Independent Auditor's Report

ONEOK, Inc. Benefit Plan Administration Committee
Medallion 401(k) Plan
100 West Fifth Street
Tulsa, OK 74103

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Medallion 401(k) Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 16, 2025 and December 31, 2024 (liquidation basis), and the statements of changes in net assets available for benefits for the periods of January 1, 2025 to September 16, 2025 and from October 30, 2024 to December 31, 2024 (liquidation basis), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 16, 2025 and December 31, 2024 (liquidation basis), and for the periods of January 1, 2025 to September 16, 2025 and from October 30, 2024 to December 31, 2024 (liquidation basis), stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Plan Termination and Liquidation Basis of Accounting

As discussed in Note 1 to the financial statements, the Board of Managers of GIP III Trophy Intermediate Holdings, L.P., in its capacity as sole member of Medallion Operating Company, LLC, on October 1, 2024 approved termination of the Plan effective October 30, 2024, and management determined liquidation is imminent. As a result, the Plan has presented the 2025 and 2024 financial statements using the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that these financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MEDALLION 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

September 16, 2025 and December 31, 2024

Note 1 – Description of the Plan

Medallion Operating Company, LLC (the Company or Employer) sponsored the Medallion 401(k) Plan (the Plan). On October 31, 2024, the Company became a wholly owned subsidiary of ONEOK, Inc. On October 1, 2024, the Board of Managers of GIP III Trophy Intermediate Holdings, L.P., in its capacity as sole member of the Company, and acting for and on behalf of the Company, adopted resolutions to withdraw from participation in the intelli(k) Pooled Employer Plan (the PEP), spin off the Company's portion of the PEP into the Plan and terminate the Plan effective October 30, 2024. Beginning on November 6, 2024, participants with outstanding loans (notes receivable from participants) were permitted to roll their Plan account balances, including outstanding loans, to the ONEOK, Inc. 401(k) Plan as part of a group rollover. Beginning on April 4, 2025, participants who were not included in the group rollover were permitted to roll their Plan balances to another eligible retirement plan, an individual retirement account, or take a lump sum distribution.

Effective with the Plan's termination, all participants with account balances in the Plan became fully vested in all contribution sources, regardless of status or years of vested service. The Plan's termination also ceased benefit accruals under the Plan and new notes receivable from participants.

The Plan was liquidated and closed on September 16, 2025.

The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan established by spinning off the Company's portion of the PEP into a stand-alone plan effective October 30, 2024. Immediately following the spin-off from the PEP, the Company made the decision to terminate the Plan. As such, no contributions were permitted under the Plan, participants became fully vested, and no new participants were allowed to enter the Plan. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The ONEOK, Inc. Benefit Plan Administration Committee became responsible for the oversight of the Plan on October 31, 2024. Standard Insurance Company (The Standard) and Standard Retirement Services, Inc. maintained the records of the participant data and held the Plan assets.

Participant accounts

Participant accounts were credited with allocations of Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were made in accordance with the terms of the Plan document. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Notes receivable from participants

Participants could not initiate any new loans from their accounts under the Plan. The loans that transferred into the Plan were secured by the balance in the participant's account and bore interest at rates that ranged

from 4.25% to 9.50%. Terms ranged from one to five years. Principal and interest were offset against participant balances in the Plan if they were not rolled into the ONEOK, Inc. 401(k) Plan.

Payment of benefits

Upon termination of the Plan, participants could take a lump sum cash distribution of their account balance or roll their account balances into another qualified plan or an individual retirement account (IRA). Participants who did not elect to take a distribution or rollover had their account balances rolled into an IRA selected by the ONEOK, Inc. Benefit Plan Administration Committee.

Forfeitures

Forfeitures could be used to restore participant balances previously forfeited or pay Plan administrative expenses or reduce Employer contributions. The Plan had no forfeitures as of September 16, 2025 and December 31, 2024, respectively. For the periods ended September 16, 2025 and December 31, 2024, no forfeitures were used.

Administrative expenses

The Plan allowed certain administrative expenses to be paid from Plan assets. Investment expenses netted against investment income represent amounts associated with the net expense ratios of the investments in the Plan's fund lineup.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

Due to the decision to terminate the Plan effective October 30, 2024, the financial statements for the periods from January 1, 2025 through September 16, 2025, and October 30, 2024 through December 31, 2024, are prepared using the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of estimates

The preparation of the financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for delinquent notes receivable from participants has been recorded as of September 16, 2025 and December 31, 2024. Delinquent notes receivable from participants were recorded as a distribution based upon the terms of the Plan document.

Payment of benefits

Benefit payments are recorded when paid. There were no benefits requested before year-end that were not paid.

Subsequent events

The Plan administrator has evaluated subsequent events through July 13, 2026, the date the financial statements were available to be issued.

Note 3 – Information Certified by The Standard

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, The Standard has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of September 16, 2025 and December 31, 2024;
- Net investment income and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for periods from January 1, 2025 through September 16, 2025, and October 30, 2024 through December 31, 2024;
- Investment information included in the footnotes as of September 16, 2025 and December 31, 2024, and on the supplemental schedule of assets (held at end of year) as of December 31, 2024.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to

maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value:

Guaranteed investment contract – Valued at contract value, which approximates fair value.

Pooled separate accounts – Stated at fair value as determined by the issuer of the pooled separate accounts based on the fair market value of the underlying investments, which is valued at the net asset value (NAV) of units of the pooled separate accounts. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no investments held as of September 16, 2025. Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31, 2024:

	Fair value measurements as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Guaranteed investment contract and total assets in the fair value hierarchy	$ -	$ -	$ 581,998	$ 581,998
Investments measured at NAV*				13,867,112
Total investments at fair value				$ 14,449,110

* In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets for the periods from January 1, 2025 through September 16, 2025, and October 30, 2024 through December 31, 2024:

	2025	2024
	Guaranteed Investment Contract	Guaranteed Investment Contract
Balance, beginning of period	$ 581,998	$ -
Interest	6,318	3,177
Purchases	536	713,443
Sales	(588,852)	(134,622)
Balance, end of period	$ -	$ 581,998

Note 5 – Investments Measured Using the NAV per Share as a Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share as a practical expedient as of September 16, 2025 and December 31, 2024.

Investments	Fair value as of September 16, 2025	Fair value as of December 31, 2024	Unfunded commitments	Redemption frequency (if currently eligible)	Redemption notice period
Pooled separate accounts	$ -	$ 13,867,112	n/a	Daily	n/a

Note 6 – Related Party and Party-in-Interest Transactions

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services. Certain administrative expenses were paid by the Company on behalf of the Plan for the year ended December 31, 2024. The Company does not expect reimbursement from the Plan for these expenses.

Certain investments are managed by The Standard. The Plan also held notes receivable from participants. These transactions qualify as party-in-interest transactions. Certain fees incurred by the Plan are included in net depreciation in fair value of investments. The Plan also made direct payments to service providers.

Note 7 – Tax Status

The Company adopted a preapproved defined contribution plan (the Preapproved Plan) sponsored by Standard Retirement Services, Inc. The Internal Revenue Service has determined and informed the Preapproved Plan sponsor by a favorable opinion letter dated June 30, 2020, that the Preapproved Plan is designed in accordance with the applicable sections of the Code. The Preapproved Plan's opinion letter is being relied on by the Plan. Although the Plan has been amended since receiving the opinion letter, Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore believes that the Plan is qualified and the related trust is tax-exempt.

Note 8 – Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of transfers per the financial statements to Form 5500 as of September 16, 2025 and December 31, 2024:

	2025	2024
Transfer per the financial statements	$ -	$ 17,278,318
Transfer related to contributions receivable as of October 30, 2024	-	(115,720)
Transfer per Form 5500	$ -	$ 17,162,598

The following is a reconciliation of the change in net assets available for benefits per the financial statements to Form 5500 for the periods from January 1, 2025 through September 16, 2025, and October 30, 2024 through December 31, 2024:

	2025	2024
Net decrease in net assets available for benefits per financial statements	$ -	$ (2,632,468)
Transfer related to contributions receivable as of October 30, 2025	-	115,720
Net loss per Form 5500	$ -	$ (2,516,748)
