Independent Auditors' Report

The Plan Administrator Eagle Mountain Casino 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements

We have performed an audit of the financial statements of Eagle Mountain Casino 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Qualified Opinion on the 2023 Financial Statements

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion on the 2023 Financial Statements section of our report, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section:

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Qualified Opinion on the 2023 Financial Statements

The Plan did not maintain sufficient accounting records and supporting documentation necessary for us to perform certain required compliance and participant-level audit procedures. Specifically, documentation supporting certain participant account balances and transactions was not available, and we were unable to reconcile participant census information maintained by the Plan Sponsor to the records provided by the third-party administrator. In addition, because we were not provided with the necessary supporting documentation, we were unable to perform required compliance testing over contributions, distributions, participant eligibility, and investment allocation. Without this information, key audit procedures could not be completed as planned. As a result, we were unable to obtain sufficient appropriate audit evidence to determine whether adjustments to participant data, account balances, or related financial statement amounts might have been necessary.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contribution for the year ended December 31, 2023 and the schedule of assets (held at end of year) as of December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion on the 2023 Financial Statements section:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

Predecessor auditors performed an audit of the 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated December 12, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the Eagle Mountain Casino 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing plan covering all employees of the Eagle Mountain Casino (the "Casino" or the "Plan Sponsor"). The Casino is owned and operated by the Tule River Indian Tribe, a federally recognized Indian tribal government. Employees are eligible to participate in the Plan once they have attained age 18 and completed three months of service. Participants may begin making deferrals into the Plan on the first day of each calendar month following eligibility. Non-resident aliens and leased employees are excluded from the Plan. The Plan is operated in reasonable and good faith compliance with the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as required for tribal employers pursuant to Section 906 of the Pension Protection Act, Internal Revenue Service ("IRS") Notice 2006-89 and IRS Notice 2007-67.

On October 13, 2023, the Plan changed its custodian from John Hancock Life Insurance Company ("John Hancock") to Mid Atlantic Trust Company ("MATC"). Consequently, the Plan assets were transferred from John Hancock to MATC on the same date. On October 13, 2023, the Plan also changed its recordkeeper from John Hancock to Mutual of America Financial Group (MOA) and transferred its payroll processing function from Paycom Software Inc. (Paycom) to Ultimate Kronos Group (UKG).

Contributions

Each year, participants may defer a percentage of their compensation up to the maximum percentage allowable not to exceed the limits of Code Section 401(k), in the form of pretax elective deferrals and/or after-tax Roth contributions. Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor provided a safe-harbor contribution in an amount equal to 100% of the participant's elective contribution up to the first 4% of the participant's compensation for the year ended December 31, 2023. For the year ended December 31, 2023, the Plan Sponsor elected not to make a discretionary non-elective contribution to participants.

Participant Accounts

All of the Plan's assets are invested, as directed by the participant, in pooled funds. Each participant's account is credited with their salary deferral contribution, the Casino's contribution, and the allocation of plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled to the vested benefit that can be provided from the participant's account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions, safe harbor contributions and related earnings at all times. For discretionary non-elective contributions, participants vest in ratable installments of 20% after the first year of service up to five years. Participants are fully vested after six years of service.

Forfeitures

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures can be used to pay Plan expenses or to offset the employer contributions.

The Plan's forfeiture account had no activity during the year ended December 31, 2023, and the ending balance as of December 31, 2023, remained unchanged from the beginning balance, totaling \$10,124.

Payment of Benefits

The Plan provides for the payment of benefits to the participant (or, if applicable, the beneficiary) at retirement, death, disability, financial hardship, or termination of employment. In-service distributions of a participant's rollover funds are available at any time. In-service distributions of all vested holdings are also available, provided the participant is at least age 59 ½. The normal form of payment is a lump sum cash payment. If a terminated participant's vested balance is less than or equal to \$5,000, the amount may be automatically distributed in the form of a lump sum cash payment or rolled over to an individual retirement account. In addition, the Plan allows for hardship distributions if certain criteria are met. Participants must begin receiving benefits by the year following attainment of age 72 (participants can defer distribution if actively employed).

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of fifty percent (50%) of their vested interest or \$50,000, whichever is less. Loans bear a fixed rate of interest determined on the date of the advance by the plan administrator. The loans are secured by the participant's vested account and must be repaid over a term not to exceed 5 years. Principal and interest are paid ratably through payroll deductions. The interest that participants pay on their loans will be directly credited to their accounts. In the event of default, the unpaid loan principal will be offset against the participant's vested account balance.

Participant Investment Options

Participants are allowed to invest in a variety of investment choices, as more fully described in the Plan's literature.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Trustees determine the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes to participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded when received and credited to the participants' accounts. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2023, no allowance for credit losses has been recorded. The Plan has notes receivable from participants outstanding at December 31, 2023 with a 6% interest rate per annum.

Payment of Benefits

The Plan recognized benefit payments in the period the benefits are actually paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation (depreciation) of fair value of investments.

NOTE 3 FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan's asset information as of December 31, 2023, and for the year then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedules were obtained by management and agreed to or derived from information certified by MATC, the custodian of the Plan (see Note 1). The Plan Administrator has obtained certification from MATC that information provided to the Plan Administrator by MATC related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments and notes receivable from participants, as reflected in the Statement of Net Assets Available for Benefits, as of December 31, 2023;
- Investment activity, as reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023;
- Investment information disclosed on Note 4 to the Plan's financial statements; and,
- Investments and notes receivable from participants as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023.

NOTE 4 FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (FASB), Accounting Standards Codification ASC 820 *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023.

Mutual funds – These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

Investment Category	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,432,508	\$ -	\$ -	\$ 10,432,508

NOTE 5 RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by MOA and John Hancock including recordkeeping functions of the Plan. These transactions qualify as party-in-interest transactions that are exempt under ERISA. Fees paid by the Plan related to Plan operations and investment activities to service providers for the year ended December 31, 2023.

NOTE 6 INCOME TAX STATUS

Effective January 1, 2016, the Plan Sponsor adopted a prototype non-standardized profit-sharing plan with a cash or deferral arrangement that received a favorable opinion letter from the IRS on March 31, 2014. The Plan Sponsor and Administrator believe that the Plan, as amended, is qualified pursuant to the various requirements of the Internal Revenue Code and have indicated that they will take whatever action is required, if any, to maintain the Plan as a qualified plan. Accordingly, they believe that the Plan is a qualified plan and its related trust is exempt from current income taxes.

U.S. GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. Plan management has determined that no such disclosure is required. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and as required for tribal employers, the Plan Sponsor's reasonable and good faith compliance with Section 906 of the Pension Protection Act of 2006.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 9 NON-EXEMPT TRANSACTIONS

During 2023, the Plan Sponsor inadvertently failed to deposit to MATC certain participant contributions and loan payments within the timeframe required by the DOL. The corrective employee deferral of \$679,638 and loan payments of \$8,171 were remitted to the Plan in 2024.

NOTE 10 NEW LAWS AND REGULATIONS

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans.

For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plan years beginning after December 31, 2024.

The IRS issued proposed regulations in February 2023 addressing the use and timing of forfeitures in qualified retirement plans. These regulations apply to plan years beginning on or after January 1, 2024. The regulation states that forfeitures must be used no later than 12 months after the end of the plan year in which the forfeitures were incurred. However, the transition rule also provides that any forfeitures that were incurred in any plan year beginning before 2024 are treated as having been incurred in the first plan year that begins on or after January 1, 2024, and, thus, must be used no later than December 31, 2025, for a calendar year plan.

For plan years beginning in 2026, catch-up contributions for participants age 50 or older earning more than \$145,000 annually will be required to be made on a Roth (after-tax) basis. Management is monitoring regulatory guidance and evaluating administrative updates required to comply with this provision.

The Plan will implement the above legislative changes and intends to formally execute the required plan amendments reflecting their implementation by the deadline of December 31, 2026.

NOTE 11 SUBSEQUENT EVENTS

The Plan has evaluated events subsequent to December 31, 2023 through June 5, 2026, the date the financial statements were available to be issued. Based upon this evaluation, it was determined that no subsequent events occurred that required recognition or additional disclosure in these financial statements other than the matter described below:

In July 2024, the Plan transitioned from UKG back to Paycom. This change was initiated to enhance the efficiency of the payroll processing function.
