Report of Independent Auditors

To the Administrator of Bracebridge Capital, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Bracebridge Capital, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, including the related notes (collectively referred to as the "financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024 and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 ("supplemental schedule"), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bracebridge Capital, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

1. Description of the Plan

The following description of the Bracebridge Capital, LLC 401(k) Profit Sharing Plan (the "Plan") provides only general information. For a more complete description of the Plan's provisions, participants should refer to the Summary Plan Description.

- a) General. The Plan is a defined contribution plan covering all full-time employees of Bracebridge Capital, LLC ("Bracebridge" or the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The assets of the Plan are held by Fidelity Management Trust Company ("Fidelity" or the "Trustee"). All employees, excluding interns, are eligible to participate in or make contributions to the Plan, as of the first day of the month following their date of hire.
- b) Plan Administrator. The Plan is administered by Bracebridge and is overseen by Bracebridge Capital, LLC 401(k) Profit Sharing Committee ("401(k) Committee").
- c) Contributions. Contributions to the Plan include (i) salary reduction contributions authorized by participants, (ii) after-tax contributions authorized by participants, (iii) participant rollovers from another qualified plan, and (iv) profit sharing contributions made by Bracebridge. Each calendar year, participants may contribute the lesser of 60% of eligible compensation or \$23,500 in 2025 and \$23,000 in 2024, respectively, set by the Secretary of the Treasury. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions up to \$7,500 in both 2025 and 2024. Beginning in 2025, the SECURE 2.0 Act provides for an enhanced "super catch-up" contribution limit for participants who attain age 60, 61, 62, or 63 during the calendar year. These participants are eligible to make catch-up contributions of up to \$11,250. The enhanced catch-up limit no longer applies once a participant reaches age 64, at which point the regular catch-up contribution limit applies. Participants must be employed on the last day of the plan year and have completed at minimum, 501 hours of service, to be eligible to receive profit sharing contributions from Bracebridge.
- d) Participant Accounts. Individual accounts are maintained for each plan participant to reflect the participant's contributions and profit sharing contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Hardship Withdrawals Participants who incurred a hardship are eligible to request an in-service withdrawal from their account attributable to pre-tax and Roth elective deferrals and Company contributions.

- e) Vesting. Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in Bracebridge's profit sharing contribution portion of their account is vested over a 3 year service period, starting from their date of hire, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
less than 1	0%
1	33%
2	67%
3+	100%

Bracebridge Capital, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

- f) Investment elections. The participant contributions and Bracebridge's profit sharing contributions are allocated to the various investment options offered by the Plan, as directed by the participants. In addition to the investment offerings by the Plan, participants may invest through a self-directed brokerage link account ("Brokerage Link"), which allows the participant to invest in any type of security available on the Fidelity platform.
- g) Notes Receivable from Participants. Participants may borrow one loan at a time from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. Loans will be repaid by payroll deduction from the borrower's wages or by such other method as of the loan policy may require. All loans have term lengths between 1 to 10 years and bear an annual interest rate of 4.25%-9.50%, as determined by Bracebridge based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rate remains fixed throughout the duration of the loan. As of December 31, 2025, there were 10 outstanding loans with maturity dates ranging from July 11, 2026 to October 27, 2035.
- h) Forfeited accounts. When a participant terminates participation with the Plan, the non-vested portion of the participant's account, as defined by the Plan, represents a forfeiture. At December 31, 2025 and 2024, the forfeiture account, included in investments, totaled \$57,378 and \$232,458, respectively. At December 31, 2025 and 2024, \$309,801 and \$285,501 respectively, could be reinstated to participant's accounts if they return to Bracebridge within five years of their termination date. If an employee(s) returns, and the amount to be reinstated is larger than the balance in the forfeiture account, this difference will be paid by Bracebridge. The available portion of the forfeiture account can be used to offset employer contributions or to pay for administrative fees. In 2025 and 2024, \$55,657 and \$225,484, respectively, were used from the forfeiture account to offset employer contributions.
- i) Termination. Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

2. Significant Accounting Policies

Basis of Presentation

The Plan's financial statements have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's 401(k) Committee determines the Plan's valuation policies utilizing

Bracebridge Capital, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

information provided by the investment advisers and custodians. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income on investments is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2025 or 2024.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan, such as loan maintenance fees, are paid by the participant. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the Company and are not included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative expenses totaling \$18,770 consists of loan maintenance fees and fixed recordkeeping fees that are charged directly to the Plan.

3. Information Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the information disclosed in the accompanying financial statements and supplemental schedules was obtained or derived from the information supplied to the plan administrator and certified as complete and accurate by Fidelity.

The Trustee also certified to the completeness and accuracy of the supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year).

4. Investments

The fair value of the investments has been measured by quoted market prices in an active market. See Note 5 for discussion of fair value measurements.

5. Fair Value Measurements

The Accounting Standards Codification 820 (“ASC 820”) defines fair value as “the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.” The objective of a fair value measurement is to determine an exit price.

ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are as follows:

Level 1	Inputs that are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date;
Level 2	Inputs other than unadjusted quoted prices included within Level 1 that are observable for the asset or liability either directly or indirectly, including inputs in markets that are not considered to be active;
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Bracebridge Capital, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value.

Self directed brokerage accounts: Valued at the closing price reported on the active market on which the individual securities are traded. These investments consist of common stock, preferred stocks, exchange traded funds, and interest-bearing cash.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There were no significant changes in the valuation techniques and related inputs used by the Plan during the year December 31, 2025.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2025 and 2024:

	Assets at Fair Value as of December 31, 2025			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 82,993,093	\$ -	\$ -	\$ 82,993,093
Self Directed Brokerage Accounts	35,975,304	-	-	35,975,304
Total assets at fair value	\$ 118,968,397	\$ -	\$ -	\$ 118,968,397

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 66,292,923	\$ -	\$ -	\$ 66,292,923
Self Directed Brokerage Accounts	28,977,625	-	-	\$ 28,977,625
Total assets at fair value	\$ 95,270,548	\$ -	\$ -	\$ 95,270,548

There were no transfers into or out of Level 3 for the years ended December 31, 2025 and 2024.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7. Tax Status

Bracebridge Capital, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

The Company has relied on the Internal Revenue Service ("IRS") letter issued to its Plan Administrator, Fidelity Management and Research Company ("FMR") dated March 31, 2014 that the Plan (as a prototype plan) and related trust are designed in accordance with the applicable sections of the Code. Although the Plan has been amended (amended in 2015) since receiving the determination letter, the plan administrator and the Plan's tax counsel continue to believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRS. In 2021, there were two amendments to the Plan, removing the age restriction of when a participant can contribute to the Plan and adding a provision that allows employees to make after tax contributions to the Plan.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2022.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2025 and 2024 to Form 5500:

	2025
Net assets available for benefits per the financial statements	\$124,283,534
Employer contributions receivable	(5,068,757)

Net assets available for benefits per the Form 5500	<u>\$ 95,420,998</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the year ended December 31, 2025 to Form 5500:

	2025
Employer contributions per the financial statements	\$ 5,068,757
Employer contributions receivable at December 31, 2024	4,319,759
Employer contributions receivable at December 31, 2025	(5,068,757)
Employer contributions received per the Form 5500	<u>\$ 4,319,759</u>

9. Related Party – Party-in-Interest Transactions

Bracebridge Capital, LLC 401(k) Profit Sharing Plan

Notes to Financial Statements

December 31, 2025 and 2024

The Trustee as defined by the Plan and, therefore, transactions between the Trustee, including its related parties, and the Plan qualify as party-in-interest transactions. Certain Plan investments are shares of mutual funds managed by Fidelity Management & Research Company LLC, a related party of the Trustee. Certain administrative expenses of maintaining the Plan amounted to \$18,770 for the year ended December 31, 2025. Notes receivable from participants also qualify as party-in-interest transactions.

10. Subsequent Events

Beginning in 2026, the Plan adopted the SECURE 2.0 Act provision related to the Roth catch-up requirement, which requires catch-up contributions made by certain high-wage participants with prior-year FICA wages exceeding \$145,000 to be designated as Roth contributions.

The Plan has evaluated subsequent events through June 29, 2026, the date these financial statements were available for issuance, and noted no items requiring adjustments to the financial statements or additional disclosures.
