**Base commissions paid on your contract.

***Other fees/commissions paid on your contract or policy such as consulting fees or General Agent commissions.

****Amounts based on producer's/consultant's block of business. If calculation exceeds program's defined fixed limit: the capped payment is allocated 1) between new sales and retention, based on corresponding proportions of uncapped payment (if applicable) and 2) to the account, based on account's uncapped payment as a percentage of total block uncapped payment. If block payment falls within program's fixed dollar limit and is based on a graded per employee schedule, account amount is calculated based on processing order subject to any account fixed limit. Resulting figures are combined with other special program defined payments (such as flat amount per head, percent of premium, or per account not subject to block fixed limit).

The settlement applies to the group numbers referenced on the Benefit Program Application and may include canceled group numbers if applicable.

NOTE: The above information is provided from business records of BCBSIL maintained in the ordinary course of BCBSIL's business to assist the plan administrator in complying with certain reporting requirements for Form(s) 5500. BCBSIL certifies that this information is accurate and complete to the best of its knowledge and belief.

Blue Shield uses the following allocation methodologies in reporting 5500 data:

Compensation Received by Blue Shield

A. Pharmacy Manufacturer Retained Rebate (self-funded groups): Every quarter Blue Shield reconciles the pharmacy rebate payments received from manufacturers, and remits a portion of the payments (reimbursement amount as specified in contracts) back to self-funded groups either via a check or credit to claims reimbursement billing. An estimate of the remaining portion (retention amount) is used by Blue Shield to reduce administrative fees. This estimate is based on Blue Shield's self-funded book of business pharmacy rebate.

   The payments received from manufacturers are distributed at the employer group level based on the calculated reimbursement amounts. The reimbursement amount is calculated based on payments received at the rebate claim level.

Reportable Compensation Paid to Third Parties

A. Pharmacy Administration Fee (compensation to key vendors – self-funded groups): Blue Shield calculates a monthly per paid claim value based on invoice data; each employer group's portion is based on paid claim volumes for the months during the policy/contract timeframe.

B. Broker Bonus Override (monetary item)*: Blue Shield calculates an overall payment per broker; each employer group's portion is calculated based on their contribution to this payout for the policy/contract timeframe.

   - Bonus Override values will be based on the actual payments received during the period and the type of bonus program.

C. Marketing Allowances (monetary or non-monetary items)*: In cases where the allowances cannot be attributed to a specific group, Blue Shield calculates a pmpm value per broker per calendar year; each employer group's portion is based on member months for the policy/contract year.

   Example: $1,800 marketing allowance for Broker A / 150,000 mmos for Broker A's book of business x 3,000 mmos for Employer Group A = $36.

blue of california

D. Miscellaneous Gifts, Meals and Expenses (non-monetary item):

- For Core accounts (100 to 2,999 eligible subscribers): Blue Shield sums the miscellaneous gifts, meals, and entertainment expenses excluding the portion (based on a sampling) of the costs related to clients and Blue Shield personnel. The net expenses are divided by the entire mid/large book of business member months for the calendar year to derive one overall per member per month (pmpm) value; each customer's portion is based on member months for the policy/contract timeframe. *Note:* The amount reflected on the report does not reflect actual amounts (if any) received by an employer group's brokers/consultants.

- For Premier accounts (3,000+ eligible subscribers): Blue Shield allocates the broker/consultant portion of the expenses either to the specific employer groups involved or across the broker/consultant's entire book of business when a specific employer group cannot be identified.

*These dollars are part of Blue Shield of California's overall SG&A and are not directly charged back to the client in the specific amount given.
