INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Kiteworks USA LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024 and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to the participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audits* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule included in the accompanying table of contents is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Kiteworks USA LLC 401(k) Plan

Notes to Financial Statements

1. Description of the Plan

Kiteworks USA, LLC (the Company) established the Kiteworks USA LLC 401(k) Plan (the Plan), effective August 1, 2000, to provide participants with a means to fund their retirement on a tax-deferred basis. The following description of the Plan, as amended and restated, provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan under the related provisions of the Internal Revenue Code (the Code) and applicable state laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Company is the Plan sponsor and Plan administrator. The Plan is administered by a Plan investment committee, which consists of Company employees.

As of December 31, 2024, Reliance Trust Company (Reliance) served as the Plan's trustee. On December 31, 2024, Reliance resigned from being the Plan's trustee and ADP Retirement Trust Services, LLC (ADP Trust) became the Plan's trustee effective January 1, 2025. As the underlying sub-custodian (State Street Bank and Trust Company) remained the same, there were no assets transferred in relation to this change in trustee. ADP Retirement Services serves as the Plan's record keeper. ADP Trust holds, invests, and reinvests Plan assets in the interest and direction of the participants and their beneficiaries. The Company has engaged Strategic Retirement Partners (SRP), as an investment advisor. SRP assists the Plan investment committee in selecting investment options offered under the Plan and monitoring investment performance.

Eligible Participants:

Employees, as defined by the Plan agreement, aged 21 or older, are eligible to participate in the Plan on the first day of the month coinciding with or following their date of hire.

Contributions:

Participants are permitted to make voluntary pre-tax salary deferrals and Roth post-tax contributions up to 75% of their annual eligible compensation, as defined in the Plan agreement. Participants who have reached the age of 50 may also elect to withhold additional "catch-up" contributions under the Code. Participants may also contribute amounts representing distributions from other qualified defined contribution or defined benefit plans (rollovers), subject to Code regulations.

Kiteworks USA LLC 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Contributions: (continued)

The Plan has an automatic enrollment feature under which all eligible employees hired or rehired are automatically enrolled in the Plan and have 6% of their pre-tax compensation deferred and contributed to the Plan, unless they request a different amount to be contributed or formally decline participation. Participants may adjust their salary deferral rate or discontinue their contributions at any time.

The Plan agreement requires the Company to make matching contributions, which are equal to 100% of participant elective contributions up to a maximum annual contribution of \$4,750. The Company made matching contributions of \$623,172 to the Plan in 2025, of which \$7,952 was receivable as of December 31, 2025.

The Company may also make discretionary non-elective contributions, at the discretion of the Company's Board of Directors. The Company has not made any discretionary contributions to the Plan through December 31, 2025.

Contributions are subject to certain limitations under the Code.

Participant Accounts:

Participant accounts are credited with participant contributions and rollovers, Company matching contributions, Company discretionary non-elective contributions, if any, and an allocation of Plan earnings or losses. Allocations are based on participant earnings or account balances, in accordance with the Plan agreement. The benefit to which participants are entitled is the benefit that can be provided from the participant accounts.

Participants may elect to invest their accounts in a variety of participant-directed investment options offered by the Plan that are designed to provide the participants with a wide range of investment options. Participants may authorize transfers among investment options at any time.

Vesting:

Participants are fully (100%) vested in their account balances.

Kiteworks USA LLC 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Notes Receivable from Participants:

Participants may borrow up to one-half of their account balance, for a minimum of \$500 up to \$50,000, for a period not to exceed five years, except for notes used to purchase a primary residence for which terms of up to 30 years are permitted. Participants may only have one note outstanding. Participant notes are evidenced by a written note, secured by the balance in the participant account, and bear interest at the prime rate plus 2.00%. The interest rates on notes outstanding as of December 31, 2025 ranged from 7.50% to 10.50%. Repayment of principal and interest is generally made through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement.

Notes receivable transactions with participants qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules under ERISA.

Payment of Benefits:

On termination of service for any reason, benefits are paid to participants in a lump-sum cash distribution equal to the value of the participant accounts, or in partial withdrawals, or substantially equal installment payments of their choice. Terminated participant accounts below \$1,000 may be automatically distributed directly to participants without participant approval. Terminated participant accounts with balances between \$1,000 and the involuntary distribution limit specified by the Code may be automatically distributed to individual retirement accounts on behalf of the participants without participant approval. The Plan agreement also allows for certain in-service and hardship withdrawals of benefits to participants who are current employees. Benefits are recorded when paid.

Administrative Expenses:

Several of the investment fund options are subject to investment fees based on a percentage of invested assets, as disclosed in the fund's prospectus. These fees are charged directly against the fund's investment performance and, thus, are not separately disclosed in the financial statements. Certain account maintenance and note fees are charged to the Plan and allocated to participant accounts. All other administrative expenses related to the Plan are paid by the Company and are not reflected in the Plan's financial statements.

Kiteworks USA LLC 401(k) Plan

Notes to Financial Statements

1. Description of the Plan (continued)

Risks and Uncertainties:

Participants may invest their account balances in a variety of investment options offered by the Plan. Investments are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment options offered by the Plan, it is at least reasonably possible changes in risks in the near term could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions and terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would remain fully vested in their accounts and distributions would be made to participants as described in the Plan agreement.

2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates:

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments:

The Plan's investments consist of mutual funds and a money market fund. These funds are valued at the quoted closing price reported on the active market on which the individual securities are traded.

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement:

The Plan uses a three-level hierarchy for fair value measurement based on the nature of inputs used in the valuation of an asset or liability as of the measurement date. The three-level hierarchy prioritizes within the measurement of fair value, the use of market-based information over entity-specific information. Fair value focuses on an exit price and is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. The inputs or methodology used for valuing financial instruments are not necessarily an indication of the risk associated with investing in those financial instruments.

The three-level hierarchy for fair value measurement is defined as follows:

Level I: Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

Level II: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level III: Inputs to the valuation methodology, which are significant to the fair value measurement, are unobservable.

A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

The Plan's investments set forth by level within the fair value hierarchy as of December 31, 2025, are summarized as follows:

<u>Investments</u>	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Mutual funds and money market fund	\$ 22,827,694	\$ -	\$ -	\$ 22,827,694
Total investments, at fair value				<u>\$ 22,827,694</u>

2. Summary of Significant Accounting Policies (continued)

Fair Value Measurement: (continued)

The Plan's investments set forth by level within the fair value hierarchy as of December 31, 2024, are summarized as follows:

<u>Investments</u>	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Mutual funds and money market fund	\$ 18,144,949	\$ -	\$ -	\$ 18,144,949
Total investments, at fair value				\$ 18,144,949

Income Recognition:

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual method of accounting. Dividends are recorded on the ex-dividend date. Net appreciation includes gains and losses on the Plan's investments bought, sold or held during the year.

3. Information Prepared and Certified by the Qualified Institutions

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, ADP Trust and Reliance, the qualified institutions of the Plan, have certified to the completeness and accuracy of the:

- investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2025 and 2024.
- net income on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2025.
- investment information included in the footnotes and on the supplemental schedule of assets (held at end of year) as of December 31, 2025.

4. Income Tax Status

The Plan administrator has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated October 6, 2020, stating that the form of the pre-approved plan document was in compliance with the applicable provisions of the Code. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and related state statutes and is, therefore, qualified, and the trust that forms a part of the Plan is exempt from federal and state income taxes.

GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded, as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.
