INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
i3 Technology Group, LLC 401k Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of i3 Technology Group, LLC 401k Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- The amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the 2024 Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2024 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 and the Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements

themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on 2023 Financial Statements

The financial statements of the Plan as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated August 26, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedules, other than the information in the 2023 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

i3 TECHNOLOGY GROUP, LLC 401k PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following brief description of i3 Technology Group, LLC 401k Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to eligible employees of i3 Technology Group, LLC (the Company) including participating employees of i3 Technology Management Group, LLC, SureScan Corporaton and i3 Assembly, LLC who meet certain eligibility requirements.

NBT Bank, N.A. (NBT) is the custodian of the Plan's assets. Certain investments are held in custody by Charles Schwab under a sub custodial arrangement with NBT Bank. NBT Bank has certified the completeness and accuracy of the investment information presented. EPIC Retirement Plan Services (EPIC) is the recordkeeper of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

An employee is eligible to participate in the Plan upon completing one month of service and attaining the age of eighteen. Employees are also eligible for Company's contributions after one year of service with a minimum of 1,000 hours during the plan year, and after attaining the age of eighteen.

The following employees are not eligible to participate in the Plan:

- Collectively bargained employees
- Non-resident aliens who receive no compensation from the employer which constitutes U.S. source income
- Part-time/Temporary/Seasonal Staff. (Part-time, temporary or seasonal staff is staff whose regularly scheduled Service is less than 1,000 Hours of Service in the relevant eligibility computation period.)

Contributions

Active participants may make voluntary contributions in the form of salary reductions and any applicable rollovers from other qualified plans, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Eligible participants, who attain the age of 50 before the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the Code. Participants are also permitted to make after-tax Roth contributions to the Plan.

The Company contributes a 100% match of the participant's contributions up to 3% of the participant's compensation for all eligible participants, plus 50% of the participant's contributions up to the next 2% of the participant's compensation, for a maximum total of 4% employer match.

The Company may also elect to make discretionary non-elective contributions on an annual basis, based on a participant group allocation formula. All active participants are eligible for discretionary non-elective contributions. The Company will allocate discretionary contribution amounts based on years of service and projected retirement age to eligible participants. The Company did not make any discretionary non-elective contributions for the year ended December 31, 2024 and 2023.

1. DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions and Plan earnings/losses on all contributions. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations of earnings/losses and administrative expenses are based on participant account balances, according to specific terms provided by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account balance.

Funding Vehicles

Plan contributions are invested in one or more of the funding vehicles offered to participants by the Plan.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor employer matching contributions plus actual earnings/losses thereon. Vesting in the Company's discretionary contributions plus earnings/losses thereon are subject to a five-year graded vesting schedule. Participants are 20% vested after a year of service. Vesting increases in increments of 20% for each additional year of service thereafter until 100% vesting occurs after five years.

Notes Receivable from Participant

Participants may borrow an amount up to the lesser of 50% of the amount of their vested balance or \$50,000. The loan amount cannot exceed the maximum amount imposed by the Internal Revenue Code (IRC). A participant may borrow a minimum of \$1,000. Loans are repayable over not more than five years, except in the case of a loan for the purchase of a primary residence. All loans bear interest at prime rate at date of loan request and are required to be adequately secured by the participant's vested balance.

Payment of Benefits

Participants are eligible for retirement benefits upon reaching age 65. Upon termination of service due to death, disability, retirement, or other means of termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or rolled over to an individual retirement account. Participants who have reached age 59½ may take in-service distributions.

Participants with account balances under \$1,000 have a mandatory distribution upon severance from employment.

Participants may also, in certain instances, make withdrawals to meet the need of a hardship, as defined by IRC. All hardship withdrawals must satisfy the safe harbor rules of the Plan, which are uniformly applicable to all participants.

Forfeited Accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined in the Plan, represents a forfeiture. Forfeitures are utilized to reduce the Company's matching contribution or to pay administrative expenses. There were no forfeited non-vested accounts at December 31, 2024 and 2023.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

All investments are participant directed.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amount reported in the financial statements.

Fair Value Measurement

Accounting Standards Codification (ASC) Section 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value.

Registered investment companies - Valued at the fair market value of shares held by the Plan at the daily closing price reported by the funds.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement (Continued)

Common/Collective Trusts – Valued based on the fair value using the net asset value (NAV) practical expedient as determined by the issuer based on the current fair values of the underlying assets of the fund.

There were no changes in the valuation methodologies used in 2024 and 2023.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participant

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document. There were no delinquent notes receivable from participants at December 31, 2024 or 2023.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Expenses incurred in connection with the purchase or sale of securities are charged against the investment funds whose assets are involved in such transactions. Certain administrative costs of the Plan are paid by the Company. All other expenses relating to participant transactions are deducted from those participant accounts as transactions occur.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by NBT and is included in the accompanying financial statements and schedule:

	<u>2024</u>	<u>2023</u>
Cash	\$ <u>9,969</u>	\$ <u>-</u>
Investments	\$ <u>18,211,290</u>	\$ <u>12,921,610</u>
Interest and dividend income	\$ <u>752,100</u>	\$ <u>478,293</u>
Net appreciation in fair value of investments	\$ <u>1,161,931</u>	\$ <u>1,426,185</u>
Schedule of Assets (Held at End of Year)	Schedule I	

4. FAIR VALUE MEASUREMENTS

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$16,632,393</u>	<u> -</u>	<u> -</u>	<u>\$16,632,393</u>
Common/Collective trust funds measured at NAV as a practical expedient (1)				<u>1,578,897</u>
				<u>\$ 18,211,290</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$11,297,819</u>	<u> -</u>	<u> -</u>	<u>\$11,297,819</u>
Common/Collective trust funds measured at NAV as a practical expedient (1)				<u>1,623,791</u>
				<u>\$ 12,921,610</u>

- (1) The NAV-based assets are generally redeemable on a daily basis, with one day notice and no restrictions. The common/collective trust funds seek to preserve capital while generating interest income under prevailing market conditions, with an emphasis on maintaining liquidity via fixed-income portfolios backed by negotiated wrap contracts, aiming for stable returns close to short-term Treasury benchmarks. There are no unfunded commitments.

In accordance with ASC 820, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

5. TAX STATUS AND COMPLIANCE MATTERS

The Plan has adopted a pre-approved plan document that has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the pre-approved plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved plan document, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified.

The Plan received correspondence from the U.S. Department of Labor dated March 23, 2026 indicating that the Plan's Form 5500 for the year ended December 31, 2024 may not have been filed in accordance with the applicable regulatory deadline. The correspondence did not require a response from the Plan at that time. The Plan Sponsor intends to participate in the Department of Labor's Delinquent Filer Voluntary Compliance Program (DFVCP) to address the late filing of the 2024 Form 5500 and pay the applicable penalties on behalf of the Plan. Plan management does not expect this regulatory filing matter to impact the amounts presented in the accompanying financial statements.

6. PARTY-IN-INTEREST TRANSACTIONS

Transactions between NBT, Charles Schwab, EPIC and the Plan qualify as party-in-interest transactions. Additionally, notes receivable from participants are party-in-interest transactions.

7. TRANSFER OF ASSETS TO PLAN

In April 2024, SureScan Corporation purchased Photo Diagnostics Systems, Inc. which had an existing 401k Plan with Insperity Holdings, Inc. In connection with this transaction, certain participants in the Insperity 401k Plan became eligible to participate in the Plan. During the year ended December 31, 2024, certain assets attributable to these participants were transferred from the Insperity 401k Plan. The total amount transferred as of the transfer date was \$3,508,158. The transfer was executed in accordance with applicable provisions of the Internal Revenue Code and the Employee Retirement Income Security Act of 1974 (ERISA).

8. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their accounts.

9. RECONCILIATION TO FORM 5500

Certain items have been classified differently between the financial statements and Form 5500. Net assets available for benefits and changes in net assets available for benefits per the financial statements agree to Form 5500 in total as of and for the years ended December 31, 2024 and 2023.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 8, 2026, which is the date the financial statements were available to be issued.

Effective May 19, 2025, the Plan was amended to include partial lump-sum as an available form of distribution.
