REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Benefits Administration Committee and Participants
Morgan, Lewis & Bockius LLP Defined Contribution Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Morgan, Lewis & Bockius LLP Defined Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2025 and 2024, and for the year ended September 30, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Morgan, Lewis & Bockius LLP Defined Contribution Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Morgan, Lewis & Bockius LLP Defined Contribution Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2025 and 2024, and for the year ended September 30, 2025, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Morgan, Lewis & Bockius LLP Defined Contribution Plan

NOTES TO FINANCIAL STATEMENTS

September 30, 2025 and 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the Morgan, Lewis & Bockius LLP Defined Contribution Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a non-contributory defined contribution plan originally established on October 1, 1994, in conjunction with the Morgan, Lewis & Bockius LLP Defined Contribution Plans B and C, to cover non-associate staff employees, partners and the Executive Director of Morgan, Lewis & Bockius LLP (the "Firm") who have one year of credited service and are age 21 or older. Effective September 30, 2012, the Morgan, Lewis & Bockius LLP Defined Contribution Plans B and C ("Merged Plans") were merged into the Morgan, Lewis & Bockius LLP Defined Contribution Plan A, this Plan, which was then renamed to the Morgan, Lewis & Bockius LLP Defined Contribution Plan. Only partners and non-associate staff employees are eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

Effective October 1, 2011, the Firm's contribution is as follows: (1) annual contributions on behalf of each partner are in the amount of \$20,000 or the maximum annual addition permitted under section 415(c) of the Internal Revenue Code ("IRC") less the limit under section 402(g) of the IRC for the plan year, which contribution formula is based on that partner's earned income; (2) for each participant who is not a partner, the Firm contributes the greater of 7.5% of annual compensation or \$1,000; and (3) for each participant who becomes a new income partner or lateral partner on or after October 1, 2012, the Firm contributes the lesser of \$10,000 or 7.5% of annual compensation.

Participant Accounts

Participants direct the investment of the Firm's contributions into any of the various investment funds available under the Plan. These funds are all held within the Morgan, Lewis & Bockius LLP Defined Contribution Plan Master Trust (the "Master Trust") (Note D). Each participant's account is credited with allocations of: (1) the Firm's contribution, as applicable under the Plan; and (2) investment earnings, and charged with (a) withdrawals and (b) an allocation of investment losses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Firm contributions are 100% vested after three years of service. A year of service for vesting purposes is a plan year in which a participant is credited with at least 1,000 hours of service.

Participants become fully vested in their accounts upon attainment of age 65, death or total disability while employed by the Firm, regardless of their credited years of service. If a participant terminates employment or withdraws from the Firm prior to full vesting, the non-vested portion of the participant's account will be forfeited as of the date of termination or withdrawal. Forfeitures existing at year end are applied to reduce the employer contribution attributable to that plan year. At September 30, 2025 and 2024, forfeited non-vested accounts totaled \$1,369,894 and \$1,531,420, respectively. During the year ended September 30, 2025, \$1,200,000 of forfeitures were used to reduce employer contributions.

Payment of Benefits

If a participant retires, dies, becomes disabled or otherwise separates from the Firm, the participant or participant's beneficiary is entitled to the vested value of his or her account. Distributions are made, subject to certain limitations, as lump-sum distributions, partial payments or installments. In addition, participants may elect in-service withdrawals of all or a portion of their account balance after reaching age 62.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investments

The assets of the Plan are maintained under a Master Trust Agreement in the Master Trust. The Plan's interest in the Master Trust is stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by its investment advisors and the Plan trustee. See Note E for discussion of fair value measurements. Purchases and sales of Master Trust securities are recorded on a trade-date basis. Master Trust interest income is recorded on the accrual basis. Master Trust dividends are recorded on the ex-dividend date. Master Trust net appreciation includes gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Expenses

Substantially all administrative expenses of the Plan are paid by the Firm.

NOTE C - INVESTMENT INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard Fiduciary Trust Company (the "Trustee") has certified the following Plan and related Master Trust information as complete and accurate:

- The Plan's interest in the Master Trust reported in the statements of net assets available for benefits at September 30, 2025 and 2024.
- The Plan's interest in the Master Trust net investment income reported in the statement of changes in net assets available for benefits for the year ended September 30, 2025.

- Investments, at fair value, and notes receivable from participants held within the Master Trust at September 30, 2025 and 2024, and the related total investment income, including net appreciation in fair value of investments and investment income, of the Master Trust and interest income on notes receivable from participants for the year ended September 30, 2025 as disclosed in Note D.

NOTE D - INTEREST IN MASTER TRUST

The Master Trust Agreement for the Master Trust was established on September 29, 2005 for the investment of assets of this Plan and the Morgan, Lewis & Bockius LLP Tax-Saver Retirement Plan. Each participating retirement plan has a specific divided interest in the Master Trust based on participant-directed investment activity, and all assets are separately allocated to participant-directed accounts. The assets of the Master Trust are held by the Trustee.

The value of the Plan's interest in the Master Trust is based on the beginning of year value of the Plan's interest in the Master Trust plus actual contributions and allocated investment income less actual distributions and allocated investment losses and administrative expenses. Investment management fees and other direct expenses relating to the Master Trust are allocated to the individual plans based on the average daily investment balances. Master Trust total investment income, including net appreciation in the fair value of investments and interest and dividend income, is allocated to the Plan in relation to its proportionate share of the Master Trust assets invested for participant-directed accounts.

The following is a summary of the Master Trust assets and the Plan's divided interest in the assets of the Master Trust as of September 30, 2025 and 2024:

	September 30, 2025	
	Master Trust Assets	Plan's Interest in Master Trust

Refer to Note E for a description of the valuation methodologies used by the Master Trust.

NOTE E - FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") No. 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I measurements) and the lowest priority to unobservable inputs (Level III measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level I - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;

NOTES TO FINANCIAL STATEMENTS - CONTINUED

- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for Master Trust assets measured at fair value. There have been no changes in the methodologies used at September 30, 2025 and 2024.

- Registered investment companies and self-directed brokerage accounts are valued at the quoted net asset value ("NAV") of shares held by the Master Trust at year end as reported on the active market on which the funds are traded (Level I inputs).
- Collective trust funds: The fair value is based on the NAV, calculated and reported daily. There are no redemption restrictions or unfunded commitments as of September 30, 2025 and 2024.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes the valuation methods used by the Master Trust are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present information about the Master Trust's investments measured at fair value on a recurring basis as of September 30, 2025 and 2024, and indicate the fair value hierarchy of the valuation techniques utilized by the Master Trust to determine such value:

	Assets at Fair Value as of September 30, 2025			
	Level I	Level II	Level III	Total
Registered investment companies	\$ 469,156,144	\$ -	\$ -	\$ 469,156,144

	Assets at Fair Value as of September 30, 2024			
	Level I	Level II	Level III	Total
Registered investment companies	\$ 494,460,457	\$ -	\$ -	\$ 494,460,457
Collective trust funds	1,479,026,783	-	-	1,479,026,783

Total Master Trust investments	<u>\$1,999,380,845</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$1,999,380,845</u>

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

NOTE F - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments in registered investment companies, collective trusts funds and self-directed brokerage accounts held within the Master Trust are managed by Vanguard Fiduciary Trust Company, the Trustee of the Plan and, therefore, these transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

NOTE G - TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated November 4, 2016 stating that the Plan and related Master Trust are designed in accordance with applicable provisions of the IRC. The Plan has been amended since receiving the determination letter. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and, therefore, believes that the Plan is qualified, and the related Master Trust is tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H - PLAN TERMINATION

Although it has not expressed any intention to do so, the Firm has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become 100% vested in the Firm's contributions to their accounts.

NOTE I - RISKS AND UNCERTAINTIES

The Plan holds an investment interest in the Master Trust, which invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE J - SUBSEQUENT EVENTS

Subsequent events have been evaluated through June 25, 2026, which is the date the financial statements were available to be issued. The Plan is not aware of any subsequent events that would require recognition or disclosure in the financial statements.
