INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Battelle Memorial Institute Dental Plan for BMI Active Staff
Columbus, Ohio

Opinion

We have audited the financial statements of Battelle Memorial Institute Dental Plan for BMI Active Staff (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (modified cash basis) as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended September 30, 2025, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of September 30, 2025 and 2024, and the changes in net assets available for benefits for the year ended September 30, 2025 in accordance with the modified cash basis of accounting.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter — Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

425 Metro Place, Suite 250 | Dublin, OH 43017 | P (614) 848-8494 | F (614) 848-8430 | meadenmoore.com

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of September 30, 2025 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the

financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The accompanying financial statements (modified cash basis) present the net assets of the Battelle Memorial Institute ("Battelle" or BMI) Dental Plan for BMI Active Staff (the "Plan") and changes therein. The net assets of the Plan are part of the Battelle Voluntary Employees' Beneficiary Association (VEBA) master trust ("Trust Fund") held by Northern Trust as of September 30, 2025 and 2024. The Trust Fund also holds assets of the Medical Plan for BMI Active Staff, the Medical Plan for BMI Retirees, the Dental Plan for BMI Retirees, the BMI Employees' Long-term Disability Benefits Plan, and the Health Reimbursement Arrangement for Retired Staff of BMI.

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General — The Plan provides dental benefits to eligible employees of the U.S. components and electing subsidiaries of Battelle who elect to participate. Effective January 1, 2017, National Ecological Observatory Network, d/b/a Battelle Ecology Incorporated, is a participating employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. Employees classified as salaried, regular full-time and regular part-time and their eligible dependents are eligible for Plan benefits upon hire, provided the employee completes 31 days of employment. The effective date of coverage is the first of the month after the date of employment. The Plan also provides dental benefits to participants during periods of unemployment provided the eligibility requirements of the Plan have been met and the employee elects to receive Consolidated Omnibus Budget Reconciliation Act (COBRA) coverage.

Benefits — Benefits for participants from the Columbus location are fully insured, while benefits for participants of Pacific Northwest National Laboratory remain self-insured. Coverage under the Plan pays 100% of the eligible expenses (as determined by the Plan or its designee, usually the claims administrator) for preventive and diagnostic services and 80%, 60%, or 50% of eligible expenses for other dental services, as specified in the Plan, after satisfying a deductible, if applicable. There is no deductible for preventive and diagnostic services. For all other dental services, benefits will begin after a deductible per individual (subject to a maximum family deductible), per calendar year has been paid.

There is a maximum benefit payable per calendar year per employee and per eligible dependent. There is also a separate lifetime maximum per person for orthodontia care. Participants should refer to the summary plan description for further details.

Contributions — Active employees are charged a premium based on their election of coverage. Battelle's policy is to contribute money sufficient to fund claims as paid. For COBRA participants, the cost of the Plan is paid entirely by the participant.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following summarizes the significant accounting policies:

Basis of Accounting — The financial statements were prepared on a modified cash basis, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). Under the modified cash basis of accounting, the investments are carried at their approximate fair market value while contributions, benefits, and other payments are recorded when they are paid or received.

Contributions — Contributions are recognized when received.

Premiums — Premiums for fully insured coverages are recorded when paid.

Benefits Paid — Benefit payments for claims are recognized when paid by the Trust or by the Company.

Administrative Expenses — Administrative expenses are recognized when paid. Certain administrative expenses are paid directly by Battelle.

Claims Administration Agreement — Battelle, the Plan sponsor, has a contract with Delta Dental of Ohio under which certain services are provided, including, among other things, processing of claims.

Investment Valuation and Income Recognition — The Plan's investment in the Trust Fund is presented at fair value. A separate dental account for the Plan is maintained by Northern Trust. Interest and dividend income is recognized when received. Purchases and sales of securities are recorded on the settlement-date basis. Investment income includes the unrealized appreciation and depreciation of investments, as well as gains and losses on investments bought and sold.

Use of Estimates — The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, incurred but not reported claims payable, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties — The Plan has an interest in the Trust Fund which invests in one investment security, a money market fund. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits (modified cash basis).

3. BATTELLE TRUST FUND

The Plan owns a divided interest in the investments held in the Trust Fund.

Interest, dividends, net gains (losses), and certain administrative expenses are recorded by Northern Trust in a separate account for the Plan within the Trust Fund.

The following table presents the net assets of the Master Trust and the Plan's interest in the Master Trust as of September 30, 2025:

	Plan's Interest in Master Trust Balances	Master Trust Balances
Money Market Fund	$ 426,290	$ 1,808,382
Total investments	426,290	1,808,382
Cash—non-interest bearing	-	1,510,155
Total investments and cash	$ 426,290	$ 3,318,537

The following table presents the net assets of the Master Trust and the Plan's interest in the Master Trust as of September 30, 2024:

	Plan's Interest in Master Trust Balances	Master Trust Balances
Money Market Fund	$ 393,398	$ 3,859,880
Total investments	393,398	3,859,880
Cash—non-interest bearing	-	53,488
Total investments and cash	393,398	3,913,368
Less: amounts due for securities purchased	-	(1,135,965)
Total	$ 393,398	$ 2,777,403

Investment income for the Trust Fund for the year ended September 30, 2025, is as follows:

Interest	$ 174,952
Net investment income	$ 174,952

4. FAIR VALUE MEASUREMENTS

Fair value is the price that would be received by the Plan or Trust Fund for an asset or paid by the Plan or Trust Fund to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the principal or most advantageous market for the asset or liability. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2 — Inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 — Inputs are unobservable inputs for the asset or liability. Unobservable inputs shall be used to measure fair value to the extent that the observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at the measurement date.

Money Market Fund — The fund operates as a government money market fund which is valued at the daily closing price as reported by the fund. The money market fund is deemed to be actively traded and is classified in Level 1 of the fair value hierarchy.

The following tables set forth by level within the fair value hierarchy the Trust Fund's assets that were accounted for at fair value on a recurring basis as of September 30, 2025 and 2024. Financial assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Management's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and their placement within the fair value hierarchy levels.

2025	**Level 1**	**Level 2**	**Level 3**	**Total**
Money Market Fund	$ 1,808,382	$ -	$ -	$ 1,808,382
Total investments	$ 1,808,382	$ -	$ -	$ 1,808,382

2024	**Level 1**	**Level 2**	**Level 3**	**Total**
Money Market Fund	$ 3,859,880	$ -	$ -	$ 3,859,880
Total investments	$ 3,859,880	$ -	$ -	$ 3,859,880

5. BENEFIT OBLIGATIONS

Claims payable and claims incurred but not reported are recorded by the Plan based on the actual claims paid following the Plan's year-end for claims incurred during the Plan year where the data is available. The remaining claims payable and claims incurred but not reported are estimated based on the prior year's actual claims experience.

Information regarding the Plan's benefit obligations as of September 30, 2025 and 2024, and a summary of the changes in these obligations for the year ended September 30, 2025, is as follows:

	2025	2024
Amount currently payable - claims payable and claims incurred but not reported	$ 225,536	$ 207,977
Plan's total benefit obligations	$ 225,536	$ 207,977

Changes in the Plan's benefit obligations for the year ended September 30, 2025, are as follows:

	2025
Plan's benefit obligations - beginning of year	$ 207,977
Claims and premiums incurred	7,576,310
Claims and premiums paid	(7,680,543)
Claims payable per invoices	121,792
Plan's benefit obligations - end of year	$ 225,536

6. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. Some administrative expenses of the Plan are paid directly by the Company. The Plan paid certain administrative fees to the trustee, third-party administrator, and the auditor which qualify as party-in-interest transactions.

Certain investments of the Trust Fund are shares of a money market fund managed by Northern Trust. Northern Trust is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions.

7. PLAN TERMINATION

Although the employer has not expressed any intent to terminate the Plan, it may do so at any time upon adequate advance notice to participants. If the Plan is terminated, assets of the Plan, to the extent available, will be applied against claims. Any claims incurred prior to the date of termination that are unpaid upon the exhaustion of Trust Fund assets will be paid by the Plan sponsor.

8. TAX STATUS

The Trust Fund established under the Plan to hold the Plan's net assets is qualified pursuant to Section 501(c)(9) of the Internal Revenue Code (IRC), and accordingly, the Trust Fund's business-related net investment income is exempt from income taxes. The Trust Fund has obtained an exemption letter dated June 25, 1975, from the Internal Revenue Service (IRS), and the Plan sponsor believes that the Trust Fund, as amended, continues to qualify and to operate in accordance with the applicable requirements of the IRC.

GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and concluded that as of September 30, 2025, there were no uncertain tax positions taken or expected to be taken that would require recognition as a liability or disclosure in the financial statements (modified cash basis).

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. SUBSEQUENT EVENTS

Plan management has performed an evaluation of subsequent events through July 15, 2026, which is the date the financial statements were available for issuance.
