INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
AMSTED Retirement Savings
Plan for Bargaining Unit Employees
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of AMSTED Retirement Savings Plan for Bargaining Unit Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of September 30, 2025 and 2024, and for the year ended September 30, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

(Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of September 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AMSTED RETIREMENT SAVINGS PLAN
FOR BARGAINING UNIT EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
September 30, 2025 and 2024

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN

The following description of the AMSTED Retirement Savings Plan for Bargaining Unit Employees (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General: The Plan, as amended and restated on October 1, 2015, is a defined contribution plan covering certain union employees of AMSTED Industries Incorporated (the “Company”) and its participating affiliates, as stated in the plan agreement. Employees are eligible to participate based on the terms of their collective bargaining agreement. Effective October 1, 2016 the name of the Plan changed to the AMSTED Retirement Savings Plan for Bargaining Unit Employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Master Trust: The Plan’s investments are in the AMSTED Industries Employees’ Capital Accumulation Plan, the AMSTED Retirement Savings Plan for Bargaining Employees and the AMSTED Industries 401(k) Plan for Joint Venture Employees Master Trust (“Master Trust”). The Master Trust was established for the investment of assets of the Plan and other defined contribution plans sponsored by AMSTED Industries, Inc. Each participating retirement plan holds units of participation in the Master Trust. The assets of the Master Trust are held by Fidelity Management Trust Company. The Plan’s interest in the net assets of the Master Trust is based upon the plan participants’ interest in the underlying participant-directed investments of the Master Trust. Investment income and administrative expenses relating to the Master Trust are allocated to the individual plans based upon their interests in each of the underlying participant-directed investments.

Participant Accounts: Each participant’s account is credited with the participant’s own contributions, the Company’s matching contribution where applicable, the Company’s employer contribution where applicable, additional discretionary profit-sharing contributions where applicable, and an allocation of investment earnings/losses and administrative expenses. Allocations are based on the participant’s compensation or account balance, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Notes Receivable from Participants: Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Loan terms range from 1 to 5 years and up to 10 years for the purchase of a primary residence. The loans are collateralized by the balance in the participant’s account and bear interest at the prime rate plus 1%. Principal and interest are paid ratably through payroll deductions.

Contributions: Participants may contribute a percentage of annual compensation, as defined by the Plan. Limitations on the participant contributions vary by participating affiliate. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participating affiliates of the Company may make matching contributions based on the level of participant contributions, subject to the Plan’s provisions. For participants at certain participating affiliates who are not eligible to participate in or are no longer eligible to accrue benefit service under a defined benefit pension plan maintained by the Company, the Company will make an employer contribution on behalf of such participant equal to a percentage of the participant’s considered compensation. In previous plan years, certain participating affiliates of the Company also made a profit-sharing contribution equal to a percentage of each eligible participant’s annual compensation as defined by the Collective Bargaining Agreement. All matching, employer, and discretionary profit-sharing contributions are based on each collective bargaining agreement.

FOR BARGAINING UNIT EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
September 30, 2025 and 2024

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN (Continued)

Plan Transfers: During the year ended September 30, 2025, a net amount of \$439,757 was transferred to the Amsted Industries Employees' Capital Accumulation Plan due to changes in employee status.

Payment of Benefits: On termination of service for any reason, a participant or beneficiary, if applicable, may elect to receive a single lump sum amount equal to the value of the participant's vested interest in their account. Other methods of distribution are also available to certain plan participants whose benefit options were protected benefits from prior plans that have subsequently merged into the Plan. At the attainment of age 59½, subject to certain limitations, a participant may make a one-time withdrawal from his or her vested account. These payments and withdrawals are subject to certain conditions and elections as defined in the plan agreement. Distributions from the Plan are subject to federal income tax rules and regulations.

Vesting: Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and profit-sharing contribution portion of their accounts, if any, plus actual earnings thereon, is based on years of continuous service. Vesting schedules vary by collective bargaining agreement. In the event of death, disability, or retirement and at designated ages (as defined in the plan agreement), participants become fully vested.

Termination of the Plan: The Company anticipates and believes that the Plan will continue without interruption but reserves the right to amend or discontinue the Plan at any time. In the event the Plan is discontinued, the Plan's assets will be distributed to participants in accordance with the Plan's provisions, subject to the provisions of ERISA. In the event of the Plan's termination, participants would become 100% vested in their employer contributions.

Administrative and Investment Management Expenses: Loan origination fees associated with notes receivable from participants and fees associated with participant withdrawals from the Plan are paid by the participants. The Plan's recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses of the Plan. Investment management fees are charged to the Master Trust as a reduction of investment return and included in the investment income (loss) reported by the Master Trust and the Plan. All other expenses of the Plan are paid by the Company and are excluded from these financial statements.

Forfeited Accounts: Forfeitures are used to reduce future Company matching contributions. Forfeitures of approximately \$147,000 used to offset employer contributions for the year ended September 30, 2025. As of September 30, 2025 and 2024, forfeited non-vested accounts totaled \$357,635 and \$323,299, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Investment Valuation and Income Recognition: The Plan's interest in the Master Trust and the Master Trust's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's interest in the Master Trust's gains and losses on investments bought and sold as well as held by the Master Trust during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits: Benefits are recorded when paid.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Risks and Uncertainties: The Plan and the Master Trust hold various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity and credit risks as well as risks associated with global events. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the fair values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – CERTIFIED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at September 30, 2025 and 2024, and any investment income from the Plan's interest in the Master Trust and interest income on notes receivable from participants for the year ended September 30, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan).

NOTE 4 – MASTER TRUST

The following table presents the net assets of the Master Trust at the respective dates.

	September 30, 2025		September 30, 2024	
	<u>Master Trust</u>	<u>Plan's Interest in Master Trust</u>	<u>Master Trust</u>	<u>Plan's Interest in Master Trust</u>
Investments at estimated fair value:

NOTE 4 – MASTER TRUST (Continued)

The net investment income of the Master Trust for the year ended September 30, 2025, is as follows:

Investment income:	
Net appreciation in fair value of investments	\$ 104,416,185
Interest and dividends	<u>7,439,849</u>
	<u>\$ 111,856,034</u>

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan and those held as underlying investments of the Master Trust.

Plan interest in investments of Master Trust: The fair value of the Plan's interest in the Master Trust's investments reflects the Plan's interest in the fair value of the underlying investments of the Master Trust.

Mutual funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective trust funds: The fair values of participation units held in collective trust funds are based on their net asset values reported by the fund managers as of the Plan's financial statement dates and recent transaction prices. The underlying investments for all funds vary, with some holding diversified portfolios of domestic and international stocks, government agency and corporate bonds, and others holding collective investment funds. The Master Trust also holds units in a stable value collective trust fund which invests in assets such as fixed-income securities, bond funds and a variety of investment contracts and may include derivative instruments such as futures contracts and swap agreements. The fund also enters into wrapper contracts issued by third parties and invests in cash equivalents. Each fund provides for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

NOTE 4 – MASTER TRUST (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes its valuation methods and the investment valuation methods of the Master Trust are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Assets of the Master Trust as of September 30, 2025, that are measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements at September 30, 2025			
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$ 275,936,523	\$ -	\$ -	\$ 275,936,523
Investments measured at net asset value*:				
Collective trust funds	-	-	-	613,739,491
Total	<u>\$ 275,936,523</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 889,676,014</u>

Assets of the Master Trust as of September 30, 2024, that are measured at fair value on a recurring basis are summarized below:

	Fair Value Measurements at September 30, 2024			
	Level 1	Level 2	Level 3	Total
Investments:				
Mutual funds	\$ 262,488,885	\$ -	\$ -	\$ 262,488,885
Investments measured at net asset value*:				
Collective trust funds	-	-	-	554,517,711
Total	<u>\$ 262,488,885</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 817,006,596</u>

* Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the line items presented in the disclosure of net assets of the Master Trust.

NOTE 5 – TAX STATUS OF THE PLAN

The Internal Revenue Service has determined and informed the Company by a letter dated August 30, 2017 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since applying for the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor or Internal Revenue Services. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2022.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. The Plan and the Master Trust hold investments in shares of mutual funds managed by Fidelity Investments, an affiliate of the plan trustee, and collective trust funds issued by Fidelity Management Trust Company, the plan trustee. These transactions, and any fees paid by the Plan to these entities or their affiliates for administrative, trustee or recordkeeping services qualify as party-in-interest transactions.

Additionally, administrative fees paid by the Plan to auditors, investment advisors or any other plan service providers also qualify as party-in-interest transactions. Such costs are included in administrative expenses in the accompanying financial statements. The Plan held notes receivable from plan participants, and therefore, these transactions also qualify as party-in-interest transactions.

NOTE 7 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of September 30, 2025 and 2024:

	<u>2025</u>	<u>2024</u>
Net assets available for benefits per the financial statements	\$ 71,340,603	\$ 69,613,515
Change in value reported on the Form 5500 and the financial statements for the stable value collective trust	<u>(56,782)</u>	<u>(81,490)</u>
Net assets per the Form 5500	<u>\$ 71,283,821</u>	<u>\$ 69,532,025</u>

The following is a reconciliation of the change in net assets available for benefits for the year ended September 30, 2025, per the financial statements to the net income reported in the Form 5500:

Increase in net assets available for benefits per the financial statements (prior to transfers)	\$ 2,166,845
Change in value reported on the Form 5500 and the financial statements for the stable value collective trust	<u>24,708</u>
Net income per the Form 5500	<u>\$ 2,191,553</u>

NOTE 8 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through July 14, 2026, which is the date the financial statements were available to be issued.
