| <b>1</b> Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. <b>Round off amounts to the nearest dollar.</b> MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. ## **Independent Auditors' Report**

To the Plan Administrator  
Mission Autism Clinics 401(k) Plan

### **Opinion**

We have audited the accompanying financial statements of Mission Autism Clinics 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (in liquidation) as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits (in liquidation) for the year ended December 31, 2025, and the related notes to the financial statements. In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Mission Autism Clinics 401(k) Plan as of December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America applied on the liquidation basis of accounting.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Mission Autism Clinics 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting**

As discussed in Note 7 to the financial statements, the Plan was terminated on December 20, 2024, and adopted the liquidation basis of accounting. Accordingly, the accompanying financial statements have been prepared on a basis of accounting applicable to a plan in liquidation. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America in accordance with the liquidation basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements on the liquidation basis of accounting, management is responsible for measuring assets at the estimated amounts expected to be collected upon liquidation; recording liabilities at the amounts expected to be settled during liquidation; and recognizing and accruing costs expected to be incurred through the completion of the liquidation process.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Mission Autism Clinics 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude on the appropriateness of management's use of the liquidation basis of accounting and evaluate the reasonableness of estimates related to liquidation, including net realizable value of assets and expected costs to liquidate.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Mission Autism Clinics 401(k) Plan**  
**Notes to Financial Statements**  
**Years Ended December 31, 2025 and 2024**

**1. Description of Plan**

The following description of the Mission Autism Clinics 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan was terminated on December 20, 2024, see Note 7 for more information.

*General*

The Plan is a defined contribution plan covering all full-time employees, excluding those covered under collective bargaining, leased employees, and non-resident aliens, of Mission Autism Clinics LLC (the Company) who are age twenty-one or older. Effective January 1, 2020, any employee who has completed 6 months of service, measured from the date of hire, and has attained age 21 shall be eligible to participate in the plan. After reaching eligibility, participants can elect to enroll in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Contributions*

Participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Maximum Roth elective deferral contributions are 50% of compensation. The Plan may make discretionary matching contributions. In 2025, the Plan contributed 100% of participant deferrals up to 3% of compensation deferred by participant. In addition, the Plan may make a discretionary profit-sharing contribution at the end of the Plan year. Only eligible employees who are employed on December 31st will be eligible to receive an allocation. Contributions are subject to certain limitations. No discretionary contributions were made in 2025.

*Participant Accounts*

Each participant's account is credited with the participant's contribution and allocations of (a) the matching and/or profit sharing contribution's and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant compensation or contributions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting*

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after three years of service.

*Participant Loans*

Participant loans are classified as notes receivable from participants, which are segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest.

Participants may borrow from their fund accounts a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range from 1 to 5 years and bear interest at Prime plus 1%. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 9.0% to 9.50%, which are commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. The loans are measured at unpaid principal balance plus accrued but unpaid interest which is the closest estimate to net realizable value.

**Years Ended December 31, 2025 and 2024**

**1. Description of Plan, continued**

*Payment of Benefits*

On termination of service due to death, disability or retirement, a participant will receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may also receive the value of the vested interest in his or her account as a lump-sum distribution.

*Forfeited Accounts*

Forfeitures attributable to employer contributions are retained in the Plan and will be first used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions payable under the plan.

**2. Summary of Significant Accounting Policies**

*Basis of Accounting*

The financial statements of the Plan are prepared under the liquidation basis of accounting in accordance with FASB Accounting Standards Codification (ASC 962). Following plan termination on December 20, 2024, the Plan adopted the liquidation basis of accounting. Under this basis, assets are measured at estimated net realizable value and liabilities reflect expected settlement amounts.

*Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Fair Value Accounting*

Valuation techniques used in fair value measurements need to maximize the use of observable inputs and minimize the use of unobservable inputs. A valuation method may produce a fair value measurement that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions could result in different fair value measurements at the reporting date. Assets and liabilities measured at fair value are categorized into one of three different levels depending on the observability of the inputs employed in their measurement. Level 1 inputs are quoted prices in active markets for identical assets or liabilities. Level 2 inputs are observable inputs other than quoted prices included within Level 1 for the asset or liability, either directly or indirectly through market-corroborated inputs. Level 3 inputs are unobservable inputs for the asset or liability, including the Plan's own assumptions in determining the fair value of the assets or liabilities.

**2. Summary of Significant Accounting Policies, continued**

*Allowance for Credit Losses*

When the Plan records contributions receivables arising from transactions, the Plan records an allowance for credit losses for the current expected credit losses (CECL) inherent in the asset over its expected life. The allowance for credit losses is a valuation account deducted from the amortized cost basis of the assets to present their net carrying value at the amount expected to be collected. Each period the allowance for credit losses is adjusted through earnings to reflect expected credit losses over the remaining lives of the assets.

| Total Receivable            | \$ | <u>-</u>    | \$ | <u>20,537</u> |

*Contributions*

Contributions to the Plan are recorded in the period that payroll is taken from Plan participants. Employer matching contributions are recorded based on employee contributions during the period.

*Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold during the year..

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of 2025 and 2024.

*Administrative Expenses*

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. The employer absorbs recordkeeping, accounting, legal, and trustee service fees.

*Payment of Benefits*

Benefits are recorded when paid.

*Reclassifications*

Certain reclassifications have been made to prior year's balances in order to conform to current year presentation.

**Years Ended December 31, 2025 and 2024**

**3. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

|            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

The following is a description of the valuation methodologies used for assets measured at fair value:

The fair values of registered investment companies and money markets are based upon quoted prices when available. At December 31, 2025 and 2024, all such investments were redeemable at the measurement date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets carried at fair value measured on a recurring basis as of December 31, 2025 and 2024:

| Vanguard Total Stock Mkt Idx Adm        | -                 | 756,655           |

**5. Excess Contributions**

The Plan passed discrimination tests for 2025 and 2024; as a result there were no excess contribution distributions made to participants related to the years ended December 31, 2025 and 2024.

**6. Related-Party Transactions and Party in Interest Transactions**

Human Interest is the recordkeeper for the Plan, and assets are held with Human Interest provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Human Interest. Investments are provided through Matrix Trust Company which receives revenue from mutual fund fees charged to participant accounts.

**7. Plan Termination**

On December 20, 2024, the Company formally terminated the plan. All account balances were distributed to the participants in 2025, who had the option to take a distribution or rollover the balance to another qualified plan. Participant accounts have been liquidated per participant instructions. All assets of the plan are expected to be liquidated within one year. There have been no changes to assets or liabilities as a result of the liquidation.

**8. Risks and Uncertainties**

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Years Ended December 31, 2025 and 2024**

**9. Tax Status**

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2022.

**10. Reconciliation of Financial Statements to Form 5500**
