INDEPENDENT AUDITORS' REPORT

To the Trustees
F.L. Crane & Sons, Inc.
Employee Benefit Plan
Fulton, Mississippi

Qualified Opinion

We have audited the accompanying financial statements of F.L. Crane & Sons, Inc. Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statements of changes in net assets available for benefits for the year then ended September 30, 2025, and the related notes to the financial statements.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the financial statements referred to in the first paragraph present fairly, in all material respects, the net assets available for benefits of F.L. Crane & Sons, Inc. Employee Benefit Plan as of September 30, 2025 and 2024, and the changes in its net assets available for benefits and the changes in its accumulated plan benefits for the year then ended September 30, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Qualified Opinion

As discussed in Note 9 to the financial statements, the Plan is a self-funded health and welfare employee benefit plan and maintains a stop-loss insurance policy that provides reimbursement for certain catastrophic claims in excess of specified limits. Under Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") 965-30, self-funded health and welfare benefit plans are required to include in benefit obligations an estimate of claims incurred but not reported, measured based on the estimated ultimate cost to the Plan of settling such claims. Stop-loss insurance may limit the Plan's ultimate cost for claims to the extent risk has been transferred to the insurer, but it does not eliminate the requirement to estimate and recognize or disclose the Plan's IBNR claims obligation for amounts retained by the Plan.

Management has not calculated, recorded, or disclosed an estimate of IBNR claims as of September 30, 2025 and 2024. Accordingly, benefit obligations and changes in benefit obligations are not presented in accordance with accounting principles generally accepted in the United States of America. Because management has not determined the amount of the omitted IBNR claims obligation, it is not practicable for us to quantify the financial effects of this departure on the statement of net assets available for benefits as of September 30, 2025 and 2024 or on the statement of changes in net assets available for benefits for the year then ended.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the

design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about F.L. Crane & Sons, Inc. Employee Benefit Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of F.L. Crane & Sons, Inc. Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about F.L. Crane & Sons, Inc. Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the F.L. Crane & Sons, Inc. Employee Benefit Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides health and other benefits covering substantially all active employees of F.L. Crane & Sons, Inc. (the Sponsor). The Plan and related trust were established on September 15, 1999. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides health benefits (medical, hospital, surgical, major medical and dental) to full-time employees, working a minimum of 30 hours per week, of the Sponsor and to their covered dependents. The Plan also provides a continuation of health coverage under the Consolidated Omnibus Budget and Reconciliation Act (COBRA) to eligible employees and dependents upon loss of coverage under the Plan.

The Plan has an excess loss insurance contract with Sun Life Financial for claims in excess of $150,000 with an aggregating specific deductible of $30,000 for the year ended September 30, 2025. A portion of the monthly employer and employee contributions are used to fund this contract. Stop loss refunds totaling $886 and $0 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits as of September 30, 2025 and 2024, respectively.

Contributions

Contributions are made to the Plan by the Employer and Employees. The Employer's contributions are made as specified by the Plan's funding policy. An Employee's contribution is made as soon as practicable after the contribution has been received from the Employee or withheld from the Employee's pay. In the event of a plan deficit, the Sponsor intends to make sufficient contributions to fund benefits as they become payable.

Other

Health, dental, and disability claims of participants, dependents and beneficiaries are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by either Plan's trust or the general assets of the Company. Despite the Plan's utilization of third-party claims processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Payment of Benefits

Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processors. These payments are recorded as claims paid in the accompanying statement of changes in net assets available for benefits.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Applicable authoritative accounting guidance defines fair value as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE 3 - FAIR VALUE MEASUREMENTS – continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in methodologies used at September 30, 2025 and 2024.

The Plan did not have any investments measured at fair value on a recurring basis as of September 30, 2025.

NOTE 4 - BENEFIT OBLIGATIONS

Health benefits for participants and their beneficiaries and dependents are provided by the Plan. It is the present intention of the sponsor and the Plan to continue providing these benefits.

The Plan's benefit obligations at September 30, 2025 and 2024 are summarized as follows:

	2025	2024
Claims currently payable, excluding claims incurred but not reported	$29,879	$131,665

The Plan administrator has not quantified the amount of, or changes in, the Plan's benefit obligation related to claims incurred but not reported and, in the absence of an actuarial determination, these amounts and their effect on the financial statements are not reasonably determinable.

NOTE 5 – ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators and the trustee. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE 7 – RELATED PARTY TRANSACTIONS

As described in Note 1, the Plan utilizes arrangements with service providers. These transactions are party in interest transactions under ERISA. Administrative and other service provider fees are assessed in accordance with service agreements and are paid by the Plan. For the year ended, the Plan paid $291,271 of administration fees to various service providers. Transactions with parties in interest are permitted under ERISA provided that the transactions are for reasonable compensation for services necessary for the operation of the Plan; accordingly, the fees and transactions described above are considered exempt party-in-interest transactions. During the year ended September 30, 2025, the Plan did not identify any nonexempt transactions with parties in interest.

NOTE 8 - TAX STATUS

The trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)9 of the Internal Revenue Code and, accordingly, the Trust's net investment income is exempt from income taxes. The trust has obtained a favorable tax determination letter from the Internal Revenue Service.

The Plan has adopted guidance on accounting for uncertainty in income taxes issued by the Financial Accounting Standards Board. Management of the plan believes that the Plan has taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's open tax years for the prior three years are subject to examination by the Internal Revenue Service.

NOTE 9 – DEPARTURE FROM U.S. GAAP – CLAIMS INCURRED BUT NOT REPORTED

As described in Note 1, the Plan is self-funded and maintains excess-loss coverage for certain catastrophic claims. The excess-loss coverage may limit the Plan's ultimate obligation for claims to the extent risk has been transferred to the insurer; however, the Plan retains the obligation for claims that are not reimbursable under the excess-loss arrangement.

Accounting principles generally accepted in the United States of America require the Plan to include in benefit obligations an estimate of claims incurred but not reported as of September 30, 2025 and 2024. The Plan has not obtained or prepared an actuarial or other estimate of such claims and has not recorded an IBNR benefit obligation in the accompanying financial statements. Management has not determined the amount by which benefit obligations are understated and net assets available for benefits are overstated as of September 30, 2025 and 2024, or the effect on changes in net assets available for benefits for the years then ended.

NOTE 10 - SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through July 1, 2026, the date which the financial statements were available to be issued.
