Alex E. Paris Contracting Company, Inc. Safe Harbor 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Alex E. Paris Contracting Company, Inc. Safe Harbor 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023; the related statement of changes in net assets available for benefits for the year ended December 31, 2024; and the related notes to the financial statements (collectively, the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from AmeriServ Wealth & Capital Management as of December 31, 2024 and 2023, and Empower Trust Company for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Opinion (Continued)**

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matters (Continued)

Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAFE HARBOR 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Alex E. Paris Contracting Company, Inc. Safe Harbor 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan’s sponsor is Alex E. Paris Contracting Company, Inc. (the “Employer”).

General

The Plan is a defined contribution plan covering a substantial portion of the employees of the Employer who have one year of service and are age 21 or older. An employee is an “Eligible Employee” if the employee is employed by Alex E. Paris Contracting Company, Inc. or any affiliate who has adopted the Plan. For Safe Harbor Contributions, the term “Eligible Employee,” for the exclusion of classes of employees, shall have the same meaning as Elective Deferrals. However, an employee is not an “Eligible Employee” if the employee is a member of any of the following classes of employees:

For purposes of Elective Deferral Contributions, Safe Harbor Matching Contributions, and Profit-Sharing Contributions, the following individuals are excluded: union employees whose employment is governed by a collective bargaining agreement that addresses retirement benefits, unless the agreement states otherwise; certain nonresident aliens with no earned income from U.S. sources; and, effective January 1, 2025, employees who are residents of Puerto Rico. Leased employees and reclassified employees, those not treated as common law employees on payroll, such as independent contractors or outsourced workers, are also excluded.

Additionally, the term “Eligible Employee” does not include individuals classified as Pipe Benders for purposes of Elective Deferrals, Matching Contributions, and Profit-Sharing Contributions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan began operations on January 1, 1998. The Plan was restated effective May 1, 2024, due to a change in Trustees.

Elective Deferral and Safe Harbor Contributions

An employee will become eligible to make Elective Deferral Contributions and begin receiving Safe Harbor Contributions on the first day of the calendar month coinciding with or next following the date the employee attains age 21, provided the employee is an Eligible Employee on that date, with no service requirement.

The amount of each Elective Deferral Contribution for a participant shall be equal to a portion of compensation. A participant who is age 50 or older by the end of the taxable year shall be eligible to make catch-up contributions. In addition, a participant may elect to designate all or any portion of his/her future elective deferrals as Roth Elective Deferral Contributions. Elective Deferral Contributions are 100 percent vested at all times.

The Employer may make discretionary matching contributions. The percentage of Elective Deferral Contributions matched, if any, shall be a percentage as determined by the Employer. Matching contributions are 100 percent vested at all times.

SAFE HARBOR 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Elective Deferral and Safe Harbor Contributions (Continued)

Compensation means wages that are subject to income tax withholding under the federal income tax withholding rules. For any self-employed individual, Compensation will mean earned income. Contributions will exclude bonuses for Profit-Sharing Contributions; commissions for Profit Sharing Contributions; overtime for Profit-Sharing Contributions.

Profit Sharing Contributions

An employee will become a Participant with respect to Profit Sharing Contributions on the (a) first day of the first month of the Plan Year or (b) first day of the seventh month of the Plan Year coincident with or next following the date the employee attains age 21, completes one Year of Eligibility Service and completes 1,000 hours of service during the relevant eligibility computation period, provided that the employee is an Eligible Employee on that date.

In addition, Profit Sharing Contributions may be made for each Plan year in an amount determined by the Employer. These contributions are subject to a vesting schedule.

Participant Accounts

Each participant's account is credited with Deferred Contributions, Employer Contributions, and Plan earnings. Profit Sharing Contributions will be allocated to the Profit-Sharing Contribution Accounts of each participant eligible to share in such allocations after the end of the Plan year. Such contributions will be allocated to the Profit-Sharing Contribution Account of each participant eligible in pro rata shares. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their contributions and actual earnings thereon. Participants become fully vested in Profit Sharing Contribution after six years of service. Employees become vested as follows: 0 percent for/at less than 2 years; 20 percent after 2 years; 40 percent after 3 years; 60 percent after 4 years; 80 percent after 5 years; and 100 percent after 6 years. An employee will become 100 percent vested as a result of death or disability.

Payments of Benefits

Benefits are recorded when paid. The Plan will make a mandatory distribution following severance from employment. The maximum number of in-service distributions a participant may receive during a plan year is two.

Forfeitures

The balance in the forfeiture account as of December 31, 2024 and 2023, was \$17,022 and \$5,979, respectively. Forfeitures can be used to offset Plan expenses or reduce future Profit Sharing Contributions. During the year ended December 31, 2024, forfeitures of \$6,057 were used to reduce the Employer's profit-sharing contribution.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting and reporting policies applied in the presentation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of investments includes investments purchased, sold, and held during the year.

Payment of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan did not have excess contributions payable at December 2024 or 2023.

Expenses

Certain administrative functions are performed by officers and employees of the Employer. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Employer, while some are absorbed by the Plan. Expenses paid by the Plan were \$144,771 for the year ended December 31, 2024.

Subsequent Events

The Plan has evaluated subsequent events through September 5, 2025, the date that the financial statements were issued.

ALEX E. PARIS CONTRACTING COMPANY, INC.
SAFE HARBOR 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by AmeriServ Wealth & Capital Management and Empower Trust Company (the trustees of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- *Level I:* Inputs to the valuation methodology are unadjusted quoted prices for assets or liabilities in active markets that the Plan has the ability to access.
- *Level II:* Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- *Level III:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed annuity contract: The reported values for fixed annuity options are reported daily based on the valuation method disclosed in the insurance contract, as calculated by the annuity provider.

ALEX E. PARIS CONTRACTING COMPANY, INC.
SAFE HARBOR 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Common Collective Trusts: The unit value is determined on a daily basis. Units are issued and redeemed at their unit value. Net investment income and realized and unrealized gains and losses on investments are not distributed to participants and are reflected in the unit value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

		December 31, 2024			
		Level I	Level II	Level III	Total
Mutual funds	\$	20,177,821	\$ -	\$ -	\$ 20,177,821
Fixed Annuities		-	4,199,371	-	4,199,371
Common/collective funds measured using NAV (a)		-	-	-	6,716,900
Total Assets at Fair Value	\$	<u>20,177,821</u>	<u>4,199,371</u>	<u>-</u>	<u>31,094,092</u>

		December 31, 2023			
		Level I	Level II	Level III	Total
Money market	\$	50,138	\$ -	\$ -	\$ 50,138
Mutual funds		3,726,966	-	-	3,726,966

Total Assets at Fair Value	\$	<u>3,777,104</u>	<u>-</u>	<u>-</u>	<u>28,437,733</u>

- (a) Investments that were measured at NAV per share (or its equivalent as a practical expedient) have not been classified in the fair value hierarchy. These amounts are being presented in the tables above to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

ALEX E. PARIS CONTRACTING COMPANY, INC.
SAFE HARBOR 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 5 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under the Department of Labor's regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. The Employer absorbs some costs incurred in relation to the administration of the Plan, such as legal and audit-related fees.

The Plan also includes a party-in-interest investment option known as the EI Fixed Account–Series Class 1.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7 – TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated November 14, 2022, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
