Report of Independent Auditors

To the Plan Participants, the Plan Administrator, the Audit Committee of the Board of Directors, Vontier Corporation and the Benefits Committee of Vontier Union Retirement Savings Plan

Opinion

We have audited the financial statements of Vontier Union Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes (collectively referred to as the “financial statements”).

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2025 and 2024, and the changes in its net assets available for benefits for the year ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are

presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion of the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of December 31, 2025 (referred to as the "supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and

Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

VONTIER UNION RETIREMENT SAVINGS PLAN NOTES TO THE FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Vontier Union Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document and summary plan description for a more complete description of the Plan’s provisions.

General

Vontier Corporation (“Vontier,” the “Company” or the “Plan Sponsor”) is a global industrial technology company. Vontier established the Vontier Retirement Savings Plan and Vontier Union Retirement Savings Plan Master Trust (the “Master Trust”) effective October 9, 2020. The Master Trust created a single trust formed to hold and invest assets of the Plan and other eligible tax-qualified defined contribution plans maintained by the Plan Sponsor. Refer to Note 3 for additional information regarding the Master Trust.

The Plan is a defined contribution plan established for eligible full-time and part-time union employees of the Company and its subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), and the Plan is administered through affiliates of the trustee, Fidelity Management Trust Company (“Fidelity” or the “Trustee”). The Vontier Corporation Benefits Committee is the Plan Administrator charged with general responsibility of the administration of the plan. Significant provisions related to contributions, benefit payments, and investments are provided below.

Contributions

Eligible participants may contribute up to 75% of their compensation (subject to annual maximums). Participant contributions and the earnings or losses thereon are fully vested at all times. Participants are eligible for Company contributions upon completion of one year of service per the terms of the applicable collective bargaining agreement. For more details on specific union groups, refer to the applicable Plan document.

The Company’s unilateral and matching contributions are determined at the discretion of the Plan Sponsor unless otherwise required by the terms of the collective bargaining agreement applicable to each participant. Generally participants become fully vested with respect to the employer contributions upon completion of three years of service, attainment of age 65, death, complete disability, or as required pursuant to the terms of the applicable collective bargaining agreement.

Benefit Payments

A participant who attains normal retirement age (age 65) shall be entitled to payment of the balance in their account. A participant who remains employed after attainment of normal retirement age shall continue to participate under the same terms and conditions as applied prior to reaching normal retirement age. A participant must begin receiving distributions no later than April 1 following the later of the year in which they retire from the Company or the calendar year in which they reach the age of 73.

The beneficiary or beneficiaries of a deceased participant shall be entitled to payment of the participant’s account balance within a reasonable period of time after the participant’s death.

Upon a participant’s termination of employment for reasons other than as specified above, a participant is entitled to payment of their vested account balance. If the vested value of the participant’s account is \$1,000 or less, payment will automatically be made in a single lump sum. If the vested value of the participant’s balance is greater than \$1,000 and does not exceed \$7,000, the Plan Administrator will automatically rollover the balance to a separate Fidelity Individual Retirement Account. If the vested value of the participant’s account is more than \$7,000, the participant must contact Fidelity to request a distribution.

Eligible participants may request a hardship or age 70 1/2 in-service withdrawal of all or a portion of their vested account while still working for the Company in accordance with procedures established by Fidelity, subject to certain limitations and tax penalties. Different withdrawal rules apply to different Plan accounts as well as the terms of the participant’s collective bargaining agreement.

Notes Receivable from Participants

A participant may receive a loan from the Plan in accordance with the policy established by the Plan Sponsor. Any such loan or loans shall not exceed the lesser of 50% of the participant’s vested account balance or \$50,000 reduced by the participant’s
