Independent Auditors' Report

Employee Benefit Trustees Committee and Plan Participants
8th Avenue Food & Provisions, Inc. 401(k) Plan
St. Louis, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 8th Avenue Food & Provisions, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required By ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at end of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the 8th Avenue Food & Provisions, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, the purpose of which is to permit deferrals of compensation by eligible employees of 8th Avenue Food & Provisions, Inc. (“8th Avenue” or the “Company”) and of participating subsidiaries and affiliates and to provide these employees with the opportunity to invest in funds for the purpose of saving for retirement.

On October 1, 2018, Post Holdings, Inc. (“Post”) separately capitalized the Company, which resulted in the Company no longer being a wholly-owned subsidiary of Post. As a result, the Company adopted the Plan on January 1, 2019 (the “Effective Date”). At the Effective Date, the Company employees who were participants in the Post Holdings, Inc. Savings Investment Plan (the “Post Plan”) sponsored by Post ceased participation in the Post Plan and were no longer eligible to make contributions to the Post Plan. The Company’s current employees’ account balances in the Post Plan at the time of adoption were transferred from the trust for the Post Plan to the trust for the Plan (“trust-to-trust transfer”) following the Effective Date. The Company’s former employees’ account balances that were still in the Post Plan prior to the Effective Date were not transferred in the trust-to-trust transfer.

On July 1, 2025, Post acquired the remaining common equity interest that it did not already own in 8th Avenue, making the Company a wholly-owned subsidiary of Post once again. As of December 31, 2025, the Plan continued to be a stand alone plan.

The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”) and the Internal Revenue Code of 1986, as amended (the “Code”). The Plan is designed to meet ERISA's reporting and disclosure and fiduciary responsibility requirements, as well as to meet the minimum standards for participation and vesting. The Plan is also intended to qualify as a cash or deferred profit-sharing plan under section 401(k) of the Code.

Plan Participation

All regular sales, administrative and clerical employees, and certain production employees, subject to the terms within the applicable collective bargaining agreements, may be eligible to participate in the Plan subject to the Plan's eligibility rules. Eligible employees generally may begin making employee deferrals on their date of hire.

Plan Administration

The Plan is administered by the Company, with certain ministerial functions associated with day-to-day administration delegated to Post. Except for matters required by the terms of the Plan to be decided by the trustee, matters delegated to the Benefit Administration Committee (the “BAC”) or matters delegated to the Employee Benefit Trustees Committee (the “EBTC”), the Plan administrator has the exclusive right to interpret the Plan and to decide any and all matters arising under the Plan or in connection with its administration. The Plan designates the EBTC as having certain rights and obligations to control and manage Plan assets, to select investment funds available for investment by Plan participants and to appoint and remove the trustee and any investment managers retained in connection with the investment of Plan assets. The Plan designates the BAC as the claims fiduciary for the Plan. Certain Plan expenses are paid by the Company.

Contributions

In 2025, the pre-tax contribution amount, Roth contribution (after-tax) amount or combination of pre-tax and Roth contributions was limited to \$23,500 per calendar year for each participant, and a catch-up contribution for individuals age 50 or over was limited to \$7,500 per calendar year for each participant. Subject to such limitations, participants may generally make Roth or pre-tax contributions of 1% to 50% of their compensation, subject to the terms within the applicable collective bargaining agreements, in 1% increments.

Participant contributions may be invested in any of the available investment funds except for the Post Common Stock Fund, as discussed below. Participant contributions, and earnings thereon, are vested and non-forfeitable from the time made.

The Company generally matches a percentage of compensation that a participant contributes to the Plan in amounts defined by the terms of the Plan. Eligibility for Company safe harbor matching contributions generally begins on the first of the month following one year of service. Company contributions and earnings thereon generally vest 100% upon eligibility, except for individuals subject to certain collective bargaining agreements. Participant contributions and Company safe harbor matching contributions are funded on a per payroll basis and are subject to certain statutory limitations. Employees of certain Company

production facilities, who are subject to a collective bargaining agreement, are subject to different pre-tax limits and matching contribution levels. In addition, certain production employees receive non-matching Company contributions.

Investment Options

All contributions are deposited by the Company in trust funds held by Vanguard Fiduciary Trust Company (“Vanguard”) or any successor trustee as may be selected by the EBTC. The values of the trust funds change according to increases or decreases in the values of the assets, gains or losses on sales of assets held therein and income from dividends and interest. In addition, The Vanguard Group, Inc. performs all record-keeping functions for the Plan. The trustee maintains as many separate investment funds within its trust funds, with different investment objectives, as the EBTC deems advisable. Participants are able to allocate their contributions among the available investment options, including mutual funds and collective trusts. In addition, Plan investments include a Post Common Stock Fund, which was transferred to the Plan during the trust-to-trust transfer and is not open to new investment in the Plan.

Withdrawals, Notes Receivable and Forfeitures

Upon participant termination, retirement, disability or death, or in the event of termination of the Plan without establishment of a successor plan, the amount in the trust fund credited to each participant will be distributed to the participant or to the participant's beneficiary or other legal representative. Under the Plan, a participant may elect from several alternatives regarding the timing of distributions. Plan withdrawals from certain contribution accounts may be made prior to termination or retirement if a participant is at least age 59-1/2 or for cases of hardship. Hardship withdrawals are limited to the amount required to meet the need created by the hardship and are made in accordance with guidelines determined by the Company, as defined within the Plan document.

The Plan, subject to certain rules and regulations, permits participants to borrow from their vested account balances. Such loans will be permitted for any purpose, provided certain Plan conditions and certain other conditions as prescribed by federal law are met. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are collateralized by the balance in the participant's account and bear interest equal to the prime rate as most recently adjusted, on a quarterly basis, and as reported in The Wall Street Journal, plus one percentage point. Principal and interest are paid ratably through payroll deductions for each pay period in which the participant receives compensation from the Company.

Upon termination of employment, any Company matching contributions and the earnings thereon which are not vested will be forfeited but will be restored if the participant again becomes an eligible employee within five years after termination. Amounts forfeited are used to fund Company matching contributions required under the Plan. Forfeitures, net of amounts restored, were immaterial during the year ended December 31, 2025.

Amendments and Termination

On November 25, 2025, the Board of Directors of the Company delegated authority to amend the Plan to the Company's Assistant Treasurer and also certain officers of Post, provided that any such amendment is not reasonably expected to increase the Company's liability with respect to the Plan by more than \$2,500,000, determined on a present value basis. Prior to such delegation, only certain officers of the Company were so authorized to amend the Plan, with the same \$2,500,000 limitation. The Company may terminate the Plan or amend the Plan so that Company matching contributions cease, subject to the provisions of ERISA. In the case of Plan termination, unvested Company matching contributions credited to a participant's account shall automatically vest.

SECURE 2.0 Act

In December 2022, the SECURE 2.0 Act was enacted which contains both required and optional provisions for retirement plans. The Company adopted certain provisions of the SECURE 2.0 Act effective January 1, 2026, which will impact the Plan beginning in 2026.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments

Benefit payments are recorded upon distribution.

Investment Valuation

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The EBTC determines the Plan's valuation policies utilizing information provided by the Plan's investment advisors and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Net appreciation or depreciation in fair value of investments is comprised of net realized and unrealized gains and losses. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities may occur in the near term. If this occurs, a change in the value of participants' account balances could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Subsequent Events

The Plan has evaluated subsequent events through June 30, 2026, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The following table presents the Plan's assets measured at fair value on a recurring basis and the basis for that measurement according to the levels in the fair value hierarchy in Accounting Standards Codification Topic 820, "Fair Value Measurement."

<i>in thousands</i>	December 31, 2025		December 31, 2024	
	Total	Level 1	Total	Level 1
Mutual Funds	\$ 32,637	\$ 32,637	\$ 28,187	\$ 28,187
Common Stock Fund	508	508	629	629
Collective Trusts	54,644	54,644	50,876	50,876
	<u>\$ 87,789</u>	<u>\$ 87,789</u>	<u>\$ 79,692</u>	<u>\$ 79,692</u>

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable. Observable inputs reflect assumptions market participants would use in pricing an asset or liability based on market data obtained from independent sources, while unobservable inputs reflect a reporting entity's pricing based upon its own market assumptions.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds — Shares of mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Stock Fund — The Common Stock Fund is valued at the quoted market price of shares held by the Plan on the last business day of the Plan year plus any uninvested cash holdings.

Collective Trusts — The collective trusts are valued at the net asset value ("NAV") of the units held by the Plan, which is based on the daily closing price of the funds as reported by the collective trust and available for participants to transact on. The daily closing price of the funds is readily determinable and based on the quoted market prices of the underlying assets held in the collective trusts. The collective trusts held by the Plan are deemed to be actively traded.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Company believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain investment

securities could result in a different fair value measurement at the reporting date and it is therefore, at least reasonably possible, that these differences could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 4 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of Post common stock. Prior to July 1, 2025, Post had a significant common equity interest in the Company and provided certain Plan administrative services to the Plan under a master services agreement. Therefore, transactions with Post prior to July 1, 2025 qualified as both related party transactions and party-in-interest transactions under the provisions of ERISA. On July 1, 2025, Post acquired the remaining equity interest in the Company. Therefore, subsequent to July 1, 2025, transactions with Post qualified as party-in-interest transactions under the provisions of ERISA as Post continued to provide Plan administrative services. At December 31, 2025, shares of Post common stock had a total cost basis of \$243,544 and a fair market value of \$507,631. During 2025, the Plan made no purchases of Post common stock and sold \$38,973 of such assets. At December 31, 2024, these shares had a total cost basis of \$263,189 and a fair market value of \$629,154. During 2024, the Plan made no purchases of Post common stock and sold \$51,072 of such assets.

The Plan invests in shares of mutual funds and units of collective trusts managed by an affiliate of Vanguard. Vanguard acts as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions under the provisions of ERISA and are intended to be exempt from the prohibited transaction rules. In addition, the Plan also issues loans to participants, which qualify as party-in-interest transactions under the provisions of ERISA and are intended to be exempt from the prohibited transaction rules.

Fees paid by the Plan for administrative services were \$89,371 for the year ended December 31, 2025.

NOTE 5 – INCOME TAX STATUS

The Plan obtained its latest determination letter on November 20, 2019, in which the Internal Revenue Service (“IRS”) stated that the Plan, as designed as of October 31, 2019, was in compliance with the applicable requirements of the Code as a qualified plan exempt from income tax. The Plan has been amended since receiving the most recent determination letter. The Plan's administrator and legal counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2025, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – CERTIFIED INVESTMENT INFORMATION

As permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA, the Company has obtained certifications from the Trustee as to the accuracy and completeness of investment information included in the accompanying financial statements and the supplemental schedule and has instructed the Plan's independent auditors not to perform any auditing procedures with respect to such information. The following is a summary of the Plan's financial information which is certified by the Trustee as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA:

- Investments, at fair value and notes receivable from participants as of December 31, 2025 and 2024, which are included in the Statements of Net Assets Available for Benefits.
- Interest and dividend income, net appreciation in fair value of investments and interest income from notes receivable from participants for the year ended December 31, 2025, which are included in the Statement of Changes in Net Assets Available for Benefits.
- All information regarding assets held for investment purposes by the Plan at December 31, 2025 included in the supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year).
