Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☐ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☒ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **BAKER TILLY US, LLP**

(2) EIN: **30-1413443**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		6500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

Independent Auditors' Report

The 401(k) Plan Investment Committee and Participants
Metropolitan Commercial Bank 401(k) Plan

Opinion

We have audited the accompanying financial statements of the Metropolitan Commercial Bank 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the year ended December 31, 2025, and are in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule – Schedule Hm Kube 4(i) Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Metropolitan Commercial Bank 401(k) Plan (the Plan) is provided only for general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which is sponsored by Metropolitan Commercial Bank (the Company or Employer), covering substantially all employees of the Company. The Plan was effective August 2, 1999, and was recently amended and restated effective May 21, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Plan is administered by a designated Plan Administrator (the "Administrator"), which has been appointed by the 401(k) Plan Investment Committee of the Employer. The Administrator is responsible for oversight of the Plan. The 401(k) Plan Investment Committee, which has been appointed by the Board of Directors of the Employer, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Administrator. Fidelity Management Trust Company ("Fidelity") serves as the trustee, and Fidelity Workplace Services LLC serves as the recordkeeper of the Plan.

Plan Eligibility

Employees become eligible to participate in the Plan upon completing two months of service. Participation begins on the first day of the month following the date on which the employee satisfies the eligibility requirements.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's voluntary contribution, any Company matching contribution, any discretionary profit-sharing contribution, and Plan earnings, and is charged for withdrawals, administrative expenses, and any allocation of Plan losses. Allocations are based on participant earnings, deferrals, account balances, or specific participant transactions as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Employee Contributions

Participants may contribute on a pre-tax and after-tax basis, 1% to 90% of annual compensation, subject to annual limitations set forth in Section 402(g) of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans (rollovers). Additional voluntary contributions are not permitted.

Newly eligible employees are automatically enrolled in the Plan with a 6% deferral rate unless they affirmatively elect not to participate in the Plan or elect a different deferral percentage and are invested in a designated fund until changed by the participant.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Employer Contributions

The Company may make a discretionary matching contribution. Currently, the Company is matching 50% of the first 6% of a participant's pre-tax contributions to the Plan. In addition, the Company may make a profit-sharing contribution allocated as a percentage of a participant's compensation. No profit-sharing contributions were made for 2025.

Investment Options

The Plan offers investment options through Fidelity, the trustee of the Plan's assets. All investment options are 100% participant directed. Participants can choose from a wide array of registered investment company options.

On June 1, 2022, the Employer filed a Form S-8, an initial registration statement for Employer securities to be offered to employees pursuant to employee benefit plans.

Effective June 2, 2022, Employer securities were included as a permissible investment option in the Plan. The Plan was amended to allow participants who are invested in Employer securities to elect to receive a distribution from their account in shares of Employer securities instead of cash.

Vesting

Participants are fully vested in their employee contributions, including "rollovers", plus actual earnings thereon. Vesting in the Company's contributions and earnings thereon is based on years of service and is determined as follows:

Number of Years of Service	Vested Percentage
0 - 1	0%
1 - 2	33⅓%
2 - 3	66⅔%
3 or more	100%

Forfeitures

Forfeitures of non-vested accounts are used to reduce future Company contributions and/or to pay Plan expenses. For the year ended December 31, 2025, the Plan used \$80,479 of accumulated unapplied forfeitures to reduce Company contributions and \$19,851 to pay Plan expenses. The unapplied forfeiture balance as of December 31, 2025 and 2024 was \$52,041 and \$55,301, respectively.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest as determined by the Plan administrator. The interest rate is based on the prevailing interest rate charged by persons in the business of lending money for loans that would be made under similar circumstances. The interest rates on notes receivable from participants range from 4.75% to 10.00% at December 31, 2025. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence. Loans are not considered distributions and are not subject to federal or state income taxes, provided they are repaid as required. Loans are repaid through payroll deductions and repayment begins the first pay period after disbursement of the loan.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Payment of Benefits

On termination of service due to death, disability, retirement, financial hardship or, in some cases, upon reaching the age of 59½, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his/her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution. Participants with vested account balances of less than \$7,000 will be automatically cashed out if terminated. Any distribution greater than \$1,000 that is made to a participant without the participant's consent before the participant's normal retirement age will be rolled into an individual retirement plan designated by the Plan administrator.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Accounting Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The fair value of financial instruments is what would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain expenses incurred in maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in the net appreciation or depreciation in fair value of investments.

3. Related Party and Party-In-Interest Transactions

Certain Plan investments are shares of registered investment companies managed by affiliates of Fidelity. At December 31, 2025 and 2024, the Plan held 10,435.053 and 9,028.498 shares of Metropolitan Commercial Bank common stock fund (Employer Stock Fund) valued at \$797,925 and \$528,157, respectively. For the year ended December 31, 2025, the Plan purchased 2,824.175 shares and sold 1,417.620 shares and received dividends in the amount of \$3,028. These transactions and notes receivable from participants qualify as exempt party-in-interest transactions.

Certain mutual fund companies share their management fees with the trustee. The agreement between the trustee and the Plan includes a revenue sharing arrangement whereby the trustee shares this revenue with the Plan. These deposits are included in the net appreciation in fair value of investments amount in the statement of changes in net assets available for benefits. At December 31, 2025 and 2024, the revenue credit balance was \$706 and \$0, respectively. During 2025, \$1,121 in revenue credit was allocated to participants.

4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy assigns the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurement) and lowest priority to unobservable inputs (Level 3 measurement). The three levels of fair value hierarchy are described as follows:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 - Observable inputs other than Level 1 prices, such as a quoted price for similar assets or liabilities; quoted market prices in markets that are active; or model-derived valuation or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurement (cont.)

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024.

Employer Stock Fund – The Employer stock fund is measured using the unit value calculated from the observable market price of the stock plus the cash of the short-term investment fund, which approximates fair value.

Registered Investment Companies - Shares of registered investment companies (i.e., mutual funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust - The common collective trust is valued at the NAV of units of a bank collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the common/collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025 and 2024.

<i>December 31, 2025</i>	Level 1	Level 2	Level 3	Total
Employer stock fund	\$ 797,925	\$ -	\$ -	\$ 797,925
Registered investment companies	<u>41,154,235</u>	-	-	<u>41,154,235</u>
Common collective trust measured at NAV*				<u>924,378</u>
Total at fair value				<u>\$ 42,876,538</u>
<i>December 31, 2024</i>	Level 1	Level 2	Level 3	Total
Employer stock fund	\$ 528,157	\$ -	\$ -	\$ 528,157
Registered investment companies	<u>31,592,755</u>	-	-	<u>31,592,755</u>
Common collective trust measured at NAV*				<u>1,040,310</u>
Total at fair value				<u>\$ 33,161,222</u>

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurement (cont.)

Fair value of investments in certain entities that calculate NAV per share (or its equivalent) follows:

Investment	Fair Value 2025	Fair value 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 924,378	\$ 1,040,310	None	Daily	Daily

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan is terminated, participants would become 100% vested in their account balances, and such balances shall be distributed to participants and beneficiaries based on their individual accounts in the Plan as of the termination date.

6. Income Tax Status

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA (Pre-Approved Plan) sponsored by FMR LLC, doing business as Fidelity Institutional Asset Management (FMR). The Internal Revenue Service (IRS) has opined and informed FMR by a letter dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks, Uncertainties, and Concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's investments include certain individual investments that represent significant concentrations as a percentage of net assets available for benefits. As of December 31, 2025 and 2024, such concentrations included four investments totaling \$22,942,549 and three investments totaling \$13,471,197, respectively.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

8. SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions became effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2025 financial statements.

9. Subsequent Events

Management has evaluated subsequent events through June 17, 2026 which is the date the financial statements were available to be issued.

Independent Auditors' Report

The 401(k) Plan Investment Committee and Participants
Metropolitan Commercial Bank 401(k) Plan

Opinion

We have audited the accompanying financial statements of the Metropolitan Commercial Bank 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2025 and 2024, and the changes in net assets available for benefits for the year ended December 31, 2025, and are in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule – Schedule Hm Kube 4(i) Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

The following description of the Metropolitan Commercial Bank 401(k) Plan (the Plan) is provided only for general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which is sponsored by Metropolitan Commercial Bank (the Company or Employer), covering substantially all employees of the Company. The Plan was effective August 2, 1999, and was recently amended and restated effective May 21, 2021. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Administration

The Plan is administered by a designated Plan Administrator (the "Administrator"), which has been appointed by the 401(k) Plan Investment Committee of the Employer. The Administrator is responsible for oversight of the Plan. The 401(k) Plan Investment Committee, which has been appointed by the Board of Directors of the Employer, determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Administrator. Fidelity Management Trust Company ("Fidelity") serves as the trustee, and Fidelity Workplace Services LLC serves as the recordkeeper of the Plan.

Plan Eligibility

Employees become eligible to participate in the Plan upon completing two months of service. Participation begins on the first day of the month following the date on which the employee satisfies the eligibility requirements.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's voluntary contribution, any Company matching contribution, any discretionary profit-sharing contribution, and Plan earnings, and is charged for withdrawals, administrative expenses, and any allocation of Plan losses. Allocations are based on participant earnings, deferrals, account balances, or specific participant transactions as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Employee Contributions

Participants may contribute on a pre-tax and after-tax basis, 1% to 90% of annual compensation, subject to annual limitations set forth in Section 402(g) of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans (rollovers). Additional voluntary contributions are not permitted.

Newly eligible employees are automatically enrolled in the Plan with a 6% deferral rate unless they affirmatively elect not to participate in the Plan or elect a different deferral percentage and are invested in a designated fund until changed by the participant.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Employer Contributions

The Company may make a discretionary matching contribution. Currently, the Company is matching 50% of the first 6% of a participant's pre-tax contributions to the Plan. In addition, the Company may make a profit-sharing contribution allocated as a percentage of a participant's compensation. No profit-sharing contributions were made for 2025.

Investment Options

The Plan offers investment options through Fidelity, the trustee of the Plan's assets. All investment options are 100% participant directed. Participants can choose from a wide array of registered investment company options.

On June 1, 2022, the Employer filed a Form S-8, an initial registration statement for Employer securities to be offered to employees pursuant to employee benefit plans.

Effective June 2, 2022, Employer securities were included as a permissible investment option in the Plan. The Plan was amended to allow participants who are invested in Employer securities to elect to receive a distribution from their account in shares of Employer securities instead of cash.

Vesting

Participants are fully vested in their employee contributions, including "rollovers", plus actual earnings thereon. Vesting in the Company's contributions and earnings thereon is based on years of service and is determined as follows:

Number of Years of Service	Vested Percentage
0 - 1	0%
1 - 2	33⅓%
2 - 3	66⅔%
3 or more	100%

Forfeitures

Forfeitures of non-vested accounts are used to reduce future Company contributions and/or to pay Plan expenses. For the year ended December 31, 2025, the Plan used \$80,479 of accumulated unapplied forfeitures to reduce Company contributions and \$19,851 to pay Plan expenses. The unapplied forfeiture balance as of December 31, 2025 and 2024 was \$52,041 and \$55,301, respectively.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest as determined by the Plan administrator. The interest rate is based on the prevailing interest rate charged by persons in the business of lending money for loans that would be made under similar circumstances. The interest rates on notes receivable from participants range from 4.75% to 10.00% at December 31, 2025. Loan terms range from one to five years or up to 10 years for the purchase of a primary residence. Loans are not considered distributions and are not subject to federal or state income taxes, provided they are repaid as required. Loans are repaid through payroll deductions and repayment begins the first pay period after disbursement of the loan.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (cont.)

Payment of Benefits

On termination of service due to death, disability, retirement, financial hardship or, in some cases, upon reaching the age of 59½, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his/her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his/her account as a lump-sum distribution. Participants with vested account balances of less than \$7,000 will be automatically cashed out if terminated. Any distribution greater than \$1,000 that is made to a participant without the participant's consent before the participant's normal retirement age will be rolled into an individual retirement plan designated by the Plan administrator.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Accounting Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and the disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced, and a benefit payment is recorded.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. The fair value of financial instruments is what would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

2. Summary of Significant Accounting Policies (cont.)

Payment of Benefits

Benefit payments are recorded when paid.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain expenses incurred in maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in the net appreciation or depreciation in fair value of investments.

3. Related Party and Party-In-Interest Transactions

Certain Plan investments are shares of registered investment companies managed by affiliates of Fidelity. At December 31, 2025 and 2024, the Plan held 10,435.053 and 9,028.498 shares of Metropolitan Commercial Bank common stock fund (Employer Stock Fund) valued at \$797,925 and \$528,157, respectively. For the year ended December 31, 2025, the Plan purchased 2,824.175 shares and sold 1,417.620 shares and received dividends in the amount of \$3,028. These transactions and notes receivable from participants qualify as exempt party-in-interest transactions.

Certain mutual fund companies share their management fees with the trustee. The agreement between the trustee and the Plan includes a revenue sharing arrangement whereby the trustee shares this revenue with the Plan. These deposits are included in the net appreciation in fair value of investments amount in the statement of changes in net assets available for benefits. At December 31, 2025 and 2024, the revenue credit balance was \$706 and \$0, respectively. During 2025, \$1,121 in revenue credit was allocated to participants.

4. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy assigns the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurement) and lowest priority to unobservable inputs (Level 3 measurement). The three levels of fair value hierarchy are described as follows:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. An active market asset or liability is a market in which the transaction for the asset or liability occurs with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2 - Observable inputs other than Level 1 prices, such as a quoted price for similar assets or liabilities; quoted market prices in markets that are active; or model-derived valuation or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2025 and 2024.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurement (cont.)

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2025 and 2024.

Employer Stock Fund – The Employer stock fund is measured using the unit value calculated from the observable market price of the stock plus the cash of the short-term investment fund, which approximates fair value.

Registered Investment Companies - Shares of registered investment companies (i.e., mutual funds) are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust - The common collective trust is valued at the NAV of units of a bank collective trust. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the common/collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2025 and 2024.

<i>December 31, 2025</i>	Level 1	Level 2	Level 3	Total
Employer stock fund	\$ 797,925	\$ -	\$ -	\$ 797,925
Registered investment companies	41,154,235	-	-	41,154,235
Common collective trust measured at NAV*				924,378
Total at fair value				\$ 42,876,538
<i>December 31, 2024</i>	Level 1	Level 2	Level 3	Total
Employer stock fund	\$ 528,157	\$ -	\$ -	\$ 528,157
Registered investment companies	31,592,755	-	-	31,592,755
Common collective trust measured at NAV*				1,040,310
Total at fair value				\$ 33,161,222

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

4. Fair Value Measurement (cont.)

Fair value of investments in certain entities that calculate NAV per share (or its equivalent) follows:

Investment	Fair Value 2025	Fair value 2024	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 924,378	\$ 1,040,310	None	Daily	Daily

5. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan is terminated, participants would become 100% vested in their account balances, and such balances shall be distributed to participants and beneficiaries based on their individual accounts in the Plan as of the termination date.

6. Income Tax Status

The Plan has adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA (Pre-Approved Plan) sponsored by FMR LLC, doing business as Fidelity Institutional Asset Management (FMR). The Internal Revenue Service (IRS) has opined and informed FMR by a letter dated June 30, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Risks, Uncertainties, and Concentrations

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's investments include certain individual investments that represent significant concentrations as a percentage of net assets available for benefits. As of December 31, 2025 and 2024, such concentrations included four investments totaling \$22,942,549 and three investments totaling \$13,471,197, respectively.

Metropolitan Commercial Bank 401(k) Plan

Notes to Financial Statements

8. SECURE Act 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023 which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provisions to elect and amend the Plan document accordingly. Most of the significant provisions became effective in 2024 and thereafter. Accordingly, there is no material impact to the Plan's 2025 financial statements.

9. Subsequent Events

Management has evaluated subsequent events through June 17, 2026 which is the date the financial statements were available to be issued.
