# INDEPENDENT AUDITOR'S REPORT

Plan Administrator
National Health Care, Inc. and Affiliates Voluntary Employee Benefit Association Plan

## Opinion

We have audited the accompanying financial statements of National Health Care, Inc. and Affiliates Voluntary Employee Benefit Association Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of benefit obligations as of September 30, 2025 and 2024, the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended September 30, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits and benefit obligations as of September 30, 2025 and 2024, and the changes in net assets available for benefits and the changes in benefit obligations for the year ended September 30, 2025, in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

## Basis for Opinion

We conducted our audits in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter**

***Report on Supplemental Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of benefits paid is presented for the purpose of additional analysis and is not a required part of the financial statements. Supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting on Disclosure under ERISA.

## 1. Description of Plan

The following description of National Health Care, Inc. and Affiliates Voluntary Employee Benefit Association Plan (the Plan) provides general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

### General

The Plan was established May 1, 1989 to provide health and other benefits to all eligible employees of Riverside Health Care Center, Inc. (the Plan Sponsor) and participating employers (collectively, the Company). The Plan is allowed to be adopted by participating employers with the approval of the Board of Directors of the Plan Sponsor, whether or not an affiliate, a subsidiary, or a member of a controlled group of companies. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The National Health Care, Inc. and Affiliates Voluntary Employee Benefit Association was also created as a Trust to hold the assets of the Plan.

### Benefits

The Plan provides comprehensive medical, dental, prescription, vision, life insurance, and disability insurance benefits to employees who work at least 30 hours per week. Employees may also elect medical, dental, vision, and supplemental life insurance benefit coverage for their covered dependents and verified domestic partners. In accordance with the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), employees are eligible to receive a temporary continuation of health coverage at group rates when coverage under the Plan would otherwise end due to certain qualifying events.

### Self-Insured Benefits

Comprehensive medical, dental, and prescription claims of active participants, dependents, and verified domestic partners are processed by Innovative Health Plan, Delta Dental, and Express Scripts, respectively; however, the responsibility for payments to providers is retained by the Plan.

### Insured Benefits

The Plan provides fully insured benefits for buy-up short- and long-term disability and life insurance through The Hartford Life Insurance Company. The Plan provides vision benefits through Aetna Life Insurance Company.

### Flexible Spending Accounts (FSAs)

The Plan provides participants with the option of establishing FSA. A FSA is a tax-advantaged financial account that allows participants to set aside a portion of their earnings to pay for qualified expenses, as defined in the Plan document. Money deducted from a participant's compensation for contributions to a FSA is not subject to payroll taxes. Participants can withdraw funds from their FSA up to the maximum amount of reimbursement (which is the amount the participant elected to contribute for the year, as defined in the Internal Revenue Code(IRC)) to pay qualified medical expenses. FSAs are use-it-or-lose-it plans whereby the amounts in the account at the end of the Plan year cannot be carried forward to the next year and are forfeited back to the Plan Sponsor.

### Health Savings Accounts (HSAs)

Participants enrolled in high-deductible health plans may elect to establish a HSA to receive tax-favored contributions. Contributions made to the HSA are used on a tax-free basis to pay or reimburse qualifying health expenses. They also may be used for future expenses or non-health purposes (on a taxable basis). HSAs are not use-it-or-lose-it plans. The participant owns the account and the account is portable if the participant leaves the Plan.

### Contributions

Active participants contribute a portion of the cost related to the comprehensive medical benefits based on which type of plan they elected. The remaining costs of the medical benefits are contributed by the Company.

### Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement with Group Benefit Services in an effort to limit its exposure for self-insured benefits (individual participant's claims over a specific dollar amount, as well as its aggregate exposure for all claims). Stop-loss recoveries totaling $280,027 have been netted against benefits paid at September 30, 2025.

## 2. Summary of Significant Accounting Policies

### Method of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles (U.S. GAAP).

### Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, claims incurred but not reported, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Employer Contribution Receivable**

Employer contribution receivable amounts represent contributions due from the participating employers based on contractual requirements to fund the Plan for certain claims, premiums, and benefit administrative expenses exceeding employee contributions at year end based on a delinquency report. Allowance for uncollectible accounts is considered unnecessary by management and is not provided. Employer contributions are accounted for as exchange transactions.

**Prescription Refunds**

Refunds due from the Plan's Pharmacy Benefits Manager (PBM) are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable. Pharmacy rebates totaling $1,445,670 have been included in rebates in the accompanying Schedule of Benefits Paid for the year ended September 30, 2025.

**Payment of Benefits**

Benefit payments are recorded when paid.

## 3. Funding

Contributions have been established under a trust agreement entered into between the Plan Sponsor and the Trustee. The Plan is contributory and is funded partially by active participants, who contribute a portion of the costs related to the comprehensive medical benefits based on the type of coverage they elect.

Employee contribution rates are periodically determined by the Plan's actuary. The participating employers are required to transfer an amount determined by the Plan needed to cover the remaining costs of medical and dental benefits, life insurance and vision premiums, and other benefit administrative expenses.

The Plan is also funded by contributions from participants electing COBRA coverage.

The Plan Sponsor makes contributions to the Plan as needed to fund claims in excess of employer and participant contributions. Any deficiency of the Plan's net assets over benefit obligations is funded by the Plan Sponsor on a pay-as-you go basis.

## 4. Plan Termination

It is the intent of the Trustees to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will, in the opinion of the Trustees, bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

## 5. Tax Status

The Plan obtained its latest determination letter dated January 15, 1991, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of Section 501(c)(9) of the IRC, and was, therefore, exempt from federal income taxes. The Plan has been amended since receiving the exemption letter.

The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

The Plan is administered by a third-party administrator, Hilb Group (the Administrator). As part of its services, the Administrator collects COBRA contributions on behalf of the Plan and distributes them to the Plan. At September 30, 2025 and 2024, the Administrator did not owe the Plan for any amount related to undistributed COBRA contributions. The Administrator is a party-in-interest to the Plan.

The Plan Sponsor absorbs some of the professional fees of the Plan at its discretion. The Plan incurs bank fees previously absorbed by the Plan Sponsor. Starting in 2025, the Plan also sweeps its cash balances to the Plan Sponsor on a nightly basis. As of September 30, 2025, the Plan Sponsor owed the Plan $1,367,324 as a result of this sweep activity.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transactions rules of ERISA.

## 7. Benefit Obligations

The Plan's benefit obligations at September 30, 2025 and 2024 for claims payable are claims reported by participants to the Plan but not yet paid at year end. Premiums payable are premiums due to insurance companies but not yet paid at year end. Claims incurred but not reported at year end were estimated by the Plan's actuary in accordance with accepted actuarial principles based on claims data provided by the Plan's third-party claims administrators. These amounts are paid by the Plan only if claims are submitted and approved for payment.
