INDEPENDENT AUDITOR'S REPORT

To the Participants and Beneficiaries  
Accelerate Diagnostics, Inc. 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Accelerate Diagnostics, Inc. 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 9, 2025 (in liquidation) and December 31, 2024, and the related statements of changes in net assets available for benefits for the period from January 1, 2025 to May 8, 2025, the period from May 9, 2025 to December 9, 2025 (in liquidation), and the year ended December 31, 2024 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Accelerate Diagnostics, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 9, 2025 and December 31, 2024, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Accelerate Diagnostics, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## INDEPENDENT AUDITOR'S REPORT, Continued

### **Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting**

As further discussed in Note 3 to the financial statements, Trustees of the Plan approved a plan of liquidation on May 8, 2025, and management determined liquidation is imminent. As a result, the Accelerate Diagnostics, Inc. 401(k) Plan changed its basis of accounting from the accrual basis used in presenting the 2024 financial statements and for the period from January 1, 2025 to May 8, 2025 to the liquidation basis of accounting used in presenting the financial statements as of December 9, 2025 and for the period from May 9, 2025 to December 9, 2025. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Accelerate Diagnostics, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

## INDEPENDENT AUDITOR'S REPORT, Continued

### **Auditor's Responsibilities for the Audits of the Financial Statements, Continued**

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ACCELERATE DIAGNOSTICS, INC. 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS

For the period from January 1, 2025 to December 9, 2025  
and the year ended 2024

#### 1. Description of Plan

The following description of the Accelerate Diagnostics, Inc. 401(k) Plan (Plan), sponsored by Accelerate Diagnostics, Inc. (Company), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

##### General

The Plan is a deferred arrangement that is part of an employee savings plan covering all employees of the Company who are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### Contributions

Each year, participants may contribute pretax annual compensation as defined in the plan agreement. Participants may also make Roth contributions to the Plan. In addition, participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company does not make matching contributions, and additional profit-sharing contributions may be contributed at the option of the Company's board of directors. During the period from January 1, 2025 to December 9, 2025 and the year ended December 31, 2024, the Company made no employer contributions. Contributions are subject to certain limitations imposed by the Internal Revenue Service (IRS).

##### Participant Accounts

Each participant's account is credited with the participant's contribution, Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

##### Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. A participant is 100% vested after three years of service.

##### Notes Receivable from Participants

Participants may borrow from their fund accounts, a minimum of \$500 up to a maximum of \$50,000 or one-half of their vested account balance, whichever is less. Loan maturities may not exceed 5 years unless the loan proceeds are applied toward the purchase of a primary residence. In that case, the term of the loan may be for the term of the mortgage. The notes receivable from participants are secured by the balance in the participant's account and bear a reasonable rate of interest, which is determined at the time the loan is made. Interest rates range from 4.25% to 9.50%.

##### Administrative Expenses

The Plan allows certain administrative expenses to be paid from Plan assets. Administrative expenses for the period from January 1, 2025 to December 9, 2025 and the year ended December 31, 2024 are comprised of investment management fees in the amount of \$27,228 and \$34,369, respectively, and recordkeeping fees in the amount of \$15,589 and \$9,373, respectively.

##### Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of years not exceeding the participant's normal life expectancy or the normal joint life expectancy of the participant and designated beneficiary.

See independent auditor's report.

NOTES TO FINANCIAL STATEMENTS

For the period from January 1, 2025 to December 9, 2025  
and the year ended 2024

1. Description of Plan, Continued

Forfeitures

Forfeitures occur when a participant receives a cash-out distribution of their account balance upon termination, and they are not fully vested. Forfeited amounts are reallocated to the remaining Plan participants and/or used to pay administrative expenses in accordance with provisions of the Plan document. Forfeitures in the amount of \$4 and \$-0- were distributed for the period from January 1, 2025 to December 9, 2025 and the year ended December 31, 2024, respectively. At December 9, 2025 and 2024, forfeited non-vested accounts totaled \$-0- and \$4, respectively.

SECURE 2.0

On December 23, 2022, Congress passed the Consolidated Appropriations Act of 2023, which included SECURE Act 2.0. SECURE Act 2.0 contains over 90 new retirement provisions, with varying effective dates through 2027. Since SECURE Act 2.0 provisions include both required and optional elements, the plan administrator will determine the optional provision to elect and amend the Plan document accordingly. Most of the significant provisions will become effective in 2024 and thereafter. Management has determined that there is no material impact to the Plan's 2025 financial statements.

2. Summary of Accounting Policies

Basis of Accounting

The Company filed for protection under Chapter 11 of the Bankruptcy Code on May 8, 2025. The Trustees of the Plan approved a plan of liquidation on May 8, 2025 and commenced liquidation of the Plan shortly thereafter. As a result, the Plan changed its basis of accounting for the period from May 9, 2025 to December 9, 2025 (the date the plan was terminated) to the liquidation basis. Prior to the plan of liquidation, the financial statements are prepared on the accrual basis of accounting.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net change includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

See independent auditor's report.

NOTES TO FINANCIAL STATEMENTS

and the year ended 2024

2. Summary of Accounting Policies, Continued

Payment of Benefits

Benefits are recorded when paid.

3. Plan Termination

The Company filed for protection under Chapter 11 of the Bankruptcy Code on May 8, 2025. On August 1, 2025, management made the decision to close the Company, and all employees were terminated. The Plan was terminated effective October 10, 2025. As of December 9, 2025, all assets have been distributed from the plan.

4. Income Tax Status

The IRS has determined and informed the Company, by a letter dated July 8, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been restated since receiving the determination letter. The IRS has issued a letter dated November 14, 2022 that the Plan, as amended, is designed in accordance with the applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As of December 9, 2025, management is not aware of any uncertain tax positions that are potentially material. The Plan is subject to routine audits by taxing jurisdictions. However, there are currently no audits in progress for any tax periods.

5. Fair Value Measurements

The Financial Accounting Standards Board has established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

See independent auditor's report.

### 5. Fair Value Measurements, Continued

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 9, 2025 and December 31, 2024.

*Mutual Funds*: valued at the net asset value of shares held by the Plan.

*Guaranteed investment contracts (fully benefit-responsive)*: valued at contract value, which represents contributions made under contract, plus earnings, less participant withdrawals and administrative expenses.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There are no investment assets in the Plan as of December 9, 2025.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024:

|                                                                           | Level 1      | Level 2 | Level 3 | Total                |
|---------------------------------------------------------------------------|--------------|---------|---------|----------------------|
| Mutual funds                                                              | \$ 9,066,202 | \$ -    | \$ -    | \$ 9,066,202         |
| Total investments                                                         | \$ 9,066,202 | \$ -    | \$ -    | 9,066,202            |
| Investments measured at net asset value - guaranteed investment contracts |              |         |         | 986,179              |
|                                                                           |              |         |         | <u>\$ 10,052,381</u> |

Certain investments that are measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table above are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

### 6. Fair Value of Investments that use Net Asset Value Practical Expedient

There are no investments in the Plan as of December 9, 2025.

The following table summarizes investments measured at fair value based on net asset value per share as of December 31, 2024:

| Investment                      | Fair Value | Unfunded Commitments | Redemption Frequency (if currently eligible) | Redemption Notice Period |
|---------------------------------|------------|----------------------|----------------------------------------------|--------------------------|
| Guaranteed investment contracts | \$ 986,179 | N/A                  | Daily                                        | 12 months                |
