INDEPENDENT AUDITORS' REPORT

To the Administrator of the
Covenant Care Services, LLC 401(k) Plan
Fredericktown, Missouri

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of the Covenant Care Services, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Covenant Care Services, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520-103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Covenant Care Services, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Covenant Care Services, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but it is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Covenant Care Services, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Covenant Care Services, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2025 and Schedule H, Line 4i - Schedule of Assets (Held at End of Year), as of December 31, 2025, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including

comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COVENANT CARE SERVICES, LLC 401(K) PLAN

Notes to Financial Statements

December 31, 2025 and 2024

Note 1 - Description of plan:

The following description of the Covenant Care Services, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan Sponsor is Covenant Care Services, LLC (the Company, Administrator, Sponsor, or Employer). The Plan is a defined contribution plan covering all employees of the Company who meet certain eligibility requirements, with the exception of collectively bargained employees, leased employees, and non-resident aliens. The Plan was formed with an effective date of January 1, 2024. Participants began contributing to the Plan in February 2024. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan amendments

The Plan was amended, with an effective date of April 1, 2025, to modify the available money sources for hardship distributions. This amendment removes employer contributions as an available source for hardship distributions. Employee contributions are the only sources available for hardship distributions.

Contributions

To be eligible to participate in the Plan, employees must be at least 21 years of age and complete one year of service. Employees are allowed to begin participation in the Plan on January 1 and July 1 of each Plan year after the eligibility requirements are met. Participants are allowed to make contributions up to the maximum amount allowed by the Internal Revenue Code (IRC). Additionally, employees are given the option to make Roth contributions under the Plan, subject to IRC limitations. Employees have the ability to modify contribution elections each payroll period. Participants who have attained age 50 before the end of the Plan year are permitted to make additional catch-up contributions.

Each year the Company is required to make an employer qualified non-elective safe-harbor contribution at a rate of 3% of compensation for all eligible employees. For the year ended December 31, 2025, the Company provided an employer qualified non-elective safe-harbor contribution of 3% of eligible employee's compensation totaling \$329,415. The employer qualified non-elective safe-harbor contribution is calculated annually and remitted in the subsequent Plan year. Additionally, the Company may make discretionary employer profit-sharing contributions in an amount determined by management. Participants credited with 1,000 hours of service during the Plan year and employed on the last day of the Plan year are

eligible to receive an allocation of employer profit-sharing contributions. There was no discretionary employer profit-sharing contribution for the year ended December 31, 2025.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company's non-elective safe-harbor contribution, an allocation of the Company's profit-sharing contribution, if any, Plan earnings, and administrative expenses. Employer profit-sharing contribution allocations are made by creating a profit-sharing group for each participant. Management can allocate profit-sharing contributions to each group (participant) using any method they choose, as provided for in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and employer non-elective safe-harbor contributions, plus actual earnings thereon. Participants vest in Company discretionary profit-sharing contributions in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage Vested</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants are immediately vested upon termination of the plan, attainment of the retirement age of 65, or disability or death while employed.

Note 1 - Description of plan - continued:

Payment of benefits

Participants are entitled to a lump sum distribution of the vested value of their account upon termination of service, disability, death, or attainment age 59 1/2. Participants who experience proven financial hardship may request a withdrawal of any of their fully vested accounts. If a participant's account balance, excluding participant rollover contributions, is less than \$5,000 but more than \$1,000 upon termination of service, the participant's account may be rolled over to an individual retirement account (IRA). If a participant's account balance is less than \$1,000 upon termination of service, the participants account balance may be distributed to the participant. If a participant's account balance is \$5,000 or more upon termination of service, they may maintain their account balance in the Plan.

Notes receivable from participants

The Plan does not allow for participant notes.

Administrative expenses

Administrative expenses of the Plan are paid by either the Company or by the Plan, as determined by the Plan Sponsor. The Company pays a portion of administrative expenses of the Plan. Fees charged for processing distributions, administrative fees, and investment advisory fees, as well as other account transactions, are charged directly to the accounts of applicable participants. Total administrative fees paid by the Plan during the year ended December 31, 2025 totaled \$17,551.

December 31, 2025 and 2024

Note 2 - Summary of significant accounting policies - continued:

Investment valuation and income recognition

The Plan's pooled separate account investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investments are valued at fair value based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;
Quoted prices for identical or similar assets or liabilities in inactive markets;
Inputs other than quoted prices that are observable for the asset or liability;
Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Note 2 - Summary of significant accounting policies - continued:

Investment valuation and income recognition - continued

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2025 and 2024.

Pooled separate account investments are in underlying investments in shares of mutual funds. The net asset value value of the investment in the mutual funds is adjusted to apply the expense factor disclosed in the annuity contract. The unit value is determined by dividing the net assets by the number of units outstanding.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Sponsor believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2025 and 2024:

Fair Value Measurements at December 31, 2025

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Pooled separate accounts	\$ -	\$ 1,135,360	\$ -	\$ 1,135,360

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

Payment of benefits

Benefits are recorded when paid.

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2025 and 2024, and net appreciation in fair value of investments for the year ended December 31, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodian, John Hancock Life Insurance Company USA.

Note 4 - Party-in-interest transactions:

The custodian and its affiliates perform services for the Plan, sell products to the Plan, and manage and maintain certain investments of the Plan for which fees are charged to the Plan. The Plan also has a third party administrator. The Plan pays a portion of administrative expenses while the Plan Sponsor pays the remainder of administrative expense. Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibited transaction rules.

Note 5 - Plan termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participant accounts will become fully vested.

Note 6 - Tax status:

The underlying prototype plan has received an opinion letter from the IRS dated June 30, 2020 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC), and therefore, the related trust is tax-exempt. The Plan Administrator has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator has indicated that it will take the necessary steps to bring the Plan's operations into compliance with the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for Plan years prior to 2024.

Note 7 - Correction of operational issues:

For the 2024 and 2025 Plan years, multiple delinquent contributions were identified that require corrective action. The total delinquent contributions are listed chronologically, by year, in Schedule H, Line 4a - Schedule of Delinquent Participant Contributions in the supplemental information accompanying these financial statements. The Plan Sponsor deposited lost earnings on February 20, 2025 and December 5, 2025, to correct a portion of the 2025 delinquent contributions and all of the 2024 delinquent contributions. The Plan Sponsor is working with the Plan's administrator to calculate lost earnings to remit to the Plan to correct the remaining 2025 delinquent contributions.

Note 8 - Subsequent events:

The Plan was amended, with an effective date of January 1, 2026, as follows:

The existing Employee Automatic Contribution Arrangement was replaced with a Qualified Automatic Contribution Arrangement.

The 3% annual employer non-elective contribution provision was changed to a safe-harbor matching contribution. Safe-harbor matching contributions are required at a rate of 100% of participant contributions up to 3% of compensation plus 50% of participant contributions on the next 1% of compensation, for an overall maximum employer safe-harbor matching contribution of 3.5%.

Employer safe-harbor matching contributions vest using a 2-year cliff schedule.

On April 1, 2026, the Plan Sponsor moved the Plan's assets from the John Hancock Life Insurance Company USA platform to the ADP Retirement Services platform. An amended and restated adoption agreement was executed with an effective date of April 1, 2026.
