Tower Car Wash Health and Welfare Plan

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Tower Car Wash Health and Welfare Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Tower Car Wash Health and Welfare Plan, as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Tower Car Wash Health and Welfare Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tower Car Wash Health and Welfare Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Baker Tilly Advisory Group, LP and Baker Tilly US, LLP, trading as Baker Tilly, are members of the global network of Baker Tilly International Ltd., the members of which are separate and independent legal entities. Baker Tilly US, LLP is a licensed CPA firm that provides assurance services to its clients. Baker Tilly Advisory Group, LP and its subsidiary entities provide tax and consulting services to their clients and are not licensed CPA firms.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tower Car Wash Health and Welfare Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about Tower Car Wash Health and Welfare Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Tower Car Wash Health and Welfare Plan

Notes to Financial Statements

Note 1 – Description of Plan

The following description of the Tower Car Wash Health and Welfare Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of Plan provisions.

General – The Plan provides health and welfare benefits to substantially all full-time employees of Tower Car Wash (Plan Sponsor and Employer) who have at least 90 days of service and who are scheduled to work more than eight hours per week in San Francisco, and who are not (1) compensated shareholders, (2) employees that have waived or are exempt from the San Francisco Health Care Security Ordinance, or (3) employees enrolled in a group medical plan either through their employer or another employer's group plan, including their spouses or parent's plan. The plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Eligible participants (employees) enter the Plan on the first day of the month coinciding with or next following the date on which such requirements are satisfied.

The Plan was originated to be in compliance with Article 21: San Francisco Health Care Security Ordinance (SFHCSO), which requires employers with 20+ employees working in San Francisco (50+ for Not For Profits) at least eight hours a week to contribute a calculated amount per hour to the Plan to reimburse for covered expenditures submitted by plan participants.

Contributions – The Plan is funded solely through employer quarterly contributions for those employees who worked a minimum average of eight hours per week in San Francisco at an hourly rate of \$3.51 for 2024. The hourly rate will be adjusted in accordance with the SFHCSO every year. Each participant will accrue a benefit for each week worked and the total accrued during each calendar quarter will be credited to the Participant's account within 30 days after the last day of the quarter. Participants are vested immediately in the employer contributions.

Participant accounts – Each participant's account is credited with the employer's contributions. Once an amount is credited, it will remain available to participants for their benefits until such account balance has been depleted. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on a flat amount each quarter for participants with account balances.

Plan benefits – The Plan provides for reimbursement to participants for qualifying expenses. The plan allows participants to be reimbursed 100% for certain out-of-pocket dental and vision expenses which are incurred by the participant and their dependents subject to their available account balance. The expenses which qualify are those permitted by Federal Regulation 54.9831-1. Participants are also eligible for reimbursement for any other Internal Revenue Service (IRS) allowed "excepted benefit" including dental and vision expenses and medical indemnity insurance premiums, long-term, nursing home, home health, community-based care, and coverage limited to a specific disease or illness.

Plan termination – The Plan Sponsor, as plan administrator, does not have the right to terminate the Plan. Participants shall continue to be eligible for reimbursement as irrevocable balances will remain available until depleted through eligible claims and account maintenance fees.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP), using the accrual method of accounting.

Use of estimates – The preparation of financial statements in conformity with GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentration of credit risk – Plan assets are held by a financial institution. Deposits maintained in the Plan account are restricted for payments of Plan benefits and administrative expenses. Cash held in the account by the financial institution is insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At times, the balance of the cash account may be in excess of federally insured limits.

Contributions receivable – Contributions due from the employer but not received at year-end are recorded as contributions receivable in the accompanying statements of net assets available for benefits.

Payment of benefits – Benefits are recorded when paid.

Expenses – Administrative expenses are paid by the participants for maintenance of participants' accounts and for administration of the Plan on a quarterly basis.

Subsequent events – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before the financial statements are available to be issued.

The Plan has evaluated subsequent events through July 9, 2026, which is the date the financial statements were available to be issued.

Note 3 – Tax Status

The Plan's assets are held by the trust that does not qualify as a tax-exempt trust under the Internal Revenue Code. Accordingly, the trust is subject to federal and applicable state income taxes on any taxable income generated by trust assets. During the year ended December 31, 2024, the trust's assets were maintained exclusively in a noninterest-bearing cash account. As a result, the trust did not earn investment income during the year and did not incur federal or state income tax expense.

In accordance with guidance on accounting for uncertainty in income taxes, the Plan administrator has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 4 – Party-in-Interest Transactions

The Plan sponsor has contracted with a third party for administrative services. Navia Benefits Solutions administers participant accounts and processes benefit reimbursements which are related to services provided by parties in interest.

Note 5 – Reconciliation to Form 5500

The following is a reconciliation of the net assets available for benefits reported in the financial statements and the net assets reported on the Form 5500 as of December 31:

	2024	2023
Net assets available for benefits, per the financial statements	\$ 1,034,389	\$ 957,157
Less amounts transferred into the plan	-	(404,334) (*)
Less amounts accrued for employer receivables	(77,141)	(118,025)
Add amounts accrued for expenses	5,063	5,379
	<u>5,063</u>	<u>5,379</u>
Net assets per the Form 5500	<u>\$ 962,311</u>	<u>\$ 440,177</u>

(*) This transfer was recorded on the financial statements on December 31, 2023 while the transfer was recorded on the 5500 Form on January 1, 2024.

The following is a reconciliation of the change in net assets available for benefits reported in the financial statements and the net income reported on the Form 5500 for the year ended December 31, 2024:

Change in net assets available for benefits	
per the financial statements	\$ 77,232
Add prior year receivable	118,025
Less current year accrued receivable	(77,141)
Less prior year accrued expenses	(5,379)
Add current year accrued expenses	5,063
	<u>5,063</u>
Net income per the Form 5500	<u>\$ 117,799</u>

The Form 5500 has certain items that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.
