Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We were engaged to perform audits of the financial statements of American Public Media Group Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have audits of American Public Media Group Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2025 and 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion

We do not express an opinion on the accompanying financial statements of American Public Media Group Retirement Plan. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion

As described in Note 5, American Public Media Group Retirement Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statements of changes in net assets available for benefits. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about American Public Media Group Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our responsibility is to conduct an audit of American Public Media Group Retirement Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditors' report. However, because of the matters described in the *Basis for Disclaimer of Opinion* section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of American Public Media Group Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) and schedule of delinquent participant contributions as of and for the year ended December 31, 2025 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of our report, it is inappropriate to and we do not express an opinion on these supplemental schedules.

AMERICAN PUBLIC MEDIA GROUP RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 1 DESCRIPTION OF PLAN

The following description of the American Public Media Group Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions available upon request from the Plan administrator.

General

The Plan is a defined contribution plan originally effective September 30, 1973 and has been amended throughout the years. The Plan was last restated effective January 1, 2016 to move to a prototype volume submitter document with an execution date in 2020. The Plan was last amended effective December 11, 2023. The Plan covers all employees of American Public Media Group (APMG) (the Plan Sponsor) and its nonprofit affiliated companies including: Minnesota Public Radio and Southern California Public Radio (collectively referred to as the Companies). The Plan excludes leased employees and nonresident aliens from participating in the Plan. The Plan is subject to the provisions of ERISA, as amended.

Subsequent to year-end, the Plan was amended and restated effective June 1, 2026.

Contributions

The Plan allows eligible participants to elect to contribute up to 50% of eligible compensation and has an automatic enrollment feature whereby newly eligible employees are automatically enrolled to make deferral contributions of 4.0% of eligible compensation. Each January 1, if the participant had previously waived enrollment, they are automatically re-enrolled at 4.0%. In addition, each January 1, participants contributing less than 10% of eligible compensation will automatically receive a 1% increase to their contribution percentage. For example, if a participant contributes 8% at the end of the prior Plan year, their contribution will increase to 9% beginning in the new Plan year. Participants are allowed to waive participation in the Plan and any of the three automatic features. Participants are allowed to change their contribution elections throughout the year. Participants age 50 years and older are allowed to make catch-up contributions, up to the Internal Revenue Service (IRS) annual limits. Employees in their first year of service receive a matching contribution of 50% on the first 4% they contribute to the Plan. For example, a first-year employee who contributes 4% will receive a 2% match. If the employee contributes 5%, the match remains at 2% in the first year of service. When the employee has completed a full year of service, the matching contribution increases to 100% of the first 6.5% the employee contributes to the Plan. For example, if the employee has been with the organization for over a year and contributes 7%, they receive a 6.5% match. Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan.

Subject to certain limitations, participants may contribute amounts distributed from other qualified plans (Rollover Contributions). Contributions are subject to certain limitations.

Vesting

Participants are immediately vested in all amounts contributed.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

The Plan permits participants to direct the investment of their account balance under the Plan. Each participant's account is credited with contributions, an allocation of investment income, and an allocation of administrative expenses. The allocation of administrative expenses is based on participant earnings and/or account balances, as defined in the Plan. Investment income is allocated daily based on each participant's share of the fund.

Payment of Benefits

For participants with balances at Fidelity, upon termination, death, disability, or retirement (age 65), the participant may receive the value of the vested interest in their account in the form of a lump sum or installment distribution. The Plan allows in-service and hardship distributions, subject to Plan provisions.

For participants with balances at TIAA or Lincoln, participants are entitled to the payment of benefits (Distributions) equal to the amount that can be provided from the participants' account. The default form of Distribution is a life annuity contract (for unmarried participants) or a joint and survivor annuity contract (for married participants). Participants may elect other available forms of Distributions (subject to spousal consent), including lump sum payments. The Plan requires lump sum distributions to be made as soon as administratively feasible if the participant's account balance is \$1,000 or less (Required Distributions). Effective June 1, 2026, the Plan increased the required lump sum distribution amount from \$1,000 to \$7,000. Participant consent is necessary for Required Distributions occurring after the participant's annuity starting date if the distribution is subject to Internal Revenue Code (IRC) Sections 401(a)(11) and 417.

Notes Receivable from Participants

Participants may borrow from their Deferral and Rollover Contribution accounts an amount between the minimum of \$1,000 and the lesser of \$50,000 or 50.0% of their account balance, incurring a Note Receivable to the Plan. Note Receivable transactions are treated as a transfer between the investment fund and the Note Receivable. Note Receivable terms range from one to five years or up to 15 years for the purchase of a primary residence. Notes Receivable are secured by the balance in the participant's account and bear interest at prime plus 2.0%. Principal and interest is paid ratably through payroll deductions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment adviser, custodian, and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Administrative Expenses

Administrative expenses are charged by Fidelity Management Trust Company (the Custodian). Investment management fees including any revenue sharing credits are netted against investment earnings. Notes receivable from participants (Notes Receivable) fees are charged directly to the participant. The Plan Sponsor pays all other administrative fees for the Plan.

Contributions

Contributions from participants and Employer matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

Notes Receivable from Participants

Notes Receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make repayments on their Notes Receivable and the Plan administrator deems the participant note to be in default, the participant's Notes Receivable balance will be reduced, deemed taxable to the participant, and a benefit payment will be recorded in the financial statements.

Benefits Paid to Participants

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated subsequent events through June 11, 2026, the date the financial statements were available to be issued.

AMERICAN PUBLIC MEDIA GROUP RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Fidelity Management Trust Company and Principal Life Insurance Company, the qualified institutions of the Plan, have supplied the Plan administrator with certifications as to the completeness and accuracy of investments and notes receivable from participants as of December 31, 2025 and 2024, and investment income and interest income on notes receivable from participants for the years then ended, in the accompanying financial statements and ERISA-required supplemental schedules.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2025 and 2024.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts: Accounts consists of interest bearing cash and mutual funds, which are valued at the daily closing price as reported by the underlying funds. The funds held in the accounts are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

NOTE 5 EXCLUDABLE CONTRACTS

The Plan has certain annuity and custodial accounts with TIAA-CREF and Lincoln National Life Insurance Company issued to current and former employees prior to January 1, 2009 (Excludable Contracts). As permitted by the Department of Labor's Field Assistance Bulletin 2009-02, *Annual Reporting Requirements for 403(b) Plans*, these Excludable Contracts are not reported in the Plan's financial statements and supplementary information for the years ended December 31, 2025 and 2024. If the excluded contracts and accounts, as reported by TIAA-CREF and Lincoln National Life Insurance Company, were included, net assets available for benefits would increase by approximately \$15,625,000 and \$15,264,000 as of December 31, 2025 and 2024, respectively. Further investment income of approximately \$1,971,000 and \$1,865,000 and distributions of approximately \$1,610,000 and \$2,158,000 related to such contracts and accounts, as identified by the custodian, have also been excluded in the accompanying statements of changes in net assets available for benefits. Accounting principles generally accepted in the United States of America require that these contracts and accounts and the related income and distributions be included in the accompanying financial statements.

NOTE 6 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY

In 2001, the Plan entered into a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company (Insurance Company). Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.00%. The crediting rate is reviewed on an annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

AMERICAN PUBLIC MEDIA GROUP RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 6 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8 PLAN TERMINATION

The Plan Sponsor has the right to terminate the Plan at any time by action of its Board of Trustees; however, there are no plans to do so. Assets held in trust at the date of termination shall continue to be used and applied for the payment of benefits to participants and beneficiaries in the manner provided in the Plan document as if the termination or discontinuance had not occurred.

AMERICAN PUBLIC MEDIA GROUP RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE 9 PLAN TAX STATUS

The Plan has adopted a volume submitter plan document that has received an opinion letter from the Internal Revenue Service (IRS) stating that the form of the volume submitter plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although, the Plan has been amended since adopting the volume submitter plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 PARTY-IN-INTEREST TRANSACTIONS

Transactions related to funds managed by the Custodian and Insurance Company qualify as exempt Department of Labor party-in-interest transactions per ERISA guidelines.

NOTE 11 TRANSFERS FROM EXCLUDABLE CONTRACTS

The Plan has received transfers initiated by participants from investment contracts that are excludable pursuant to the Department of Labor Field Assistance Bulletin as referenced in Note 5. These have been reported in the financial statements as a transfer as the assets were transferred from excludable contracts to an investment held by Fidelity.

NOTE 12 NONEXEMPT TRANSACTIONS

During 2025, the Plan Sponsor failed to remit certain employee loan payments within the timeframe prescribed by the Department of Labor. This is deemed a prohibited transaction in accordance with ERISA and the IRC. The Plan Sponsor is working to fully correct the remittances by depositing the lost earnings.
