REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the
Locke Lord LLP Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Locke Lord LLP Retirement Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 2, 2025 and December 31, 2024, and the related statement of changes in net assets available for benefits for the period from January 1, 2025 to September 2, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of September 2, 2025 and December 31, 2024, and for the period from January 1, 2025 to September 2, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

LOCKE LORD LLP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

September 2, 2025 and December 31, 2024

A. Description of the Plan

General

The following brief description of the Locke Lord LLP Retirement Savings Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by Locke Lord LLP (the “Partnership” or “Plan Administrator”). Participants should refer to the Plan document for more complete information. The Partnership is headquartered in Dallas, Texas.

The Plan was adopted by the Partnership on December 30, 1964, and has been amended and restated, and is a defined contribution plan.

The purpose of the Plan is to encourage the Partnership’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Effective January 1, 2025, the Plan was amended to freeze all participation and additional contributions. Concurrently, the Partnership combined with Troutman Pepper Hamilton Sanders LLP to form Troutman Pepper Locke LLP.

Effective September 2, 2025, the Plan merged into the Troutman Pepper Locke Defined Contribution Plan. As part of the merger, approximately \$721.3 million in participant account balances and related net assets were transferred.

Eligibility

The Plan is provided for all eligible employees who have attained age 18, excluding independent contractors, leased employees, employees covered by a collective bargaining agreement, nonresident aliens who do not receive any U.S. source income, security personnel, law school clerks, college student employees, residents of Puerto Rico, contract lawyers, and any employee who has irrevocably opted out of participation in the Plan as of the effective date.

The following employees shall not be eligible to participate in the non-elective contribution component of the Plan: employees with less than one year of eligibility service, associate attorneys, employees who are senior counsel attorneys who are specifically excluded from Plan participation as provided for in an individual agreement with the managing partner or in the minutes, employees who are counsel, or of counsel, unless specifically included in the Plan as provided for in an individual agreement with the managing partner or in the minutes of the firm’s Executive Committee and employees who are not eligible for benefits. The Plan was frozen to entry effective January 1, 2025.

LOCKE LORD LLP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

A. Description of the Plan – continued

Contributions

The Plan includes a savings feature designed to permit the employee and the Partnership to contribute to the Plan, as allowable under Section 401(k) of the Internal Revenue Code (the “Code”). Employee contributions are made to the Plan by electing to defer, before and/or after tax (Roth), from 1% to 75% of eligible compensation and up to 100% of bonuses and are fully-vested at the time of contribution.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to the limitations imposed by the Code.

The Plan provides for an automatic enrollment feature for participants hired or rehired on or after December 19, 2019. The Partnership automatically withholds 3% of compensation as an elective deferral unless there is an election to withhold a different percentage of compensation or to not withhold at all.

Any contributions made by the Partnership are fully-vested and subject to hardship withdrawal restrictions. No profit-sharing contributions were made in 2025, as all participant and employer contributions were frozen effective January 1, 2025.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, profit sharing contributions, and an allocation of Plan earnings which is net of certain expenses. Allocations are based on the participant account balances as defined.

Vesting

Participants are 100% vested in their accounts upon Plan entry.

Participant Loans

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The \$50,000 maximum is reduced by the participant’s highest principal loan amounts that were outstanding on the date of the loan, or on any loans during the preceding 12 months. The notes are secured by the balance in the participants’ accounts and bear interest at prime (as quoted in the *Wall Street Journal* on the day the loan is requested) plus 1%. As of December 31, 2024, interest rates ranged from 3.25% to 9.50%. Principal and interest are paid ratably through payroll deductions. A participant may have no more than two outstanding loans at any time. Additionally, loans terms are not to exceed five years, unless the loan is to be used for the purchase of a primary residence, allowing the period to extend to ten years. Participant loans are classified as notes receivable from participants in the Plan’s financial statements.

NOTES TO FINANCIAL STATEMENTS (*continued*)

A. Description of the Plan – continued

Benefit Payments

Distributions may be made to participants or their beneficiaries upon termination of employment, retirement, disability, or death. In-service withdrawals from profit sharing contributions are allowed if the contributions have accumulated for at least two years, the participant has at least five years of participation in the Plan, or the participant has attained the age of 55. Additionally, a participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) to pay necessary medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses including fees and room and board for up to 12 months; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) to pay funeral or burial expenses for a participant's deceased parent, spouse, child, dependent, or deceased primary beneficiary; (6) for the payment of costs to repair damage to the participant's primary residence that would qualify for a casualty loss deduction; (7) to pay expenses and loss of income incurred by the participant on account of a disaster declared by the Federal Emergency Management Agency ("FEMA") provided that the participants principal residence or principal place of employment at the time of the disaster was located in an area designated by FEMA for individual assistance with respect to the disaster; or (8) any other distribution which is deemed by the Commissioner of Internal Revenue to be made on account of immediate and heavy financial need as provided by Treasury Regulations.

Upon termination, participants with an account balance of \$1,000 or less shall receive an automatic lump sum distribution from the Plan. For participants who terminate with an account balance of more than \$1,000, but less than \$5,000, the Plan Administrator shall make a direct rollover into an individual retirement account, unless otherwise elected by the participant. Withdrawals from the Plan may be subject to federal income tax on contributions and income earned.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used to offset employer non-elective contributions for the year. There were no forfeitures allocated to reduce profit sharing contributions during the year ended December 31, 2025. Unallocated forfeitures outstanding as of September 2, 2025 and December 31, 2024, were zero.

Investment Options

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options.

NOTES TO FINANCIAL STATEMENTS (*continued*)

A. Description of the Plan – continued

Plan Expenses

Fees related to the administration of notes receivable from participants, distribution fees for in-service withdrawals, required minimum distributions, QDROs, and certain transactional fees are charged directly to the participant's account and are included in administrative expenses. Certain other costs and expenses incurred in connection with the operation of the Plan are paid by the Plan, unless paid by the Partnership, at its discretion.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities as of the date of the financial statements. Accordingly, actual results may differ from these estimates.

Contributions

Contributions from the Partnership and participants are accrued as they become obligations of the Partnership, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information from the Plan's trustee and the insurance companies that issue the life insurance policies. See Note C for information related to the Plan's valuation methodologies.

LOCKE LORD LLP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

B. Summary of Significant Accounting Policies – continued

Investment Valuation and Income – continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held at the end of the year.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value.

The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used.

The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

LOCKE LORD LLP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (*continued*)

C. Fair Value Measurements – continued

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan's investments are as follows:

- Self-directed brokerage accounts consist primarily of certificates of deposit, common stock, preferred stock, U.S. government securities, corporate bonds, and unit investment trusts that are valued on the basis of readily determinable market prices, which are classified within Level I of the valuation hierarchy.
- Mutual funds are valued at the published per share net asset value of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at net asset value.
- The common collective trust funds are valued based upon the redemption price of the units held by the Plan, which is based on the current fair value of the common collective trust fund's underlying assets. Unit values are determined by the financial institution sponsoring such funds by dividing the fund's net assets at fair value by its units outstanding at the valuation dates. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner.
- Cash surrender value of life insurance policies are valued at the cash surrender value of the life insurance policy as determined by the issuing life insurance company, which approximates fair value, and categorized as Level 3 in the fair value hierarchy.

NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

The following table details the Plan's investments at fair value by level, within the fair value hierarchy, as of December 31, 2024. All investments were liquidated and transferred during 2025 as disclosed in Note A, as such no investment assets were held as of September 2, 2025.

- ^(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2024. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trusts	\$ 297,934,091	N/A	Daily	12 months

D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at September 2, 2025 and December 31, 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period from January 1, 2025 to September 2, 2025, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, (the trustee of the Plan).

E. Tax Status

Effective January 1, 2022, the Plan was amended and restated to adopt the Schwab Retirement Plan Services, Inc. Pre-Approved Defined Contribution Plan which has a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020. This opinion letter states that the form of the plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of September 2, 2025, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

F. Plan Termination

Although it has not expressed any intention to do so, the Partnership has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participant's accounts will become 100% vested.

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

H. Parties-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in certain investments managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank acts as trustee for only those investments as defined by the Plan. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

I. Subsequent Events

In preparing the accompanying financial statements, management has evaluated all subsequent events and transactions for potential recognition or disclosure through July 15, 2026, the date the financial statements were available for issuance.
