INDEPENDENT AUDITORS' REPORT

To The Administrative Committee
Jewish Federation of Southern New Jersey 401(k) Plan
Cherry Hill, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit on the September 30, 2025 Financial Statements

We have audited the accompanying financial statements of Jewish Federation of Southern New Jersey 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statement comprise the statement of net assets available for benefits as of September 30, 2025, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Jewish Federation of Southern New Jersey 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from Lincoln Financial Group Trust Company, Inc. as of September 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the September 30, 2025 Financial Statements section:

- the amounts and disclosures in the September 30, 2025 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the September 30, 2025 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the September 30, 2025 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the September 30, 2025 Financial Statements section of our report. We are required to be independent of Jewish Federation of Southern New Jersey 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the September 30, 2025 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Federation of Southern New Jersey 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the September 30, 2025 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the September 30, 2025 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jewish Federation of Southern New Jersey 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jewish Federation of Southern New Jersey 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of September 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the September 30, 2024 Financial Statements

The financial statements of Jewish Federation of Southern New Jersey 401(k) Plan Employee Benefit Plan as of September 30, 2024, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated July 11, 2025 indicated that in their opinion (a) the amounts and disclosures in the September 30, 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the September 30, 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the September 30, 2024 supplemental schedules, other than the information in the September 30, 2024 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the September 30, 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JEWISH FEDERATION OF SOUTHERN NEW JERSEY 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025 AND 2024

Note 1 - Description of Plan

The following description of the Jewish Federation of Southern New Jersey 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on October 1, 2007, is a defined contribution plan covering all eligible full-time employees of the Jewish Federation of Southern New Jersey and affiliated companies (collectively, the "Sponsor") who have one year of service, are age 21 or older, and have a minimum of 1,000 hours of services during the plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Trustees. Lincoln Financial Group Trust Company, Inc. is the custodian and the recordkeeper of the Plan.

The Plan was frozen effective June 27, 2019. At this date, no more participants were allowed to enter the Plan, and no additional contributions could be made.

Contributions

Each year, participants could elect to defer a portion of their compensation up to the maximum allowable amount.

Participant Accounts

Each participant's account was credited with allocations of Plan earnings and charged with an allocation of administrative expenses. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account. All accounts are self-directed by the participants.

Note 1 - Description of Plan (cont'd.)

Vesting

Participants were immediately vested in their contributions plus actual earnings thereon. Participants in the Plan will earn a vested interest in Sponsor contributions in accordance with the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

Vesting will be accelerated, and participants will be 100% vested in matching contributions in the case of reaching age 65, death or total and permanent disability. In the event of termination or partial termination of the Plan, each participant shall be fully vested in the Sponsor's matching contribution portion of their accounts.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or an annuity.

Forfeitures

At September 30, 2025 and 2024, forfeited non-vested accounts totaled \$34,731 and \$31,570, respectively. Forfeitures could be used by the Plan to pay Plan expenses. In 2025, no expenses were paid with forfeited amounts.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants bear interest at 2% above the prime rate. Interest income is recorded on the accrual basis. Delinquent notes receivable from participants are reclassified as distributions once the participant is no longer employed by the Sponsor. Interest rates on loans outstanding at September 30, 2025 ranged from 5.25% to 10.25%.

Payment of Benefits

Benefits are recorded when paid.

Deemed Distributions

For participant loans in which the participant has a distributable event, such as employment termination, death, or disability, the loan is considered a deemed distribution. The participant loan is removed from the statement of net assets available for benefits, and a distribution is recorded. For active participants who have not incurred a distributable event, but have delinquent loans, the participant loan remains outstanding until a distributable event occurs. For the year ended December 31, 2025, there were deemed distributions amounting to \$28,525.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment-related expenses are included in net appreciation in fair value of investments.

Note 3 - Investments, Notes Receivable And Certification

The following information, including investments and notes receivable from participants at September 30, 2025 and 2024, and investment income and interest income on notes receivable from participants for the year ended September 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Lincoln Financial Group Trust Company, Inc. Note 4 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at September 30, 2025 and 2024.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market funds: Valued at net asset value, which approximates fair value.

Stable value collective trust fund: Valued at the NAV of units of the bank collective trust and composed primarily of fully benefit-responsive investment contracts. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

SEPTEMBER 30, 2025 AND 2024

Note 4 - Fair Value Measurement (cont'd.)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at September 30, 2025 and 2024. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For the year ended September 30, 2025, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,640,152	\$ -	\$ -	\$ 7,640,152
Money market fund	34,738	-	-	34,738
	<u>\$ 7,674,890</u>	<u>\$ -</u>	<u>\$ -</u>	<u>7,674,890</u>
Stable value collective trust fund (a)				<u>66,426</u>
Total investments at fair value				<u>\$ 7,741,316</u>

2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,708,670	\$ -	\$ -	\$ 7,708,670
Money market fund	31,576	-	-	31,576
	<u>\$ 7,740,246</u>	<u>\$ -</u>	<u>\$ -</u>	<u>7,740,246</u>
Stable value collective trust fund (a)				<u>70,976</u>
Total investments at fair value				<u>\$ 7,811,222</u>

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025 AND 2024

Note 4 - Fair Value Measurement (cont'd.)

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of September 30, 2025 and 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>September 30, 2025</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 66,426	None	Monthly	12 months
<u>September 30, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Stable value collective trust fund	\$ 70,976	None	Monthly	12 months

Note 5 - Related Party Transactions and Party-In-Interest Transactions

The Plan invests in shares of mutual funds managed by Lincoln, the custodian for those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 7 - Tax Status

The Plan had adopted a volume submitter profit sharing plan as provided by the Plan's third-party administrator. The volume submitter profit sharing plan obtained a determination letter dated June 30, 2020 in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code. Therefore, the Sponsor believes that the Plan is qualified and the related trust is tax - exempt.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2025 AND 2024

Note 7 - Tax Status (cont'd.)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan. The Plan administrator has reviewed and evaluated its tax positions taken in its previously filed annual reports and returns with the Internal Revenue Service and/or the or Department of Labor, and those expected to be filed in the future, and has concluded that in the event of an examination by regulatory authorities, the Plan's positions would prevail based upon the technical merit of such positions. Therefore, the Plan has concluded that no further benefits or liabilities are required to be recognized or disclosed in the financial statements.

The Plan is generally subject to routine audits by the Internal Revenue Service and/or the Department of Labor; however, there are currently no audits for any periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after September 30, 2025 through July 7, 2026, which is the date that these financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure.
