SUBJECT: For the Year Ended December 31, 2025

Auditing standards generally accepted in the United States of America (AU-C 260, The Auditor's Communication with Those Charged with Governance) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Our Responsibilities With Regard to the Financial Statement Audit

Our responsibilities under auditing standards generally accepted in the United States of America have been described to you in our arrangement letter dated March 3, 2026.

Overview of the Planned Scope and Timing of the Financial Statement Audit

We have issued a separate communication regarding the planned scope and timing of our audit and have discussed with you our identification of and planned audit response to significant risks of material misstatement.

Accounting Policies and Practices

Preferability of Accounting Policies and Practices

Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.

Adoption of, or Change in, Accounting Policies

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies nor have there been any changes in existing significant accounting policies during the current period.

Financial Statement Disclosures

Management is responsible for determining the appropriate financial statement disclosures in accordance with the applicable financial reporting framework. In our view, management has selected the proper disclosures.

Significant or Unusual Transactions

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Management's Judgments and Accounting Estimates

Management is responsible for estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Assets were measured at fair value in accordance with the Fair Value Measurements and Disclosures Topic of the FASB ASC. Valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

Basis of Accounting

The financial statements were prepared on the assumption that the Plan will continue as a going concern.

Audit Adjustments

There were no audit adjustments made to the original trial balance presented to us to begin our audit.

Uncorrected Misstatements

We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Other information in Documents Containing Audited Financial Statements

As part of our audit, we are required to read the draft Form 5500, including the sections that do not accompany the audited financial statements, to determine whether the other information contained in the filing is materially inconsistent with the audited financial statements or otherwise appears to contain a material misstatement of fact. Our procedures include reading the Form 5500, comparing selected information to the audited financial statements, and discussing any identified differences with management.

If we identify information in the Form 5500 that appears inconsistent with the audited financial statements or that we believe contains a material misstatement of fact, we are required to communicate those matters to management and to those charged with governance and to evaluate whether any revisions to the financial statements or our auditor's report are necessary.

Based on the procedures performed, we did not note any material inconsistencies or material misstatements of fact in the draft Form 5500.

Disagreements with Management

We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultations with Other Accountants

We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed with Management

No significant issues arising from the audit were discussed with or the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit

We did not encounter any significant difficulties in dealing with management during the audit.

Certain Written Communications between Management and Our Firm

Copies of certain written communications between our Firm and the management of the Plan, including the representation letter provided to us by management, are attached to this letter.

This information is intended solely for the use of the Board of Directors, Trustees, Plan Administrator, and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.
