INDEPENDENT AUDITORS' REPORT

Plan Administrator and Participants of
Koroseal Interior Products Retirement Savings Plan and Trust
Medina, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Koroseal Interior Products Retirement Savings Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Capital Bank & Trust Company, as of December 31, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KOROSEAL INTERIOR PRODUCTS RETIREMENT SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Koroseal Interior Products Retirement Savings Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

Description and Eligibility

The Plan is a defined contribution plan available to all full-time employees of Koroseal Interior Products, LLC (the “Company” or “Plan Administrator”) who have attained the age of 18. Employees’ participation in the Plan is voluntary. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Contributions

Employees who are eligible to participate in the Plan may elect to have up to 100% of their compensation deducted from payroll and contributed to the Plan on either a pre-tax basis or after-tax basis subject to limitations as defined by the Internal Revenue Code (“IRC”). The Company’s matching contributions, if any, are discretionary.

Vesting

Participant contributions, with all earnings and appreciation thereon, are fully vested at all times. Company contributions are 20% vested after two years of eligible service, with a 20% increase for each additional year of eligible service, resulting in full vesting after six eligible years. However, a participant will be deemed fully vested in any Company contributions upon death, disability, or attainment of the normal retirement age, regardless of eligible years of service.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

The allocation of a participant’s contributions to the investment funds is selected by the participant and may be changed daily using an automated customer service system. Participants may also elect to have all or a portion of their prior contributions transferred between any of the available investment funds. Participants may change or suspend their contribution percentage once per quarter.

Separate accounts are maintained for each participant representing his or her interest in the Plan. Each participant’s account is re-valued daily. Plan earnings and other increases and decreases in value are allocated in direct proportion to the size of the participant’s balance in a particular fund in relation to the balances of all participants in that fund.

KOROSEAL INTERIOR PRODUCTS RETIREMENT SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Notes Receivable from Participants

The Plan allows participants to borrow from the fund accounts. Participants may borrow the lesser of 50% of the participant's vested account balance or \$50,000 reduced by the participant's highest outstanding note balance in the previous 12 months even if the amounts have been repaid. The minimum amount of any note is \$1,000. The maximum number of notes available to any participant is two.

The repayments of principal and interest are credited to the participant's account balances within the respective funds. Principal and interest payments are made through payroll deductions according to each note's term per the promissory note. Notes bear interest at the prime rate published in the Wall Street Journal on the first business day of each month plus 1% which is fixed upon establishment of the note.

Payment of Benefits

Participants whose employment terminates will be eligible for a distribution equal to the full amount of the separate accounts attributable to his or her participant contributions, plus any vested Company contributions.

In the event of financial hardship, participants may apply to receive a distribution from their fund accounts, subject to Internal Revenue Service ("IRS") mandated rules for hardship withdrawals.

Forfeited Accounts

Forfeited amounts are first applied to the expenses of administering the Plan, and any excess forfeitures are used to offset future Company contributions.

Plan Termination

Although the Plan is intended to be permanent, the Company reserves the right to terminate the Plan at any time. Upon termination of the Plan, all contributions become fully vested and non-forfeitable. If the Plan is terminated, all amounts credited to a participant's account will be paid to such participant.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America. The accounting records of the Plan are on an accrual basis.

Valuation of Investments

The Plan's investments are stated at fair value using quoted market prices at December 31, 2025 and 2024.

KOROSEAL INTERIOR PRODUCTS RETIREMENT SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Investment income consists of interest and dividend income. The net appreciation (depreciation) in the fair value of investments consists of realized gains or losses and the unrealized appreciation (depreciation) on those investments. Dividend income is accrued on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Realized gains and losses from security transactions are reported based on historical cost.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at the unpaid principal balance plus any accrued unpaid interest. Allowances for credit losses are recorded for active participants whose loans have been deemed to be in default by the plan administrator, if the plan administrator believes the loan balance to be uncollectible. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

Plan Expenses

Costs related to the purchase and sale of securities, such as brokerage commissions and stock transfer taxes, are paid from the Plan's assets. All other general and administrative expenses incurred in the administration of the Plan are paid by the Company.

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of the financial statements and footnote disclosures requires management to make estimates and assumptions that affect the reported amount of assets and liabilities at the date of the financial statements and reported amount of additions and deductions to net assets available for benefits during the period. Although management believes such estimates and assumptions are reasonable, actual results could differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through July 15, 2026, the date the financial statements were available to be issued.

KOROSEAL INTERIOR PRODUCTS RETIREMENT SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

NOTE 3 – INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by the Trustee as of and for the years ended December 31, 2025 and 2024, and furnished to the Plan Administrator. This information has been certified by the Trustee to be complete and accurate.

	2025	2024
Investments, at fair value	\$ 38,003,741	\$ 34,380,729
Notes receivable from participants	\$ 282,476	\$ 331,375
Interest and dividends	\$ 2,341,469	\$ 1,620,697
Interest on notes receivable from participants	\$ 23,114	\$ 21,355
Net appreciation in fair value of investments	\$ 3,097,089	\$ 3,123,967

NOTE 4 - INVESTMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Company uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2025 and 2024.

- Mutual funds: Valued at fair value as determined by quoted prices in active markets.
- Common/collective trust fund: Valued at the net asset value ("NAV") of the underlying investments held by the funds, less liabilities. NAV is used as the practical expedient to estimate fair value. Transactions (purchases and sales) may occur daily. The Plan has no future investment commitments or redemption requirements related to the fund as of December 31, 2025.

Common/collective trust fund				<u>1,607,981</u>
Total assets at fair value				<u>\$ 34,380,729</u>

NOTE 5 – RISK AND UNCERTAINTIES

The Plan provides for various investment options in the form of mutual funds and a collective investment trust. These investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 6 - TAX STATUS

The IRS has determined and informed the Trustee by letter dated March 31, 2014 that the Prototype Non-Standardized Profit Sharing Plan with CODA, which was adopted by the Plan on February 19, 2003, is a qualified plan under Section 401 of the IRC and is exempt from tax under present income tax laws. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Prototype Plan has been amended since receiving the determination letter. The Plan Administrator is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status and believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

KOROSEAL INTERIOR PRODUCTS RETIREMENT SAVINGS PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2025 and 2024

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2025 and 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan files the United States federal Form 5500.

NOTE 7 - PARTY-IN-INTEREST

Certain Plan investments are managed by the Trustee as defined by the Plan and, therefore, these transactions are party-in-interest transactions.
