Independent Auditors' Report

To the Plan Trustee
Venezia Transport Service, Inc.
Savings and Protection Plan
Royersford, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the financial statements of the Venezia Transport Service, Inc. Savings and Protection Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Venezia Transport Service, Inc. Savings and Protection Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Trustee
Venezia Transport Service, Inc.
Savings and Protection Plan
Royersford, Pennsylvania

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Venezia Transport Service, Inc. Savings and Protection Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Venezia Transport Service, Inc. Savings and Protection Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Trustee
Venezia Transport Service, Inc.
Savings and Protection Plan
Royersford, Pennsylvania

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Venezia Transport Service, Inc. Savings and Protection Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Venezia Transport Service, Inc. Savings and Protection Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Trustee
Venezia Transport Service, Inc.
Savings and Protection Plan
Royersford, Pennsylvania

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAVINGS AND PROTECTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the Venezia Transport Service, Inc. Savings and Protection Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which commenced April 1, 1990. All employees of Venezia Transport Service, Inc. and Venezia Hauling, Inc. (collectively, the "Company") who have completed three months of service and are age 21 or older are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute to the Plan up to 75% of their gross compensation on a pre-tax basis or after-tax (ROTH) basis through salary reduction. The Company will make a matching contribution, as defined in the Plan, not to exceed 50% of the first 3% of the participant's compensation. As of February 1, 2022, the plan was amended as follows: the company will make a matching contribution, as defined in the Plan, not to exceed 50% of the first 6% of the participant's compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan includes an automatic enrollment provision under which newly eligible employees are automatically enrolled at a 3% salary deferral rate, with no annual automatic escalation, unless they affirmatively elect not to participate in the Plan.

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their account into the various funds specified by the Plan. Participant accounts are credited with the participant's contribution and an allocation of the Company's matching contribution and Plan earnings/(losses), as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own contributions to the Plan plus earnings.

Vesting in the Company's matching contributions and earnings increases 20% for each year of employment after two years of service, reaching 100% after six years of service. In determining years of service for vesting purposes, the elapsed time method is used. Employees will receive a year of service by the actual amount of time that has passed since an employee's hire date.

See the independent auditors' report.

NOTE A - DESCRIPTION OF PLAN (Continued)

Plan Loans

Plan participants are eligible to borrow against the Plan by pledging a percentage of their vested account balance as collateral. A loan amount may not be less than \$1,000 nor may it exceed the lesser of 50% of the individual's vested account balance up to \$50,000. The term of the loan may not exceed five years unless the loan qualifies as a home loan (to acquire a principal residence). The interest rate applicable to the loan is determined at the time of application based on prime rate plus one for general purpose loans and prime rate for Primary Residence Loans. Upon default, any loan amounts not repaid will be taxed as a distribution of benefits, as defined in the Plan.

Payment of Benefits

Participants are eligible to receive a distribution of the vested portion of their individual account balance upon the following:

- The occurrence of any of the distributable events specified in the Adoption Agreement,
- The participant's termination of employment after attaining normal retirement age, or
- Termination of the Plan.

The normal retirement age under this Plan is 62. Participants will receive a lump-sum distribution without regard to the amount involved.

Forfeitures

Employees who terminate employment and are not fully vested will forfeit the nonvested portion of their account balance to the Plan, as specified in the Adoption Agreement. As of December 31, 2025 and 2024, forfeited nonvested accounts were \$3,028 and \$5,003. Forfeitures can be applied to reduce employer contributions or pay plan expenses. Forfeited amounts of \$130,532 for 2025 were used to reduce employer contributions.

Plan Termination

Upon termination of the Plan by the Company, each Participant shall be 100% vested and have a nonforfeitable interest in the participant's employer matching account.

See the independent auditors' report.

NOTE A - DESCRIPTION OF PLAN (Continued)

Plan Amendments

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the United States. The Secure 2.0 Act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act, however plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2025 and 2024. Quoted market prices are used to value the mutual funds and the money market fund. The Plan's investments in the common collective trust are stated at net asset value per share as a practical expedient as reported by the trustee which include a mix of mutual funds and managed accounts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Participant Loans Receivable

Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are paid.

Payment of Benefits

Benefits are recorded when paid.

See the independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Administrative expenses, excluding transaction fees, are paid by the Plan Administrator.

Date of Management's Review

Management has evaluated subsequent events through July 13, 2026, the date which the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Assets of the Plan for which fair values are determined on a recurring basis are as follows:

	2025		2024	
	Quoted Prices in Active Markets (Level 1)	Net Asset Value (a)	Quoted Prices in Active Markets (Level 1)	Net Asset Value (a)
Money market fund	\$ 111,825	\$ -	\$ 168,911	\$ -
Mutual funds	26,692,661	-	22,099,185	-
Common/collective trust	-	127,682	-	139,452
	<u>\$ 26,804,486</u>	<u>\$ 127,682</u>	<u>\$ 22,268,096</u>	<u>\$ 139,452</u>

See the independent auditors' report.

VENEZIA TRANSPORT SERVICE, INC.
SAVINGS AND PROTECTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Money market fund and mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs. The common collective trust is stated at net asset value per share as a practical expedient.

NOTE D - RELIANCE ON TRUSTEE'S REPORT

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the trustee of the Plan, Fidelity Management Trust Company as of December 31, 2025 and 2024 and for the year ended December 31, 2025, other than comparing such information to that contained in the financial statements and supplemental schedule.

The information certified by Fidelity Management Trust Company, which was relied upon in the preparation of the financial statements and supplemental schedule, includes:

	2025	2024
Common/collective trust	\$ 127,682	\$ 139,452
Money market fund	111,825	168,911
Mutual funds	26,692,661	22,099,185

Net appreciation in fair value of mutual funds	3,118,514	*

See the independent auditors' report.

VENEZIA TRANSPORT SERVICE, INC.
SAVINGS AND PROTECTION PLAN

DECEMBER 31, 2025 AND 2024

NOTE D - RELIANCE ON TRUSTEE'S REPORT (Continued)

* 2024 amounts were certified but are not reported in the statement of changes in net assets available for benefits.

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of mutual funds and a money market fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company acts as trustee for only those investments as defined by the Plan. These transactions in the investments and participant loans qualify as party-in-interest transactions, allowable under ERISA guidelines.

NOTE F - TAX STATUS

The Plan utilizes a volume submitter Plan sponsored by Fidelity Management & Research Co. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The volume submitter Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Service. The Plan has been amended since receiving the opinion letter; however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

During the audit, the Company became aware of certain operational failures. The Company is working with the Plan's third party administrator to correct these failures in accordance with Department of Labor guidelines.

NOTE G - RISKS AND UNCERTAINTIES

Investments of the Plan are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in participant account balances and in the statements of net assets available for benefits.

See the independent auditors' report.

Independent Auditors' Report

To the Plan Trustee
Venezia Transport Service, Inc.
Savings and Protection Plan
Royersford, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the financial statements of the Venezia Transport Service, Inc. Savings and Protection Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Venezia Transport Service, Inc. Savings and Protection Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2025 and 2024, and for the year ended December 31, 2025, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Trustee
Venezia Transport Service, Inc.
Savings and Protection Plan
Royersford, Pennsylvania

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Venezia Transport Service, Inc. Savings and Protection Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Venezia Transport Service, Inc. Savings and Protection Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Trustee
Venezia Transport Service, Inc.
Savings and Protection Plan
Royersford, Pennsylvania

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Venezia Transport Service, Inc. Savings and Protection Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Venezia Transport Service, Inc. Savings and Protection Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2025, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Trustee
Venezia Transport Service, Inc.
Savings and Protection Plan
Royersford, Pennsylvania

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAVINGS AND PROTECTION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2025 AND 2024

NOTE A - DESCRIPTION OF PLAN

The following description of the Venezia Transport Service, Inc. Savings and Protection Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, which commenced April 1, 1990. All employees of Venezia Transport Service, Inc. and Venezia Hauling, Inc. (collectively, the "Company") who have completed three months of service and are age 21 or older are eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute to the Plan up to 75% of their gross compensation on a pre-tax basis or after-tax (ROTH) basis through salary reduction. The Company will make a matching contribution, as defined in the Plan, not to exceed 50% of the first 3% of the participant's compensation. As of February 1, 2022, the plan was amended as follows: the company will make a matching contribution, as defined in the Plan, not to exceed 50% of the first 6% of the participant's compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan includes an automatic enrollment provision under which newly eligible employees are automatically enrolled at a 3% salary deferral rate, with no annual automatic escalation, unless they affirmatively elect not to participate in the Plan.

Participant Accounts

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their account into the various funds specified by the Plan. Participant accounts are credited with the participant's contribution and an allocation of the Company's matching contribution and Plan earnings/(losses), as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their own contributions to the Plan plus earnings.

Vesting in the Company's matching contributions and earnings increases 20% for each year of employment after two years of service, reaching 100% after six years of service. In determining years of service for vesting purposes, the elapsed time method is used. Employees will receive a year of service by the actual amount of time that has passed since an employee's hire date.

NOTE A - DESCRIPTION OF PLAN (Continued)

Plan Loans

Plan participants are eligible to borrow against the Plan by pledging a percentage of their vested account balance as collateral. A loan amount may not be less than \$1,000 nor may it exceed the lesser of 50% of the individual's vested account balance up to \$50,000. The term of the loan may not exceed five years unless the loan qualifies as a home loan (to acquire a principal residence). The interest rate applicable to the loan is determined at the time of application based on prime rate plus one for general purpose loans and prime rate for Primary Residence Loans. Upon default, any loan amounts not repaid will be taxed as a distribution of benefits, as defined in the Plan.

Payment of Benefits

Participants are eligible to receive a distribution of the vested portion of their individual account balance upon the following:

- The occurrence of any of the distributable events specified in the Adoption Agreement,
- The participant's termination of employment after attaining normal retirement age, or
- Termination of the Plan.

The normal retirement age under this Plan is 62. Participants will receive a lump-sum distribution without regard to the amount involved.

Forfeitures

Employees who terminate employment and are not fully vested will forfeit the nonvested portion of their account balance to the Plan, as specified in the Adoption Agreement. As of December 31, 2025 and 2024, forfeited nonvested accounts were \$3,028 and \$5,003. Forfeitures can be applied to reduce employer contributions or pay plan expenses. Forfeited amounts of \$130,532 for 2025 were used to reduce employer contributions.

Plan Termination

Upon termination of the Plan by the Company, each Participant shall be 100% vested and have a nonforfeitable interest in the participant's employer matching account.

NOTE A - DESCRIPTION OF PLAN (Continued)

Plan Amendments

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the United States. The Secure 2.0 Act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act, however plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2025 and 2024. Quoted market prices are used to value the mutual funds and the money market fund. The Plan's investments in the common collective trust are stated at net asset value per share as a practical expedient as reported by the trustee which include a mix of mutual funds and managed accounts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Participant Loans Receivable

Participant loans receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are paid.

Payment of Benefits

Benefits are recorded when paid.

See the independent auditors' report.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Administrative expenses, excluding transaction fees, are paid by the Plan Administrator.

Date of Management's Review

Management has evaluated subsequent events through July 13, 2026, the date which the financial statements were available to be issued.

NOTE C - FAIR VALUE MEASUREMENTS

FASB ASC 820 establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Level 1 inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Assets of the Plan for which fair values are determined on a recurring basis are as follows:

	2025		2024	
	Quoted Prices in Active Markets (Level 1)	Net Asset Value (a)	Quoted Prices in Active Markets (Level 1)	Net Asset Value (a)
Money market fund	\$ 111,825	\$ -	\$ 168,911	\$ -
Mutual funds	26,692,661	-	22,099,185	-
Common/collective trust	-	127,682	-	139,452
	<u>\$ 26,804,486</u>	<u>\$ 127,682</u>	<u>\$ 22,268,096</u>	<u>\$ 139,452</u>

NOTE C - FAIR VALUE MEASUREMENTS (Continued)

- (a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Money market fund and mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs. The common collective trust is stated at net asset value per share as a practical expedient.

NOTE D - RELIANCE ON TRUSTEE'S REPORT

The administrator of the Plan chose the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by the trustee of the Plan, Fidelity Management Trust Company as of December 31, 2025 and 2024 and for the year ended December 31, 2025, other than comparing such information to that contained in the financial statements and supplemental schedule.

The information certified by Fidelity Management Trust Company, which was relied upon in the preparation of the financial statements and supplemental schedule, includes:

	2025	2024
Common/collective trust	\$ 127,682	\$ 139,452
Money market fund	111,825	168,911
Mutual funds	26,692,661	22,099,185
Notes receivable from participants	771,111	679,098
Investment income		
Participant loan interest	42,617	*
Interest and dividends	737,850	*
Net appreciation in common/collective trust	5,601	*
Net appreciation in fair value of mutual funds	3,118,514	*

NOTE D - RELIANCE ON TRUSTEE'S REPORT (Continued)

* 2024 amounts were certified but are not reported in the statement of changes in net assets available for benefits.

NOTE E - PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in shares of mutual funds and a money market fund managed by Fidelity Management Trust Company. Fidelity Management Trust Company acts as trustee for only those investments as defined by the Plan. These transactions in the investments and participant loans qualify as party-in-interest transactions, allowable under ERISA guidelines.

NOTE F - TAX STATUS

The Plan utilizes a volume submitter Plan sponsored by Fidelity Management & Research Co. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The volume submitter Plan obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Service. The Plan has been amended since receiving the opinion letter; however, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

During the audit, the Company became aware of certain operational failures. The Company is working with the Plan's third party administrator to correct these failures in accordance with Department of Labor guidelines.

NOTE G - RISKS AND UNCERTAINTIES

Investments of the Plan are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment assets reported in participant account balances and in the statements of net assets available for benefits.

See the independent auditors' report.
