## INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator of the Baltusrol Golf Club 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements**

We have performed an audit of the accompanying financial statements of the Baltusrol Golf Club 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2025, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2025 Financial Statements").

Plan management, having determined it is permissible in the circumstances, has elected to have the audit of the 2025 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Plan management has obtained a certification from a qualified institution as of and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2025 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section:

- the amounts and disclosures in the 2025 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2025 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2025 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2025 Financial Statements* section of our report. We are required to be independent of the Baltusrol Golf Club 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Plan Management for the Financial Statements**

Plan management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Plan management's election of the ERISA Section 103(a)(3)(C) audit does not affect Plan management's responsibility for the financial statements.

In preparing the financial statements, Plan management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Baltusrol Golf Club 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Plan management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2025 Financial Statements**

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2025 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Baltusrol Golf Club 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Plan management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Baltusrol Golf Club 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2025 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter – 2025 Supplemental Schedules Required by ERISA**

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2025 and Schedule H, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Plan management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Other Matter – Auditors' Report on the 2024 Financial Statements**

The financial statements of Baltusrol Golf Club 401(k) Plan as of December 31, 2024, were audited by predecessor auditors, Torrillo & Associates, LLC which was acquired by LBMC, PC. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. Their report dated October 9, 2025, indicated that in their opinion (a) the amounts and disclosures in the 2024 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2024 supplemental schedules, other than the information in the 2024 supplemental schedules that agrees to or is derived from the certified information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2024 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Plan management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Notes to Financial Statements**  
**As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025**

**1. Description of Plan**

The following brief description of the Baltusrol Golf Club 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan covering generally all employees of Baltusrol Golf Club (the “Club”) who have completed one year of service and are age 21 or older. Non-resident aliens, union employees and leased employees are not eligible for the Plan. Participants are entered into the Plan on the first day of the Plan year or first day of the seventh month of the Plan year coinciding with or next following the date the eligibility requirements are satisfied. The effective date of the Plan was October 1, 2004. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

**Contributions**

Each year, participants may contribute to the Plan a portion of their compensation, as defined in the Plan document, subject to Internal Revenue Code (“IRC”) limitations. Contributions may be designated as pre-tax or Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants who have attained ages of 60 to 63 before the end of the Plan year may elect to make additional catch-up contributions as permitted under the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022, “SECURE Act 2.0”). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan provides for safe harbor nonelective contributions equal to 3 percent of a participant’s compensation.

The Plan also provides for discretionary employer nonelective contributions. No discretionary employer nonelective contributions were made during the year ended December 31, 2025.

**Participant Accounts**

Individual accounts are maintained for each participant. Participants direct the investment of their contributions into various investment options offered by the Plan. Each participant’s account is credited with the participant’s contributions as well as allocations of safe harbor nonelective contributions, discretionary employer nonelective contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan except for participant directed fees, which are charged directly to the respective participant’s account. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are vested immediately in their contributions, including their elective pre-tax deferral contributions, Roth 401(k) deferrals, rollover contributions, and safe harbor nonelective contributions, plus actual earnings thereon.

Vesting in the discretionary employer nonelective contribution portion of their accounts is based on years of continuous service. For discretionary employer nonelective contributions, participants vest at a rate of twenty percent per year of service and achieve full vesting at five years of service. A participant becomes fully vested upon death, disability, or normal retirement (age 65).

**Payment of Benefits**

Upon termination of service, death, disability, retirement or separation from service, participants or their beneficiaries will receive, in a lump-sum payment, an amount equal to the value of the participant's vested interest in his or her account. If a participant's vested account balance is less than \$7,000 upon termination (\$5,000 prior to the modification allowed by the SECURE Act 2.0), a distribution of the participant's account may be made automatically in a single lump-sum cash distribution. In the event of a mandatory distribution greater than \$1,000 but does not exceed \$7,000 (\$5,000 prior to the modification allowed by the SECURE Act 2.0), if the participant does not elect to have such distribution paid directly to an eligible retirement plan specific by the participant in a direct rollover or to receive the distribution directly, then the Plan administrator will pay the distribution in a direct rollover to an individual retirement account designated by the Plan administrator.

In-service withdrawals, including hardship distributions, are also permitted under the terms of the Plan document.

**2. Summary of Significant Accounting Policies**

The significant accounting policies of the Plan are as follows:

**Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The financial statements include the fully benefit-responsive investment contract and its related activity on a contract value basis (see Note 5).

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the custodian and investment advisors. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Contributions**

Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation. Safe harbor nonelective contributions and discretionary nonelective employer contributions, if any, are recorded in the year in which the related participant compensation was earned.

**Payments of Benefits**

Benefits are recorded when paid.

#### **Administrative Expenses**

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Club. Expenses of maintaining the Plan that are paid directly by the Club are excluded from these financial statements. Fees associated with participant specific transactions are charged directly to the participant's account and are included in administrative expenses. Certain other professional expenses of the Plan may be paid through use of forfeitures. Certain investment related expenses are included in net appreciation in fair value of investments.

### **3. Information Certified by a Qualified Institution**

The Plan administrator having determined that it is permissible in the circumstances elected to have the audits of the Plan performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information included in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year) was obtained or derived from information obtained by the Plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company ("Principal"), custodian of the Plan and a qualified institution, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- Investments, at fair value and fully benefit-responsive investment contract, at contract value, as shown in the statements of net assets available for benefits as of December 31, 2025 and 2024.
- Investment activity, including net appreciation in fair value of investments and interest and dividend income, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2025.
- The information for the mutual funds, pooled separate accounts, and guaranteed interest contract listed in the schedule of assets (held at end of year) as of December 31, 2025, as shown in the ERISA-required supplemental schedules.

### **4. Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**Notes to Financial Statements**  
**As of December 31, 2025 and 2024 and for the Year Ended December 31, 2025**

---

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used as of December 31, 2025 and 2024.

|                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <i>Mutual funds:</i>             | Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The shares of mutual funds held by the Plan are deemed to be actively traded.                                                                                                                                       |
| <i>Pooled separate accounts:</i> | Valued at the NAV or equivalent based on units of the pooled separate accounts. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. This practical expedient is not used when it is determined to be probable that the pooled separate account will sell the investment for an amount different than the reported NAV. |

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2025:

|                              | <u>Total</u>         | <u>Level 1</u>      | <u>Level 2</u> | <u>Level 3</u> |

The Plan's investment options include pooled separate accounts whose investment strategies are similar to equity and fixed income style funds. The objectives of the pooled separate accounts invested in equity investments are to approximate the risk and return characterized by various indices; to seek long term capital appreciation; provide diversified exposure representative of various segments of the U.S. or foreign equity market; and/or to seek income. The objective of the pooled separate accounts invested in fixed income is to provide investment results that approximate the overall performance of certain bond indices and/or to provide a predictable rate of return while preserving the safety of capital and minimizing market risk. These pooled separate accounts are redeemable at net asset value under agreements with the underlying pooled separate accounts. However, it is possible that these redemption rights may be restricted by the pooled separate accounts in the future in accordance with underlying pooled separate account agreements. Due to the nature of the investments held by the separate accounts, changes in market conditions and the economic environment may significantly impact the net asset value of these investments, and consequently, the fair value of the Plan's interest in the pooled separate accounts. Furthermore, changes in the liquidity provisions of the pooled separate accounts may significantly impact the fair value of the Plan's interest in the pooled separate accounts.

## **5. Fully Benefit-Responsive Investment Contract**

As of December 31, 2025 and 2024, the Plan has a guaranteed interest contract with Principal in the amounts of \$612,260 and \$793,133, respectively. The Principal Fixed Income Guaranteed Option is a traditional investment contract and meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

Principal maintains the contributions in a general account. This is a guaranteed general-account backed group annuity contract, issued by Principal Life Insurance Company. A rate of interest contractually guaranteed by Principal Life Insurance Company is credited to participant account balances. No redemption fees, early withdrawal charges, or market value adjustments are charged on participant transfers of assets into or out of the contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment in the Principal Fixed Income Guaranteed Option at contract value on a daily basis. Direct transfers to competing investment options are not permitted. Any transfers out of the Principal Fixed Income Guaranteed Option must first go through a non-competing investment option and reside there for a minimum of ninety days before transfer to a competing investment option. An employer-level surrender of the Plan's interest or initiated transfer will be subject to either a twelve-month advance notice or a 5 percent surrender charge, whichever the Plan fiduciary chooses. The Principal Fixed Income Guarantee Option may make available higher guaranteed rates. If these are available and the Plan fiduciary chooses to move a plan's interest to a higher guaranteed rate, a charge may apply to the Plan's interest. The minimum interest crediting rate is 1.25 percent.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value. The Plan sponsor believes the occurrence of such events that would limit the Plan's ability to transact at contract value with Plan participants is remote. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100 percent vested in all employer contributions in which they are not already vested and the net assets of the Plan would be distributed to Plan participants and beneficiaries in proportion to their respective account balances.

**7. Tax Status**

Effective January 1, 2021, through the adoption of a Prime Pensions, Inc. defined contribution pre-approved plan, the Plan was amended and restated. The Internal Revenue Service ("IRS") issued an opinion letter dated June 30, 2020, stating that the pre-approved defined contribution plan document was designed in accordance with applicable requirements of the IRC as of that date. Although the Plan has been amended since receiving the opinion letter, management of the Plan believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrator believes the Plan, as amended, is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

**8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**9. Related-Party and Party-In-Interest Transactions**

Principal provides recordkeeping and custodial services to the Plan. Plan investments include pooled separate accounts and a guaranteed interest contract managed by affiliates of Principal. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Fees paid by the Plan were \$44,156 for the year ended December 31, 2025.

During 2024, the Club failed to remit to the Plan's custodian certain employee contributions totaling \$9,204 within the period prescribed by the Department of Labor regulations. During 2025, the Club made contributions to the affected participant's account to compensate for potential lost income due to the processing delays. The Club believes that these transactions do not affect the tax status of the Plan and they have taken action prescribed by the regulations to remedy such errors.

**10. Subsequent Events**

Effective January 1, 2026, through the adoption of a Principal Financial Group pre-approved plan, the Plan was amended and restated. The Plan was amended to update the following:

- Change the entry date to monthly for all contribution types;
- Make interns an ineligible class of employees;
- Limit salary deferral contributions to 90 percent of eligible compensation;
- Update the safe harbor matching contribution to be 100 percent of elective deferral contributions that are not over 3 percent of compensation; plus 50 percent of elective deferral contributions which are over 3 percent but are not over 5 percent of compensation calculated on a payroll period basis;
- Remove discretionary employer nonelective contributions provisions from the Plan; and
- Provide for age 59.5 payments, limited to 1 withdrawal in any 12-month period.

Management evaluated subsequent events for the Plan through July 13, 2026, the date the financial statements were available to be issued.

- \* During 2024, the Club failed to remit to the Plan's custodian certain employee contributions totaling \$9,204 within the period prescribed by the Department of Labor regulations. During 2025, the Club made contributions to the affected participant's account to compensate for potential lost income due to the processing delays. The Club believes that these transactions do not affect the tax status of the Plan and that they have taken action prescribed by the regulations to remedy such errors.
