Independent Auditor's Report

To the Plan Administrator
Smith & Loveless, Inc. Employee Heath Care Plan

Opinion

We have audited the accompanying financial statements of Smith & Loveless, Inc. Employee Health Care Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Smith & Loveless, Inc. Employee Health Care Plan as of September 30, 2025 and 2024, and the changes in its net assets available for benefits for the year ended September 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Smith & Loveless, Inc. Employee Health Care Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Smith & Loveless, Inc. Employee Health Care Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Smith & Loveless, Inc. Employee Health Care Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Smith & Loveless, Inc. Employee Health Care Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Smith & Loveless, Inc. Employee Health Care Plan

Notes to Financial Statements

September 30, 2025

1. Description of the Plan

The following brief description of the Smith & Loveless, Inc. Employee Health Care Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan provides medical and dental health benefits to substantially all bargaining unit and non-bargaining unit employees of Smith & Loveless, Inc. (the Company). Benefits provided for the bargaining unit employees are pursuant to a collective bargaining agreement between the Company and the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union Local No. 13-18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Medical and dental claims are self-insured. Medical and dental claims of participants are processed by a third-party benefit claims administrator.

Plan Contributions

The Plan provides health benefits for the following employees of the Company; 1) full-time employees who are not governed by a collective bargaining agreement and have completed 2 months of continuous employment, effective as of the first of the following month, and 2) full-time employees who are governed by a collective bargaining agreement who are scheduled to work at least 30 hours per week and who have completed a 320 hour probationary period. The agreements provide that the Company will pay a portion of the cost of dental coverage and a portion of the cost of medical coverage for eligible employees. Eligible non-bargaining unit employees who elect coverage contribute a percentage of their compensation from 2.00% to 4.70% plus additional specified amounts, determined periodically, to extend coverage to eligible dependents. The Company pays a portion of the cost of dental and medical coverage provided to the bargaining unit employees pursuant to the current collective bargaining agreement. Bargaining unit employees contribute a specific amount per paycheck as defined in the current collective bargaining agreement. Employees are eligible for dental coverage after completing sixty days of employment.

1. Description of the Plan (continued)

The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Stop-Loss Coverage

The Plan has entered into a stop-loss arrangement to limit exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims).

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of the benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than the exclusive benefit of the Plan's participants.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on accrual method of accounting.

Payment of Benefits

Claim payments are recorded when paid by the third-party claims processor.

Incurred But Not Reported Claims and Claims Payable

Plan liabilities for medical claims incurred but not reported are estimated based upon the weighted average of monthly claims and weighted average lag time for the claim to be processed and paid. Additional accruals are included for the estimated ultimate cost of future claims only if such claims are covered as of the Plan's fiscal year-end and the Plan is obligated to pay for the care regardless of continued participation in the Plan.

2. Summary of Significant Accounting Policies (continued)

Claims payable at the Plan's year-end are benefit claims that have been processed and approved for payment but not paid. The amount is estimated based on actual claims data.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Stop-Loss Insurance

Premiums for stop-loss insurance are included in the accompanying statement of changes in net assets available for benefits net of any rate adjustments throughout the year. Reimbursements under the stop loss contract are netted against claims payments in the financial statements. In certain circumstances, per the insurance contract, the insurance company will assume the claims management process for catastrophic claims. When this occurs, the insurance company deals directly with the healthcare providers and pays the adjudicated claims directly. Such amounts are not included in the financial statements because the Plan does not pay the claims initially and thus does not receive a stop-loss recovery.

During the year ended September 30, 2025, reimbursements under the stop-loss policy amounted to $109,275. The total reimbursement for the year ended September 30, 2025 includes a receivable from the stop-loss insurance company of $34,718 related to claims incurred and processed during the plan year. There are no reserves against the receivable as of September 30, 2025.

Expenses

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators and other service providers. These expenses are reported on the statement of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan and are not included in the financial statements.

2. Summary of Significant Accounting Policies (continued)

Risk and Uncertainties

The present value of benefit obligations is reported based on certain assumptions pertaining to interest rates, health care inflation rates, and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Change in Presentation

Effective for the year ended September 30, 2025, the Plan changed the presentation of benefit obligations to better align with industry standards. Historically, the benefit obligations were presented in a separate financial statement. The Plan has elected to streamline the presentation and present the required information in the footnotes, as permitted by professional standards. The information is presented in Note 4. This presentation change had no effect on the amounts or nature of benefit obligations.

3. Income Tax Status

The Plan is required to operate in conformity with the Internal Revenue Code (IRC) to maintain the tax-exempt status of the Plan. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position more likely than not, would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2025, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

4. Benefit Obligations

The Plan's benefit obligations at September 30, 2025 and 2024 relate to claims incurred but not reported, and claims presented for payment but not yet paid as of September 30, 2025 and 2024. Obligations for claims payable and for claims incurred but not reported are calculated using a historical report of claims paid in one period that relate to prior periods. Benefit obligations, including claims payable and claims incurred but not reported will be funded with future contributions.

The benefit obligations as of September 30, 2025 and 2024, are as follows:

	2025	2024
Benefit Obligations		
Claims payable	$ 49,370	$ 37,922
Claims incurred but not reported	128,249	39,464
Total Benefit Obligations	$ 177,619	$ 77,386

The following table presents the changes in benefit obligations for the year ended September 30, 2025.

	Benefit Obligations
Beginning balance, September 30, 2024:	
Claims payable and IBNR	$ 77,386
Claims incurred	995,216
Claims paid during the year, net of stop-loss reimbursements	(894,983)
Ending balance, September 30, 2025	$ 177,619

5. Related Party Transactions

As noted in Notes 1 and 2, the Plan has a number of service providers. Such parties are parties-in-interest under ERISA.

6. Subsequent Events

Management has evaluated all subsequent events through July 2, 2026, which represents the date the financial statements were available to be issued.
