INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
Honolulu Community Action Program, Inc.
Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Honolulu Community Action Program, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of September 30, 2025 and 2024, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Honolulu Community Action Program, Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended September 30, 2025 and 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Honolulu Community Action Program, Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Honolulu Community Action Program, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Honolulu Community Action Program, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Honolulu Community Action Program, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting because the audit does not include auditing procedures over certified investment information.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) (modified cash basis) as of September 30, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

Years Ended September 30, 2025 and 2024

1. DESCRIPTION OF THE PLAN

The following description of the Honolulu Community Action Program, Inc. Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan, established in 1988 by Honolulu Community Action Program, Inc. (HCAP), provides retirement benefits to all eligible employees of HCAP. The Plan is a 403(b) plan, which is subject to the provisions of ERISA.

The Plan was intended to be an ERISA Section 404(c) participant-directed plan, which means that the participants exercise control over the assets in their individual accounts and that Plan fiduciaries may be relieved of liability for losses that are a result of participant investment instructions if certain requirements are met.

b. Eligibility for Elective Deferral and Employer Contributions

Participants will be eligible to begin making elective deferrals to the Plan upon the date their employment begins. Participants will be eligible for employer contributions immediately upon reaching age 18 and the completion of 1,000 hours of service, which is approximately six (6) months of employment.

c. Contributions

Participants will be permitted to make elective deferrals up to the maximum allowed by current law. HCAP will match a percentage of participants' elective deferrals for the plan year. HCAP will determine the uniform matching percentage to be contributed on behalf of participants who are eligible for employer contribution. For purposes of the employer's matching contribution, participants' elective deferrals in excess of a uniform percent of compensation will not be taken into account. The participants may be entitled to share in the contributions made by HCAP to the Plan. The amount of contribution made by HCAP each plan year is based on HCAP's discretion and may be zero in some years.

d. Forfeitures

Participant accounts that are not fully vested at the time of termination may result in forfeitures. Forfeitures may be used to pay eligible Plan administrative expenses and, to the extent not used, may be used to reduce future employer contributions, as permitted by the Plan document. During the years ended September 30, 2025 and 2024, amounts forfeited totaled \$14,608 and \$1,524, respectively. As of September 30, 2025 and 2024, the balance of unallocated forfeitures totaled \$133,384 and \$113,417, respectively.

RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

Years Ended September 30, 2025 and 2024

1. DESCRIPTION OF THE PLAN (CONTINUED)

e. Notes Receivable from Participants

Participants are allowed to apply to the Plan Administrator for a loan that may not exceed the lesser of \$50,000, or 50% of their vested interest in the Plan. Any unpaid loan balance will be deducted from participants' benefits when paid as a result of any distributable events.

f. Plan Benefits

Participants will be fully vested in their accounts derived from their elective deferrals. Participants are also vested the applicable percentage of HCAP's contributions as follows:

<u>Years of service</u>	<u>HCAP's contributions</u>
1-2	25%
2-3	50%
3-4	75%
4 or more	100%

Employee benefits under the Plan will be in the form of payments under the investment arrangements, which in the case of an annuity contract, may be in the form of periodic payments at regular intervals either for a period certain or for one or more lives, and in the case of a custodial account, may be in the form of a lump sum payment or payments of a specified amount or for a specified period or such other options as permitted under the custodial agreement.

g. Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of HCAP's matching contribution and Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Basis of Accounting

The accompanying financial statements are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Under this method, contributions are recorded when received in cash, and benefit payments and certain expenses are recorded when paid. Accruals may be recorded for certain items, such as forfeitures or known refunds, when deemed necessary to fairly present the Plan's net assets available for benefits and changes therein. The basis of accounting differs from GAAP primarily because it does not recognize certain receivables and payables.

Years Ended September 30, 2025 and 2024

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

b. Investment Valuation

Investments other than fully benefit-responsive contract described in Note 10 are stated at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Investment transactions are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation or depreciation in the fair value of investments includes realized gains and losses on investments sold during the year and unrealized gains and losses on investments held at year-end.

c. Administrative Expenses

Administrative expenses are paid by the Plan as provided by the Plan document. Expenses include maintenance charge, separate account charge at an annual rate ranging from 1% to 1.25% of the average daily net asset value of separate account, and cash surrender or withdrawal charge. Charges against separate accounts, paid by the Plan, are recorded as deductions in the accompanying statement of changes in net assets available for benefits.

d. Payment of Benefits

Participant benefits are recorded when paid.

e. Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of Plan assets and the actuarial present value of accumulated plan benefits at the date of the financial statements. Actual results could differ from those estimates.

f. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of September 30, 2025 and 2024, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the note receivable from the participant to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

g. Revenue Recognition

Contributions from participants and the employer are recognized as additions to net assets when received by the Plan's custodian.

3. INVESTMENTS

The Plan's investments that represented five percent or more of the Plan's net assets available for benefits as of September 30, 2025 and 2024 are as follows:

	2025	2024
Valic Fixed-Interest	\$ 2,744,257	\$ 2,518,502
BNY Mellon Intl Stock Index	\$ 1,440,998	\$ 1,185,352
BNY Mellon S&P 500 Index	\$ 1,359,471	\$ 741,844
Amer Funds Amer Bal R4	\$ 1,170,442	\$ 1,363,948
PIMCO Total Return Fund A	\$ 1,006,752	\$ -
BYN Mellon Mid CAP Index	\$ 1,006,325	\$ 1,141,275
Amer FDS Growth FD America R4	\$ 1,000,103	\$ 1,116,230
Amcent Inf-ADJ Bond Inv	\$ 943,714	\$ -

During 2025 and 2024, the Plan's investments (including investments bought, sold, and held during the year) appreciated in value as follows:

	2025	2024
Mutual funds	\$ 502,689	\$ 1,692,182
Annuity funds	39,951	52,060
Net appreciation in fair value of investments	<u>\$ 542,640</u>	<u>\$ 1,744,242</u>

4. INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Plan by a letter dated April 29, 1987, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. INFORMATION CERTIFIED BY CUSTODIAN

Certain investment information of the Plan is prepared and certified to the Plan by the Variable Annuity Life Insurance Company (VALIC) (the custodian), which management has determined is a qualified institution under ERISA Section 103(a)(3)(C). VALIC has certified to the Plan that, as of and for the years ended September 30, 2025 and 2024, the investment information it provided to the Plan, including the fair value or contract value of the investments it holds on behalf of the Plan and related investment income and expense, is complete and accurate.

The accompanying financial statements and supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) include investment information that agrees to, or is derived from, the information prepared and certified to the Plan by VALIC. Investment balances and related activity for assets held by VALIC are based on, and presented in conformity with, that certified information.

Plan management is responsible for determining that VALIC is a qualified institution under ERISA Section 103(a)(3)(C), that the certification meets the requirements of that section, and that the certified investment information is appropriately measured, presented, and disclosed in these financial statements.

	2025	2024
Investments	\$ 15,092,942	\$ 13,899,098
Investment income:		
Net appreciation in fair value of investments	\$ 542,640	\$ 1,744,242
Interest and dividends	\$ 860,391	\$ 571,647

6. PARTY-IN-INTEREST

Parties-in-interest are defined under ERISA as any fiduciaries of the Plan, any party rendering services to the Plan, the employer, and certain others. The Plan's investments and held and managed by VALIC, which is a service provider to the Plan and therefore a party-in-interest. Transactions with VALIC, including investment management fees and recordkeeping services, qualify as party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA. Fees paid to VALIC amounted to \$50,007 and \$35,459, respectively, for the years ended September 30, 2025 and 2024.

Management is not aware of any non-exempt prohibited transactions for the years ended September 30, 2025 and 2024.

Years Ended September 30, 2025 and 2024

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their accounts and the net assets of the Plan would be distributed to the participants in accordance with the terms of the Plan and ERISA.

As of September 30, 2025, no formal action has been taken by the Company to terminate the Plan.

8. FAIR VALUE MEASUREMENTS

FASB Accounting Standards Codification 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted market prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value at September 30, 2025.

- Mutual Fund: Valued at fair value based on quoted market prices and contract values
- Annuity Fund: Valued at fair value based on quoted market prices and contract values

**HONOLULU COMMUNITY ACTION PROGRAM, INC.
RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

Years Ended September 30, 2025 and 2024

8. FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2025 and 2024:

Assets at Fair Value as of September 30, 2025				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 11,732,276	\$ 2,744,257	\$ -	\$ 14,476,533
Annuity funds	262,786	61,106	-	323,892
Total assets at fair value	<u>\$ 11,995,062</u>	<u>\$ 2,805,363</u>	<u>\$ -</u>	<u>\$ 14,800,425</u>

Assets at Fair Value as of September 30, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 10,928,120	\$ 2,518,502	\$ -	\$ 13,446,622
Annuity funds	226,385	59,644	-	286,029
Total assets at fair value	<u>\$ 11,154,505</u>	<u>\$ 2,578,146</u>	<u>\$ -</u>	<u>\$ 13,732,651</u>

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

10. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds a guaranteed investment contract with VALIC that is considered a fully benefit-responsive investment contract. The contract is included in the financial statements at contract value, which is the relevant measurement attribute for fully benefit-responsive investment contracts because it is the amount the participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions plus credited earnings, less participant withdrawals and administrative expenses.

**HONOLULU COMMUNITY ACTION PROGRAM, INC.
RETIREMENT SAVINGS PLAN**

Notes to Financial Statements

Years Ended September 30, 2025 and 2024

10. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Under the terms of the contract, VALIC is obligated to repay principal and a specified interest rate that may be fixed or reset periodically. Certain events, such as significant plan amendments, plan termination, a complete or partial Company-initiated layoff of a significant number of Plan participants, failure of the Company to meet its contractual obligations under the Plan, or may allow the contract issuer to terminate the contract at an amount different from contract value. As of September 30, 2025 and 2024, management is not aware of the occurrence of any such events.

Either party to the group annuity contract may terminate the contract with at least 30 days advance written notice to the other party. The contract termination date shall be any business day on or after the expiration of the 30-day notification period.

11. SUBSEQUENT EVENTS

Management has evaluated subsequent events and transactions that occurred after the balance sheet date for potential recognition and disclosure through January 27, 2026, the date on which the financial statements were available to be issued.
