INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Plan Administrator
Catholic Medical Center 403(b) Tax-Sheltered Annuity Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Catholic Medical Center 403(b) Tax-Sheltered Annuity Retirement Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting as described in Note 2.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Emphasis of Matter - Plan Termination

As discussed in Notes 1 and 8 to the financial statements, the Board of Trustees of the Plan's sponsor voted on January 31, 2025 to terminate the Plan effective January 31, 2025. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2 and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Board of Trustees and Plan Administrator
Catholic Medical Center 403(b) Tax-Sheltered Annuity Retirement Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) (modified cash basis) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule (modified cash basis), other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Board of Trustees and Plan Administrator
Catholic Medical Center 403(b) Tax-Sheltered Annuity Retirement Plan

In forming our opinion on the supplemental schedule (modified cash basis), we evaluated whether the supplemental schedule (modified cash basis), other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule (modified cash basis), other than the information in the supplemental schedule (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CATHOLIC MEDICAL CENTER 403(b) TAX-SHELTERED ANNUITY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. Description of Plan

The following description of the Catholic Medical Center 403(b) Tax-Sheltered Annuity Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for more information.

General

The Plan is a tax-exempt, defined contribution retirement plan sponsored by Catholic Medical Center (the Hospital). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). Metropolitan Life Insurance Company (MetLife), Brighthouse Life Insurance Company (Brighthouse), American General Life Insurance Company (AIG), and Fidelity Management Trust Company (Fidelity) (collectively, the custodians) are the custodians of the Plan.

On December 29, 2022, the *Setting Every Community Up for Retirement Enhancement Act of 2022* (SECURE 2.0 Act) was signed into law. It includes mandatory and optional provisions impacting defined contribution plans. Applicable provisions outlined in the SECURE 2.0 Act will be adopted as elected and/or required. While formal plan amendments for these changes are not yet required, the Plan was amended on January 31, 2025 to incorporate certain provisions of the SECURE 2.0 Act. These amendments did not have a significant impact on the Plan.

Eligibility

The Plan is available to all Hospital employees. Physician Practice Associates, a subsidiary of CMC Healthcare System, Inc., is also a participating employer in the Plan. Eligible employees may begin making elective deferrals to the Plan upon hire and are eligible to participate in the employer contributions upon attaining age 21 and completing one year of service in which they work 1,000 or more hours. Leased, temporary and per diem employees are ineligible for the employer contributions.

Contributions

Each year, eligible employees may make contributions to the Plan through salary deferrals up to 100% of eligible compensation, as defined in the Plan on a pre-tax or Roth basis. The maximum amount that a participant may contribute is limited by provisions of the Internal Revenue Code (IRC). The Plan provides for auto enrollment and newly hired participants after January 1, 2014 who meet the eligibility criteria are automatically enrolled at a 3% contribution rate, unless they elect to decline participation or contribute a different amount. The Plan was amended effective March 1, 2023 (and every year thereafter), to automatically enroll active participants who have elected a deferral rate of zero percent.

CATHOLIC MEDICAL CENTER 403(b) TAX-SHELTERED ANNUITY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. Description of Plan (Continued)

Employees are eligible to receive an employer matching contribution of 50% of elective deferrals, up to 6% of eligible compensation. In addition, employees are also eligible to receive a nonelective employer contribution based on the following schedule:

<u>Years of Service</u>	<u>Contribution Percentage</u>
Less than 1 – 4.99	0%
5 – 14.99	1%
15 or more	2%

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the employer matching and nonelective contributions and an allocation of investment income or losses and certain administrative expenses. Allocations are based on participants' earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. A participant's account shall be reduced by any distributions.

Vesting

Participants are immediately vested in their own contributions made to the Plan and the earnings or losses thereon. Participants vest in employer contributions made to the Plan in accordance with a three-year cliff vesting schedule.

Forfeitures of employer contributions are used to offset employer contributions or pay Plan expenses. At December 31, 2024 and 2023, \$353,072 and \$199,022, respectively, of forfeited nonvested amounts were included in net assets available for benefits. During the year ended December 31, 2024, forfeitures of \$280,585 were used to reduce employer contributions.

Notes Receivable From Participants

Participants can borrow up to 50% of their vested individual account balance or \$50,000 with a minimum of \$1,000. Loan terms generally cannot exceed five years, unless the loan is used to acquire a principal residence, in which case the period for which the loan may remain outstanding may not exceed thirty years. Notes receivable become immediately due and payable upon a participant's termination of employment, death or disability. The notes receivable bear interest at a fixed rate equal to prime plus 1% determined at the issuance of the note. The interest rates on notes receivable outstanding at December 31, 2024 ranged from 4.25% to 9.50% with various maturities through August 2054.

CATHOLIC MEDICAL CENTER 403(b) TAX-SHELTERED ANNUITY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

1. **Description of Plan (Continued)**

Payments of Benefits

The Plan provides for participants to withdraw their funds at any time after reaching normal retirement age (65). Such withdrawals are based on the amount in the participant's account as of the valuation date coinciding with or immediately after the participant's retirement date. Participants may also make in-service withdrawals upon attainment of age 59 1/2. The Plan also provides for withdrawals in the event of death, disability, hardship or termination. Benefits are payable in the form of a lump sum or in installment payments.

Administrative Expenses

The Hospital pays certain expenses incurred in the administration of the Plan. Other expenses, resulting from payments to participants, asset charges, loans or fund transfer charges are paid by the Plan via a reduction of participant accounts. Effective January 1, 2024, the Plan transitioned to a direct fee structure, assessing certain administrative fees to participant accounts.

Plan Termination

The Hospital has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. See Note 8 for a discussion of the subsequent termination of the Plan.

2. **Summary of Significant Accounting Policies**

Basis of Presentation

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles in the United States of America. The modified cash basis of accounting is an acceptable alternative method of reporting under regulations issued by the Department of Labor (DOL). Accordingly, certain revenue and related assets are recognized when received, rather than when earned, and certain expenses and related liabilities are recognized when paid, rather than when incurred.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities, at the date of the financial statements. Actual results could differ from those estimates.

CATHOLIC MEDICAL CENTER 403(b) TAX-SHELTERED ANNUITY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for the insurance company general accounts, which are fully-benefit responsive and reported at contract value as further discussed in Note 3. Contract value represents contributions made under the contract plus interest earned, less participant withdrawals and administrative expenses. See Note 7 for a discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the cash basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balances, plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document. Notes receivable from participants are reflected as participant loans on Form 5500.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemics or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

CATHOLIC MEDICAL CENTER 403(b) TAX-SHELTERED ANNUITY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

3. **Fully Benefit-Responsive Investment Contracts**

Investments in the Lincoln Stable Value and AIG Fixed Annuity Contracts are in insurance company general accounts. Contributions to these investments buy a contractual or guaranteed amount of future benefits for the participant. Interest credited to the investments includes a guaranteed rate plus additional amounts established on a year-by-year basis. These investments meet the fully benefit-responsive criteria and, therefore, are reported at contract value. Participants may ordinarily direct the withdrawal or transfer of all, or a portion of, their investment at contract value. Participant-initiated periodic elective withdrawals may be limited to a percentage of the contract's assets or subject to the 90-day equity wash provision. The standard provision for a 90-day wash means that there are no transfers allowed to a competing fund. Any other transfers to noncompeting funds must remain in the noncompeting fund for 90 days before being subsequently transferred to the competing fund. There is no reserve against contract value for credit risk of the contract issuer or otherwise.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) any charges billed to the contract owner have not been paid to the issuer within 30 days, (2) the Plan ceases to meet the requirements of the IRC for purchasers of this contract, (3) at any time, following the end of the third contract year, the contract owner account is less than \$15,000, (4) at any time, following the end of the third contract year, there is no deposit activity for a 24-consecutive month period and the contract owner account is less than \$50,000, (5) the contract owner fails to furnish requested information or other documentation, (6) the issuer discovers any misrepresentation of material information, (7) the issuer discontinues offering the contract to the public, or (8) the Plan Sponsor terminated the recordkeeping agreement with the issuer or its affiliates. The Plan Administrator does not believe that the occurrence of any such events that would limit the Plan's ability to transact at contract value with participants is probable. Although the Plan initiated termination steps in 2025, the issuer honored contract value transactions through the termination date. As such, the investment contract remained fully benefit responsive as of December 31, 2024 and is reported at contract value.

4. **Income Tax Status**

The Plan is subject to ERISA and certain provisions of the IRC. The Plan has adopted a volume submitter 403(b) plan document that has received an opinion letter from the Internal Revenue Service (IRS) dated August 7, 2017 stating that the form of the volume submitter 403(b) plan document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since adopting the volume submitter 403(b) plan document. However, the Plan Administrator believes that the Plan is designed, and is being operated, in conformity with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

CATHOLIC MEDICAL CENTER 403(b) TAX-SHELTERED ANNUITY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

5. **Information Certified by the Custodians**

The Plan Administrator has elected the method of compliance as allowed by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's auditors not to perform any auditing procedures with respect to information certified by the custodians as of December 31, 2024 and 2023 and for the year ended December 31, 2024, except for comparing the information certified by the custodians with the related information included in the financial statements and schedule. The Plan Administrator has determined that the custodians meet the requirements of qualified institutions as defined by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan Administrator has obtained certifications from MetLife, Brighthouse, AIG and Fidelity, the custodians, stating that the information provided to the Plan Administrator by the custodians is complete and accurate. Such information includes investments, notes receivable from participants, interest and dividends, net appreciation in fair value of investments, investment and notes receivable transactions, and interest income on notes receivable from participants.

6. **Party-in-Interest Transactions**

Certain investments are managed by the custodians of the Plan; therefore, these transactions qualify as party-in-interest transactions. The Plan also pays certain administrative expenses to the custodians and other service providers that qualify as party-in-interest transactions as they are related to recordkeeper fees, investment advisor, audit fees and other fees incurred by the Plan. Administrative expenses paid by the Plan in 2024 totaled \$194,567 in 2024. In addition, loans to participants qualify as party-in-interest transactions.

7. **Fair Value Measurement**

Fair value is the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity.

The fair value hierarchy for valuation inputs prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels which is determined by the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

CATHOLIC MEDICAL CENTER 403(b) TAX-SHELTERED ANNUITY RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

7. Fair Value Measurement (Continued)

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds and money market funds: Valued at quoted net asset value of shares held by the Plan at year end, which are traded in an active market.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth the Plan's assets at fair value using Level 1 inputs. The following table sets forth the Plan's assets at fair value using Level 1 inputs as of December 31:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$268,116,733	\$259,076,089
Money market fund	962,831	858,717

8. Subsequent Events

Events occurring after the statement of net assets available for benefits (modified cash basis) date are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. The Plan Administrator has evaluated subsequent events through June 22, 2026, the date the financial statements were available to be issued.

On June 21, 2024, the Hospital entered into an asset purchase agreement with Manchester Health Services, LLC, a wholly-owned subsidiary of HCA Healthcare, Inc. (HCA). On February 1, 2025, the Hospital sold substantially all of its assets to HCA. Within the controlled group structure, the name of the Plan Sponsor changed from the Hospital to Catholic Healthcare Trust, f/k/a Catholic Medical Center.

As a result of the asset acquisition, the Plan Sponsor would no longer be operating a hospital going forward and on January 31, 2025, the Board of Trustees of the Hospital voted to terminate the Plan effective January 31, 2025. The Plan was amended to freeze and terminate the Plan effective January 31, 2025. Furthermore, participants became 100% vested in their account balances. Rollovers and lump-sum distributions began being processed by June 30, 2025. As of the date these financial statements were available to be issued, substantially all distributions have been made, with remaining accounts expected to be completed as soon as administratively feasible.
