustee, custodian, and recordkeeper) and Empower (former custodian and recordkeeper) are parties in interest to the Plan for the year ended December 31, 2025, and, therefore, recordkeeping, loan, and benefit payment processing transactions with these parties qualify as party-in-interest transactions. Fees charged to participant accounts for the year ended December 31, 2025 were approximately \$18,700.

Empower was the custodian and recordkeeper of participant directed plan assets of the Plan for the year ended December 31, 2024, as defined by the Plan and, therefore, recordkeeping, loan, and benefit payment processing transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the plan participants to Empower for the year ended December 31, 2024 were approximately \$6,700.

NOTE 8 – PLAN TERMINATION

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

NOTE 9 – DELINQUENT PARTICIPANT CONTRIBUTIONS

Defined contribution plans are required to remit employee contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. While the Company has remitted all employee contributions to the Plan, contributions totaling approximately \$59,400 were not remitted within the required time period for the year ended December 31, 2024. The Company remitted lost earnings related to these delinquent contributions by the Plan year ended December 31, 2025.

NOTES TO FINANCIAL STATEMENTS

December 31, 2025 and 2024

NOTE 10 – ADP/ACP EXCESS CONTRIBUTIONS

Defined contribution plans are subject to the IRS limitations regarding participant contributions to the Plan. When contributions are made in excess of the limitations, the Plan accounts for the excess amount as a liability with a corresponding reduction to contributions, recorded in the year the excess contribution occurred. During the year ended December 31, 2025, the Plan had ADP/ACP excess contributions of approximately \$8,700, recorded as both a liability and a reduction to Plan total contributions. The Plan distributed the 2025 excess contribution and related earnings prior to March 15, 2026.
