INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Star Distributors, Inc. Employee Benefit Plan

Opinion

We have audited the accompanying financial statements of Star Distributors, Inc. Employee Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of September 30, 2025 and 2024, and the related statements of changes in net assets available for benefits and changes in benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations of Star Distributors, Inc. Employee Benefit Plan as of September 30, 2025 and 2024, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Star Distributors, Inc. Employee Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Star Distributors, Inc. Employee Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Star Distributors, Inc. Employee Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Star Distributors, Inc. Employee Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Note 1: DESCRIPTION OF PLAN

The Star Distributors, Inc. (the "Company") Employee Benefit Plan (the "Plan") is a defined benefit plan, established June 1, 1996. It is a contributory health care plan that provides medical, dental, vision, life, and short-term disability and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The following description of the Plan provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a complete description of the Plan's provisions, copies of which may be obtained from the Plan's sponsor.

General - Only full-time employees of the Company, SCRAPCO, A. Gallo & Company and Thames River Recycling, Inc. are eligible for enrollment in the Plan. A. Gallo & Company and Thames River Recycling, Inc. employees are only eligible for short-term disability benefits. All employees are eligible to enroll and begin participation in the Plan on the first day of the month following 120 days of employment. Enrolled employees may select individual or family coverage and may withdraw from the Plan at any time.

Benefits - The Plan provides medical, dental, vision, life, and short-term disability insurance to eligible employees and their families. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop Loss Coverage - The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits over $50,000 per individual per year, as well as its aggregate exposure for all claims.

Self-insured Benefits - All other Plan benefits are self-insured. The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the general assets of the Company. Despite the Plan's utilization of third-party claim processors, the ultimate responsibility for payments to providers and participants is retained by the Plan.

Contributions - Plan participants each contribute $.01 per week. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

Note 1: DESCRIPTION OF PLAN (continued)

Other - The Company believes the Plan will continue to operate without interruption but reserves the right to terminate the Plan at any time. Upon termination of the Plan, priorities of distributions have been established in accordance with the requirements of ERISA. If applicable, all previous contributions to the Plan shall continue to be used for payment of benefits under the Plan until such contributions are exhausted.

The Plan trustee is the fiduciary of the Plan, with full authority to control and manage the operation and administration of the Plan.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make certain estimates and assumptions that affect the reported amount of assets, liabilities, benefit obligations, and changes therein; claims incurred but not reported; eligibility credits; claims payable; and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Other Deposits - Cash in the Plan consists of cash held in a noninterest-bearing bank account. Checks issued in excess of available balances are included in accounts payable and accrued liabilities. Claims of the Plan are handled by a third party claims processor. The claims processor pays all of the claims through an account held on behalf of the Plan. At September 30, 2025 and 2024, the balances in the account were $92,238 and $114,446, respectively.

Stop Loss - The stop loss policy also has a minimum annual aggregate and monthly liability limit, which is based on the number of employees covered by the Plan each month. Premiums for stop loss insurance are included in premium payments in the accompanying statements of changes in net assets available for benefits.

The Company makes an accrual for claims incurred during the policy year which exceed the limit of the stop-loss policy. The stop loss refunds netted against benefit payments were $641,334 and $381,094, for the years ended September 30, 2025 and 2024, respectively.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits - Premiums paid by the Company are recorded as premium payments in the accompanying statements of changes in net assets available for benefits. Benefit claims currently payable include the Plan's liability for claims incurred but not reported and the Plan's liability for claims reported as of September 30, 2025 and 2024 but not yet processed. The Plan allows post-service claims to be filed up to 180 days after the date of service. The Plan's liability for claims incurred but not reported is estimated by the Company taking into consideration prior post-service claims experience and by analyzing claim lag studies through 180 days.

Subsequent Events - The Plan has evaluated subsequent events through July 10, 2026, the date the financial statements were available to be issued.

Note 3: CLAIMS INCURRED BUT NOT REPORTED

Plan benefit obligations of the Company at September 30, 2025 and 2024 for health claims incurred by participants but not reported at that date are estimated by the Company by analyzing claim lag studies. Such amounts are reported at an undiscounted amount because amounts typically are payable within ninety days. Any differences in the amounts estimated and actual amounts will be reported in future years. These amounts are paid by the Plan only if claims are submitted and approved for payment.

Note 4: ADMINISTRATIVE EXPENSES

The Plan pays administrative expenses that consist primarily of administrative fees paid to third-party claims administrators. These expenses are reported on the statements of changes in net assets available for benefits as administrative expenses. All other administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan.

Note 5: RELATED PARTY TRANSACTIONS

Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as party in interest transactions.

Note 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA.

Benefits should be paid to the extent that assets held in the Plan are sufficient to pay outstanding claims. Any excess funds must be used to provide benefits for the Plan participants on such equitable basis as should be determined by the Plan's Advisory Committee.

Note 7: INCOME TAX POLICIES AND PROCEDURES

The Plan is currently exempt from federal and state income taxes under section 501(c)(9) of the Internal Revenue Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status of the Plan. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is tax-exempt. However, the Plan is subject to taxes on unrelated trade or business income. For the years ended September 30, 2025 and 2024, the Plan did not incur a tax liability for unrelated trade or business income.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that is more likely than not would be sustained upon examination by applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits currently in progress.

Note 8: RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 (continued)

Claims and premiums that have been processed and approved for payment at year-end, but not paid and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims and premiums paid in the accompanying financial statements but are recorded on the Form 5500 as a liability.
