Investment Committee
Ditto Sales, Inc. 401(k) Plan

Jasper, Indiana 47546

SUBJECT: For the Year Ended September 30, 2025

This letter is to inform the Investment Committee of the Ditto Sales, Inc. 401(k) Plan (Plan) about significant matters related to the conduct of our audit as of and for the year ended September 30, 2025, so that it can appropriately discharge its oversight responsibility and we comply with our professional responsibilities.

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication with Those Charged with Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities with Regard to the Financial Statement Audit

Our responsibilities under GAAS have been described to you in our engagement letter dated January 14, 2026. Our audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in this letter.

As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication dated March 25, 2026 regarding the planned scope and timing of our audit.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.

Significant or Unusual Transactions

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Management's Judgments and Accounting Estimates

Management is responsible for estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Assets were measured at fair value in accordance with the Fair Value Measurements and Disclosures Topic of the Financial Accounting Standards Board Accounting Standards Codification. Valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

Basis of Accounting

The financial statements were prepared on assumption that the Plan will continue as a going concern.

Audit Adjustments

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

Uncorrected Misstatements

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Form 5500 Filing

GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditor's report or whether it contains a material misstatement of fact. We are not aware of documents containing the audited financial statements other than the Form 5500 noted above.

ERISA Required Supplemental Schedule

We subjected the information included in the ERISA required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA required supplemental schedule are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other matter paragraph in our auditor's report for the ERISA required supplemental schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Difficult or Contentious Matters That Required Consultation

We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.

Reportable Findings

In planning and performing the audit, we considered Plan provisions relevant to designing audit procedures for the purpose of expressing our opinion on the Plan's financial statements, but not for the purpose of expressing an opinion on the Plan's compliance with those provisions. Our audit was not designed to identify all instances that the Plan is not operating in accordance with the Plan's provisions or other specified criteria that might be considered reportable findings. A reportable finding is one or more of the following:

- A matter that is identified as an instance of noncompliance or suspected noncompliance with laws or regulations.
- A finding arising from the audit that is significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process.
- A deficiency in internal control identified during the audit that has not been communicated to management by other parties that is of sufficient importance to merit management's attention.

We are required to communicate reportable findings from the audit procedures performed relating to the Plan provisions to you, in writing. We have included reportable findings that resulted in internal control deficiencies in the letter referred to below reporting a deficiency in internal control.

Internal Control Matters

We have separately communicated a control deficiency that is a reportable finding in internal control over financial reporting identified during our audit of the financial statements, and this communication is attached in our letter to management.

Significant Written Communications Between Management and Our Firm

Copies of significant written communications between our Firm and the management of the Plan, including the representation letter provided to us by management, are attached to this letter.

This information is intended solely for the use of the Investment Committee and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Dear Laura:

SUBJECT: For the Year Ended September 30, 2025

In planning and performing our audit of the financial statements of the Ditto Sales, Inc. 401(k) Plan (Plan) as of and for the year ended September 30, 2025, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing auditing procedures, but not for the purpose of expressing our opinion on the financial statements, or for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and; therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented, or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Following is a description of an identified control deficiency that we determined did not constitute significant deficiency or material weakness:

FORFEITURES NOT FULLY UTILIZED

As of September 30, 2025, the Plan had a forfeiture balance of approximately \$7,334. In accordance with the Plan Document, forfeitures are to be used to pay administrative expenses or reduce future Company contributions.

We recommend that the Plan's management establish procedures for tracking forfeitures to ensure the Plan Sponsor is not paying administrative expense amounts needlessly, and that appropriate amounts are offset for the applicable year.

SUBJECT: For the Years Ended September 30, 2025 and 2024

This representation letter is provided in connection with your audits of the financial statements of the Ditto Sales, Inc. 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agree to, or are derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to misstatements that are material. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated January 14, 2026, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.

2. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA Plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. We are responsible for making the accounting estimates included in the financial statements. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take. In that regard, we are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Interest-bearing cash: Accounts primarily consist of money market accounts that are valued on the basis of readily determinable market prices.

Our valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

6. All significant estimates and material concentrations known to management that are required to be disclosed in accordance with the *Risks and Uncertainties* Topic of the Financial Accounting Standards Board Accounting Standards Codification have been properly recorded and/or disclosed in the financial statements. Significant estimates are estimates at the statement of net assets available for benefits dates that could change materially, within the next year. Concentrations refer to nature and type of investments held by the Plan, or markets in which events could occur that would significantly disrupt normal finances, within the next year.
7. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been properly accounted for and disclosed.
9. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.

10. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
11. We have no intention to terminate the Plan.
12. We have properly reported and disclosed amendments to the Plan instrument, if any.
13. As of September 30, 2025 and 2024 and for the year ended September 30, 2025, there were no uncorrected misstatements identified.

ERISA Required Supplemental Schedule

14. With respect to the supplemental schedule:
 - a. We acknowledge our responsibility for the presentation of such information.
 - b. We believe such information, including its form and content, is fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
 - c. The methods of measurement or presentation have not changed from those used in the prior period.
 - d. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.
 - e. We will only present the supplemental schedule together with the audited financial statements and auditor's report thereon and will not separate the supplementary information from the audited financial statements and auditor's report thereon in any document that contains such information.

Information Provided

15. We have provided you with:
 - a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
 - b. Additional information that you have requested from us for the purpose of the audits.
 - c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - d. The currently effective version of the Plan Document, the trust agreement, and all related amendments.
 - e. All correspondence, filings, reports, and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status.
 - f. All Plan financial records and related data. In that regard, the payroll information we provided you covered all employees that were eligible to participate in the Plan.
 - g. All minutes of the meetings of the Plan's Investment Committee, or summaries of actions of recent meetings for which minutes have not yet been prepared.
 - h. A draft of the Form 5500 that is substantially complete.

16. All transactions have been recorded in the accounting records and are reflected in the financial statements. In this regard, the Plan Sponsor's management provided sufficient oversight of the financial statement preparation process that was outsourced to you by performing a detailed review of the financial statements consisting of the following procedures:
 - a. Reconciliation of the trust activity and participant statements to the financial statements.
 - b. Review the adequacy of financial statement disclosures.
 - c. Review and approval of schedules and calculations supporting the amounts included in the notes to the financial statements.
 - d. Applying analytical procedures to financial statements.
17. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.
18. We have no knowledge of any fraud or suspected fraud affecting the Plan involving:
 - a. Management.
 - b. Employees who have significant roles in the internal control.
 - c. Others where the fraud could have a material effect on the financial statements.
19. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
20. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.
21. We have disclosed to you the identity of the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
22. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize, and report financial data.
23. We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
24. The Plan has satisfactory title to all owned assets which are recorded at fair value, and all liens, encumbrances, or security interests have been properly disclosed, if any.
25. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
26. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance or deficiencies in the operation of the Plan.
27. We have complied with (a) all aspects of contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA, and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.

28. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.
29. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations.
30. The Plan has adopted a nonstandardized pre-approved profit sharing plan with Cash or Deferred Arrangement sponsored by FMR, LLC. The plan provider has received an opinion letter from the IRS as to the prototype plan's qualified status. The plan opinion letter has been relied upon by the Plan. The Plan has been amended since the plan received the opinion letter. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.
31. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Fidelity Workplace Services, LLC dated December 8, 2025 for the period ended October 31, 2025, and we believe all applicable controls are properly designed and implemented and operating effectively.
32. We have reviewed the complementary user entity control considerations of the SOC 1 Report for Fidelity Technology Group dated December 9, 2024 for the period ended October 31, 2024, and we believe all applicable controls are properly designed and implemented and operating effectively.
33. We have reviewed the complementary user entity control considerations of the SOC 1 Report for ADP Workforce Now Services dated December 24, 2025 for the period ended September 30, 2025, and we believe all applicable controls are properly designed and implemented and operating effectively.
34. We have reviewed the complementary user entity control considerations of the SOC 1 Report for ADP Global Enterprise Technology & Solutions dated December 23, 2025 for the period ended September 30, 2025, and we believe all applicable controls are properly designed and implemented and operating effectively.
35. There are no:
- a. Nonexempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or the supplemental schedule.
 - b. Reportable transactions that were not disclosed in the supplemental schedule.
 - c. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or other lending institution.
 - d. Known instances of noncompliance or suspected noncompliance with laws and regulations.
36. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data has been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

Trustee, Plan Administrator, and Participants
Ditto Sales, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Ditto Sales, Inc. 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2025 and 2024, and for the year ended September 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Opinion (Continued)

- The information in the financial statements referred to on the previous page related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and; therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of September 30, 2025 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Other Matter (Continued)

Supplemental Schedule Required by ERISA (Continued)

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DITTO SALES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2025 and 2024

Note 1 - Plan Description

The following description of the Ditto Sales, Inc. (Company) 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees, except leased and union employees, of the Company who have completed six months of service. The Plan is subject to the provisions of ERISA. The Investment Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year, participants may contribute up to 100 percent of their pre-tax and after-tax eligible compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect to not participate in the Plan. Automatically enrolled participants have their deferral rate set at three percent of eligible compensation with an increase of one percent every year until a deferral rate of eight percent is reached and their contributions invested in a designated mutual fund until changed by the participant. The Company contributes 50 percent of the first two percent of contributions up to \$2,500 for all eligible employees (effective November 2024). During the Plan years ended September 30, 2025 and 2024, the Company did not make discretionary employer contributions to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Company's matching contributions, and discretionary contributions (if any), as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after six years of credited service.

DITTO SALES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2025 and 2024

Note 1 - Plan Description (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prevailing interest rates charged by persons in business of loaning money, based on appropriate regional factors. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants who have attained age 59 ½ may elect to receive either a partial withdrawal or lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may request a hardship withdrawal of a portion of their account attributable to participant deferrals. Any hardship withdrawal is limited to the amount needed to meet the financial need.

Forfeited Accounts

At September 30, 2025 and 2024, forfeited nonvested accounts totaled \$7,334 and \$3,976, respectively. These accounts may be used to pay administrative expenses and reduce future employer contributions. During the Plan year ended September 30, 2025, forfeitures totaling \$776 were used to reduce employer contributions.

Note 2 - Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

DITTO SALES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2025 and 2024

Note 2 - Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and certain recordkeeping and advisor fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

DITTO SALES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2025 and 2024

Note 3 - Summary of Financial Data Certified by the Trustee

The following is a summary of the Plan's financial information as of September 30, 2025 and 2024, and for the year ended September 30, 2025, included throughout the Plan's financial statements and the supplemental schedule, that was prepared by or derived from information provided by Fidelity Management Trust Company, the Trustee of the Plan. The Plan administrator has obtained certifications from the Trustee that the following assets are complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and the supplemental schedule related to the following:

<u>Net Assets Available for Benefits Held by Trustee</u>	<u>2025</u>	<u>2024</u>
Investments at fair value	\$ 5,039,115	\$ 5,374,849
Notes receivable from participants	<u>42,772</u>	<u>45,117</u>
	<u>\$ 5,081,887</u>	<u>\$ 5,419,966</u>

Statement of Changes in Net Assets Available for Benefits

Investment income	
Net appreciation in fair value of investments	\$ 372,417
Interest and dividends	<u>192,792</u>
	565,209
Interest income on notes receivable from participants	<u>3,725</u>
	<u>\$ 568,934</u>

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

DITTO SALES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2025 and 2024

Note 4 - Fair Value Measurements (Continued)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2025 and 2024.

Interest-bearing cash: Accounts primarily consist of money market accounts that are valued on the basis of readily determinable market prices.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

DITTO SALES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2025 and 2024

Note 4 - Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2025 and 2024:

	Assets at Fair Value as of September 30, 2025			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,027,019	\$ 0	\$ 0	\$ 5,027,019
Interest-bearing cash	12,096	0	0	12,096
Total assets in fair value hierarchy	<u>\$ 5,039,115</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 5,039,115</u>

	Assets at Fair Value as of September 30, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,366,404	\$ 0	\$ 0	\$ 5,366,404
Interest-bearing cash	8,445	0	0	8,445
Total assets in fair value hierarchy	<u>\$ 5,374,849</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 5,374,849</u>

Note 5 - Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds and interest-bearing cash managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the Trustee for the Plan and; therefore, these transactions, as well as notes receivable from participants and related activity, qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note 2, the Plan made direct payments to parties-in-interest service providers of \$32,146 for the year ended September 30, 2025, which were not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

DITTO SALES, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

September 30, 2025 and 2024

Note 7 - Tax Status

The Plan adopted a nonstandardized pre-approved profit sharing plan with cash or deferred arrangement sponsored by FMR, LLC. The plan has received an opinion letter from the IRS as to the prototype plan's qualified status. The Plan Sponsor can rely on the qualified status to the extent the Plan Document does not deviate from the IRS pre-approved provisions. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code and; therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Subsequent Events

The Plan has evaluated subsequent events through May 20, 2026, the date the financial statements were available to be issued.
