Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **CHERRY BEKAERT LLP**

(2) EIN: **56-0574444**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		☒	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

Report of Independent Auditor

To the Plan Administrator
Community Connections 403(b) Plan
Washington, District of Columbia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Connections 403(b) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from the qualified institutions as of September 30, 2025 and 2024, and for the year ended September 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule, the Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of September 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Report of Independent Auditor

To the Plan Administrator
Community Connections 403(b) Plan
Washington, District of Columbia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Community Connections 403(b) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from the qualified institutions as of September 30, 2025 and 2024, and for the year ended September 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule, the Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of September 30, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY CONNECTIONS 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2025 AND 2024

Note 1—Description of the Plan

The following description of the Community Connections 403(b) Plan (the “Plan”) is provided for general information. Participants should refer to the Plan Agreement, as amended and restated, for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan pursuant to the provisions of Section 403(b) of the Internal Revenue Code (“IRC”) established for the benefit of substantially all employees of Community Connections, Inc. (the “Company” or the “Plan Sponsor”). The Plan became effective April 1, 1992, and was established through the merger of the Community Connections Tax Deferred Annuity Plan into the Community Connections 403(b) Plan. The plans were merged effective July 1, 2008, to comply with final regulations under Section 403(b) of the IRC. The Plan covers all employees except substitute residential staff. The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (“ERISA”).

Effective October 1, 2010, the Plan engaged the services of USI Consulting Group, a service organization, and a custodial relationship was established with WyStar Global Retirement Solutions, a division of Wells Fargo Bank, N.A. (“Wells Fargo”). Effective October 1, 2020, the custodial relationship was transferred to Charles Schwab Trust Bank (“Schwab”). All contributions to the Plan are now directed to Schwab. However, participants who chose not to roll-forward their accounts have balances within Teachers Insurance and Annuity Association of America and College Retirement Equities Fund (“TIAA-CREF”, “TIAA”, or “CREF”) and Lincoln Financial Group (“Lincoln”).

The Plan was formerly amended for the SECURE Act and the CARES Act provisions elected in accordance with applicable law and Internal Revenue Service (“IRS”) guidance on September 13, 2022. The Plan was amended and restated effective October 1, 2022.

Eligibility – An employee is eligible to participate in the salary reduction portion of the Plan upon date of hire. For purposes of the employer discretionary non-elective contribution and employer discretionary match portion of the Plan, participants must complete two years of service. The Plan defines a year of service as a 12-month period in which 1,000 hours of service is credited.

Participant Contributions – Participants in the Plan may elect to contribute a percentage of their annual compensation, subject to IRC annual limits. In addition, participants 50 years of age or older may elect to make an additional catch-up deferral contribution up to \$7,500 for the year ended September 30, 2025. Distributions from other qualified retirement plans can also be contributed to the Plan and retained as a rollover contribution.

Employer Contributions – The Plan allows for a discretionary non-elective contribution and a discretionary employer matching contribution. There was no discretionary non-elective contribution for the Plan year ended September 30, 2025. For the year ended September 30, 2025, the discretionary employer match totaled \$136,655 and was equal to 100% of the first 3% of eligible compensation contributed by each participant.

Forfeitures – Forfeitures arise from significantly aged unclaimed funds. Forfeited accounts are held in a money market fund account and may be used to reduce employer contributions or pay plan expenses. At September 30, 2025 and 2024, forfeited nonvested accounts were \$-0- and \$19, respectively. During the plan year ended September 30, 2025, the Plan Sponsor applied \$19 of forfeitures to reduce employer contributions and \$-0- were used to pay administrative expenses.

COMMUNITY CONNECTIONS 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2025 AND 2024

Note 1—Description of the Plan (continued)

Participant Accounts – Individual accounts are maintained for each participant and each account is credited and/or reduced with the participant's elective contributions, the Company's discretionary non-elective and matching contributions, and Plan earnings (losses) including realized and unrealized gains and losses on investments and administrative expenses and charged with participants' benefit payments. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may only have one loan outstanding at a time and all loans must be repaid within five years unless the loan qualifies as a home loan for the purchase of a primary residence, in which case the repayment period may not exceed ten years. The notes are secured by the participant's account balance and bear interest at prime plus 1% for each calendar quarter as published in the Wall Street Journal on the last day of the preceding calendar quarter. As of September 30, 2025, interest rates on outstanding notes range from 4.25%-9.50%. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits – On termination of service, a participant (or designated beneficiary) may elect to receive an amount equal to the value of the participant's vested interest in his or her account. The Plan allows for distributions upon termination of service, death, disability, attainment of age 59.5, or in certain hardship situations. A participant may elect to receive a lump-sum or may elect to rollover the value of their account into another qualified plan. For participant's with vested interests in TIAA-CREF or Lincoln legacy plan accounts, the participant may also elect to receive a joint and 50% survivor annuity, lump sum, 66.33%, 75%, 100% joint and survivor annuities with and without 10, 15, or 20 years certain guarantee; installments for fixed period between 5 and 30 years; life annuity with years certain, or other options available under the annuity contract and custodial agreement of the respective legacy plan account. In the event a participant terminates, and the participant's vested account balance is less than \$5,000, the balance will automatically be made in a lump-sum, unless otherwise directed.

Vesting – Participants are immediately vested in the benefits arising from all contributions made under this Plan. Such amounts are non-forfeitable.

Investment Options – Upon enrollment in the Plan, a participant may direct employee and Plan Sponsor contributions in any of the investment options offered by the Plan.

Note 2—Summary of significant accounting policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and the disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results could differ from those estimates.

COMMUNITY CONNECTIONS 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2025 AND 2024

Note 2—Summary of significant accounting policies (continued)

Investment Valuation and Income Recognition – Investments are stated at fair value and are managed and held by TIAA-CREF, Lincoln, and Schwab. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements. The TIAA Traditional Non-Benefit Responsive fund is reported at fair value, see Note 5. The TIAA Traditional Benefit Responsive, Lincoln Fixed account, and Prudential Guaranteed Income fund are fully-benefit responsive and are stated at contract value, see Note 6.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments sold as well as held during the year. Investment income is reported net of investment fees.

Contributions Receivable – The amount of employer contributions due and payable, but not yet deposited with the Plan as of year end is reflected as employer contributions receivable in the Plan's financial statements.

Benefits Paid to Participants – Benefits paid to participants are recorded when paid.

Administrative Expenses – The Plan is administered by the Plan Sponsor. Certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Substantially all administrative expenses are paid either directly by the Plan Sponsor or by the account of the Participant or through forfeitures.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Risks and Uncertainties – The Plan provides for various investment fund options. Investments are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

Fair Value Measurements – U.S. GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements).

COMMUNITY CONNECTIONS 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2025 AND 2024

Note 2—Summary of significant accounting policies (continued)

U.S. GAAP defines three levels of inputs that may be used to measure fair value as follows:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. See Note 4 for discussion on investments within the fair value hierarchy.

Note 3—Information prepared and certified by the Qualified Institutions (unaudited)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA-CREF, Schwab, and Lincoln, the qualified institutions of the Plan, have certified the following data included in the accompanying financial statements and supplementary schedule as complete and accurate:

- Investments, at fair value, investments at contract value, and notes receivable from participants as shown on the statements of net assets available for benefits as of September 30, 2025 and 2024.
- Net appreciation in fair value of investments, interest and dividend income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended September 30, 2025.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of September 30, 2025.

The Plan's independent auditor did not perform auditing procedures with respect to the certified information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4—Fair value measurements

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following are descriptions of the valuation methodologies used for assets measured at fair value:

Mutual Funds – These investments are public investment vehicles valued using the net asset value ("NAV") provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. NAV is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

COMMUNITY CONNECTIONS 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2025 AND 2024

Note 4—Fair value measurements (continued)

Money Market Fund – Valued at historical cost, which approximates fair value and is classified within level 1 of the valuation hierarchy.

Variable Annuities – The money market account is valued at amortized costs. All other annuity accounts are valued based on market approach, valued using market quotations, or prices obtained from independent pricing sources that may employ various pricing methods to value the investments, including matrix pricing. There are currently no significant redemption restrictions on these investments. These investments are classified within Level 2 of the valuation hierarchy.

Guaranteed Investment Contracts (“Non-Benefit Responsive Contracts”) – These investments are guaranteed fixed income annuities backed by TIAA’s claims paying ability whereby the annuities guarantee a principal and minimum interest rate, plus opportunity for additional amounts in excess of the guaranteed rate. The annuity contracts are not traded, and significant other observable inputs are not variable. These contracts are reported at fair value and are classified within Level 3 of the valuation hierarchy.

Pooled Separate Account (“Real Estate Fund” or “REF”) – This investment is a public investment vehicle valued using the net asset value (“NAV”) provided by the administrator of the fund. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The fair value of the pooled separate account is stated at NAV as a practical expedient.

The Plan believes its valuation methodologies are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no significant changes in the methodologies used at September 30, 2025.

The following table sets forth, by level, within the fair value hierarchy, the Plan’s assets at fair value as of September 30, 2025:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,766,038	\$ -	\$ -	\$ 12,766,038

Note 4—Fair value measurements (continued)

The following table sets forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2024:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,434,831	\$ -	\$ -	\$ 11,434,831

Pooled separate account measured at net asset value (*)				234,206
Total investments at fair value				<u>\$ 15,423,848</u>

(*) In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table summarizes investments measured at fair value based on NAV per share or its equivalent, as a practical expedient, as of September 30, 2025 and 2024. There are no participant redemption restrictions for these investments and the redemption notice period is only applicable to the Plan.

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
September 30, 2025				
TIAA Real Estate	\$ 240,352	N/A	Daily	N/A
September 30, 2024				
TIAA Real Estate	\$ 234,206	N/A	Daily	N/A

Note 5—Non-benefit responsive contracts

Classified within level 3 of the valuation hierarchy, the investment in the non-benefit responsive TIAA component of the Traditional Account is a fixed annuity contract that is fully and unconditionally guaranteed by TIAA, a New York domiciled non-profit legal reserve life insurance company. During the accumulation phase, the TIAA Traditional Account guarantees the principal and a minimum rate of interest, and the potential for additional interest if declared by TIAA. Additional interest is not guaranteed for future years. When the accumulation in TIAA Traditional is converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the accumulation and it is distributed in the form of a life annuity or in ten installments over a period of nine years and one day. The average yield based on actual earnings and interest rate credited to participants was 4.31% and 4.61% during the years ended September 30, 2025 and 2024, respectively.

Note 5—Non-benefit responsive contracts (continued)

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the year ended September 30, 2025:

Beginning, fair value	\$ 305,252
Interest and dividends	12,998
Distribution	(8,684)
Transfers in, net	84
Ending, fair value	<u>\$ 309,650</u>

The following tables represents the Plan's Level 3 financial instruments, the valuation techniques used to measure the fair value of those financial instruments, and the significant unobservable inputs and ranges of values for those inputs as of September 30:

2025				
Asset	Fair Value	Valuation Technique	Unobservable Inputs	Range (Weighted Average)
TIAA Traditional, Non-Benefit Responsive	\$ 309,650	Discounted cash flow	Risk-adjusted discount rate applied	3.00% - 6.50%
2024				
Asset	Fair Value	Valuation Technique	Unobservable Inputs	Range (Weighted Average)
TIAA Traditional, Non-Benefit Responsive	\$ 305,252	Discounted cash flow	Risk-adjusted discount rate applied	3.00% - 6.50%

Note 6—Guaranteed investment contract ("benefit responsive")

The Plan has entered into benefit responsive guaranteed investment contracts with Lincoln, TIAA, and Prudential Retirement ("Prudential").

Because the guaranteed investment contracts are fully-benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value.

The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

Lincoln, TIAA, and Prudential are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against the contracts for the credit risk of the contract issuer or otherwise. Management estimates the fair value of the investment contracts at September 30, 2025 and 2024, approximate contract value based on current yields of similar instruments with comparable durations. The crediting interest rate is based on a formula agreed upon with the issuers and is guaranteed to never be less than the Guaranteed Minimum Interest Rate in effect for that year. Such interest rates are reviewed for resetting on an annual basis for TIAA and Lincoln and on a semi-annual basis for Prudential.

COMMUNITY CONNECTIONS 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2025 AND 2024

Note 6—Guaranteed investment contract (“benefit responsive”) (continued)

The following summarizes the Plan’s guaranteed investment contracts measured at contract value for the years ended September 30:

	2025	2024
TIAA Traditional, Benefit-Responsive	\$ 676,651	\$ 672,101
Lincoln Fixed Account	127,491	124,152
Prudential Guaranteed Income Fund	273,986	304,589
Total Investments at Contract Value	<u>\$ 1,078,128</u>	<u>\$ 1,100,842</u>

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events may include complete or partial plan termination, bankruptcy of the plan sponsor, or failure of the Plan to qualify as tax exempt. The plan administrator does not believe any event which would limit the Plan’s ability to transact at contract value with participants is probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity dates.

Lincoln Fixed Account – The Lincoln fixed account is a guaranteed investment contract subject to Lincoln’s claims paying ability. Interest is credited daily at an interest rate that will not be less than the guaranteed account minimum interest rate. The interest crediting rate is declared on a quarterly basis. The Lincoln fixed account is reported at contract value. Lincoln has not computed a fair value, but management believes contract value approximates fair value based on current yields of similar instruments with comparable durations.

Upon contract discontinuance, money may be withdrawn from the fixed account subject to a Market Value Adjustment (“MVA”) or according to a withdrawal schedule. An MVA is applied to the account at contract discontinuance unless the account value is withdrawn via the five-year withdrawal schedule. Withdrawals can be taken without an MVA for hardship needs, death, retirement, or separation from service. Lincoln maintains the contribution in a general account.

TIAA Traditional Account, Benefit Responsive – The TIAA traditional account, benefit responsive component, is a fixed rate annuity contract that is fully and unconditionally guaranteed and backed by the claims-paying ability by TIAA. During the accumulation phase, the TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest between 1% and 3% and the potential for additional interest, if declared by TIAA. Additional interest, when declared, remains in effect for the “declaration year,” which begins each March 1. Additional interest is not guaranteed for future years. When the contract value accumulation (plan asset) of TIAA Traditional Annuity is converted to an annuity (plan withdrawal) based on life expectancy, the present value of the stream of payments is equal to the accumulation.

Prudential Guaranteed Income Fund – The Prudential Guaranteed Income Fund is a fully-benefit responsive guaranteed investment contract with Prudential through Wells Fargo. Contributions to the Guaranteed Income Fund are maintained in a general account of Prudential. The fund is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The fund is reported at contract value, without reserve, which represents the contributions to the fund, plus earnings, less withdrawals and administrative expenses.

Contract value approximates fair value at September 30, 2025 and 2024. Generally, there are not any events that could limit the ability of the fund to transact at contract value paid within 90 days or in certain rate-based circumstances, paid overtime. Contributions to the fund are maintained in a general account of Prudential.

COMMUNITY CONNECTIONS 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2025 AND 2024

Note 7—Participant and plan loans

Participant loans are reported in the loan fund and identified separately in the statements of net assets available for benefits as notes receivable from participants with related income and activities reported in the statement of changes in net assets available for benefits. Terms and conditions are governed by applicable rules and regulations of the IRC.

Notes receivable from participants are measured at the unpaid balance plus accrued interest, if any. Delinquent loans are reclassified as distributions based upon the terms of the plan document.

Participant loans are not allowed by TIAA-CREF and Lincoln. Participants who have accounts with TIAA-CREF and Lincoln may obtain plan loans. These do not reduce a participant's account balance, but rather the account balance collateralizes the outstanding loan. TIAA-CREF and Lincoln act as the lenders instead of the Plan.

TIAA-CREF transfers 110% of the loan balances from CREF related investments into the TIAA traditional Account. The TIAA Traditional Account balance is reduced as the loan is repaid and restored into the participant's designated investments.

Accordingly, at September 30, 2025 and 2024, \$23,159 and \$22,018, respectively, of the traditional account balance collateralizes loan balances.

Lincoln transfers 100% of the loan balances from other related investments into the Lincoln Fixed Account. The Lincoln Fixed Account balance is reduced as the loan is repaid and restored into the participant's designated investments. Accordingly, at September 30, 2025 and 2024, \$16,356 and \$16,997, respectively, of the Lincoln fixed account balance collateralizes loan balances.

Note 8—Party-in-interest transactions

Certain Plan assets are invested in funds managed by the investment manager as defined by the Plan. Transactions involving these investments are considered to be party-in-interest transactions for which statutory exemption exists under DOL's rules and regulations. Fees incurred by the Plan for investment management services are paid directly by the Plan and therefore, do qualify as party-in-interest transactions for which a statutory exemption exists. Fees paid by the Plan and deducted from participant accounts for contract administrative expenses amounted to \$66,056 for the year ended September 30, 2025, and are included in administrative expenses on the accompanying statement of changes in net assets available for benefits.

Notes receivable from participants qualify as party-in-interest transactions.

Note 9—Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event such discontinuance results in termination of the Plan, the Plan provides that the assets be allocated among participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination.

COMMUNITY CONNECTIONS 403(b) PLAN

NOTES TO THE FINANCIAL STATEMENTS

SEPTEMBER 30, 2025 AND 2024

Note 10—Tax status

The Plan sponsor adopted a volume submitter plan which received a favorable opinion letter from the IRS on March 31, 2017, which stated that the volume submitter plan is designed in accordance with the applicable sections of the IRC. The Plan has not received a determination letter specific to the Plan itself, and the volume submitter plan has been amended since receiving the opinion letter. However, the Plan sponsor believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan is qualified, and the related trust is tax-exempt as of September 30, 2025. The Plan sponsor believes the Plan has no income subject to unrelated business income tax.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of September 30, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 11—Subsequent events

The Plan has evaluated all events through July 2, 2026, which is the date these financial statements were available to be issued.
