INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Alabama Farmers Cooperative, Inc. Employees' Welfare Benefit Plan

Opinion

We have audited the accompanying financial statements of Alabama Farmers Cooperative, Inc. Employees' Welfare Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of benefit obligations and net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in benefit obligations and net assets available benefits for the year ended September 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the benefit obligations and net assets available for benefits of Alabama Farmers Cooperative, Inc. Employees' Welfare Benefit Plan as of September 30, 2025 and 2024, and the changes in benefit obligations and net assets available for benefits for the year ended September 30, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Alabama Farmers Cooperative, Inc. Employees' Welfare Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alabama Farmers Cooperative, Inc. Employees' Welfare Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alabama Farmers Cooperative, Inc. Employees' Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alabama Farmers Cooperative, Inc. Employees' Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

1. DESCRIPTION OF THE PLAN

The following description of the Alabama Farmers Cooperative, Inc. Employees' Welfare Benefit Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

General

The Plan and related trust were established on October 1, 1981, to provide health and other benefits to substantially all employees and dependents of Alabama Farmers Cooperative, Inc. and its affiliates (the Sponsor) and former employees electing coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) provisions. Blue Cross and Blue Shield of Alabama (the Claims Administrator) controls and manages the operations and claims administration of the Plan. Effective January 1, 2021, the Plan became fully insured for medical benefits through Blue Cross Blue Shield of Alabama. Dental claims are self-insured. Effective September 30, 2025, the Plan became fully insured for dental claims through Blue Cross Blue Shield of Alabama and closed the trust underlying the Plan.

The Plan covers all regular, full-time and part-time employees who have completed a 30-day service requirement and are age 17 or older.

Benefits

The Plan provides hospital, dental, surgical and major medical benefits, basic group term life, accidental death and dismemberment, short-term and long-term disability insurance to covered employees, their beneficiaries or covered dependents. Hospital, surgical and major medical benefits are fully insured and offer Plan participants coverage under three programs offered by the Claims Administrator. The Plan is self-insured for dental claims and offers Plan participants two programs to elect from. Dental claims are processed and paid by the Claims Administrator and then reimbursed by the Plan. Basic group term life, accidental death and dismemberment, short-term and long-term disability benefits are fully insured through Life Insurance Company of North America. Effective September 30, 2025, the Plan became fully insured for dental claims.

Contributions

The Plan is an employer/employee shared cost plan. The Plan Agreement authorizes the Sponsor to make monthly medical and dental contributions to the Plan as determined by the Sponsor's Board of Directors annually. Participating employees will pay a weekly or bi-weekly contribution for health and dental coverage. The Sponsor makes contributions to the Plan as needed to fund claims in excess of participants' contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates
The preparation of financial statements in accordance with GAAP requires management to make estimates that affect the reported amounts of assets and liabilities, benefit obligations and changes therein, claims payable and claims incurred but not reported, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Sponsor determines the Plan's valuation policies utilizing information provided by the custodian of the Plan. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis.

Payment of Benefits
Premiums paid by either the Sponsor or Trust are recorded as premium payments in the accompanying statement of changes in benefit obligations and net assets available for benefits. Payments for claims and premiums are recorded when paid.

Expenses of the Plan
Claims service fees are paid directly from the Plan to the Claims Administrator. Certain professional fees are also paid by the Plan while substantially all of the Plan's other administrative expenses are paid on behalf of the participants by the Sponsor and are not reflected in the accompanying financial statements.

Income Taxes
GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by its taxing jurisdiction; however, there are currently no audits from any tax periods in progress.

Transfers to Plan Sponsor
Transfers to plan sponsor in the financial statements represent excess amounts remaining in the Trust that were transferred to the Sponsor when the Trust was closed. These amounts will be maintained and administered for the exclusive benefit of Plan participants and beneficiaries.

Concentration of Credit Risk
The Plan places its temporary cash investments with federally insured financial institutions. At various times throughout the year ended September 30, 2025, temporary cash investment balances held at financial institutions were in excess of federally insured limits. However, the Plan has not experienced any losses in such accounts, and management believes the Plan is not exposed to any significant credit risk on these accounts.

Subsequent Events
The Plan administrator has evaluated subsequent events through July 8, 2026, the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the accounting standards are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

  If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The Plan's assets measured at fair value consist of interest-bearing cash and are valued based on cost, which approximates fair value. There have been no changes in the methodology used at September 30, 2024.

During the year ended September 30, 2025, the Plan became fully insured for its remaining self-funded dental claims and closed the trust.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2024:

	Assets at Fair Value as of September 30, 2024			
Description	Quoted Prices in Active Markets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total
Morgan Stanley Gov't Investor Fund	$ -	$ 660,000	$ -	$ 660,000

4. TAX STATUS

The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC) and, accordingly, the trust's net investment income is exempt from income taxes. The trust has obtained a favorable tax determination letter from the Internal Revenue Service dated May 17, 1990, and the Sponsor believes that the trust, as amended, continues to qualify and to operate in accordance with applicable provisions of the IRC as designed. Management evaluated the Plan's tax position and concluded that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income tax has been included in the financial statements.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants. While the Plan's Trust closed on September 30, 2025, the Plan remains in existence, and the assets transferred as described in Note 6 will continue to be maintained and administered for the exclusive benefit of Plan participants and beneficiaries.

6. PARTY-IN-INTEREST TRANSACTIONS

As described in Note 2, the Plan pays various fees for claims processing associated with the administration of the Plan. These fees are considered party-in-interest transactions and are reflected in the financial statements as administrative expenses.

During the year ended September 30, 2025, the Plan closed its trust and liquidated the assets. The Plan transferred $399,997 of liquidated cash to the Plan Sponsor.
