Board of Directors and Plan Administrator
403(b) Thrift Plan for R'Club Child Care, Inc.
St. Petersburg, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan for R'Club Child Care, Inc., an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of September 30, 2025 and 2024, and the related statement of changes in net assets available for benefits for the year ended September 30, 2025, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 403(b) Thrift Plan for R'Club Child Care, Inc.'s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of September 30, 2025 and 2024, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan for R'Club Child Care, Inc. and to meet our other ethical

responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for R'Club Child Care, Inc.'s ability to continue as a going concern within one year after the date that these financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan for R'Club Child Care, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan for R'Club Child Care, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters – Supplemental Schedule Required by ERISA

The supplemental schedule listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Note 1. Description of the Plan

General

The following description of the 403(b) Thrift Plan for R’Club Child Care, Inc. (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

The Plan, which was established in 2005 and subsequently amended and restated, is classified as a defined-contribution plan, covering the eligible employees of R’Club Child Care, Inc. and Louise Graham Regeneration Center (an affiliated employer under controlled group rules) (collectively, the “Organization”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Immediately upon hire, substantially all employees of the Organization may contribute a percentage of their compensation, as defined in the Plan, subject to the Internal Revenue Code (“IRC”) rules and limitations. Contribution deferral percentages can be changed throughout the year. If no affirmative election is made, the plan includes an automatic enrollment feature whereby participants are automatically enrolled at 3% of Plan compensation as defined by the Plan document and invested in the qualified default investment alternative (the “QDIA”). At the discretion of the Board of Directors, the Organization may also make contributions to the Plan each year. Employees must be at least 21 years of age and complete one year of service, have 1,000 hours of service, and be employed on the last day of the Plan’s year to be eligible to receive employer contributions. The employer matching contribution for the years ended September 30, 2025 and 2024, were \$111,244 and \$99,077, respectively, and were receivables at year end. The 2023 employer contributions receivable was paid during the year ended September 30, 2024 and the 2024 employer contributions receivable was paid during the year ended September 30, 2025.

Participant Investment Account Options

Investment account options available include pooled separate accounts and insurance company general accounts. Each participant has the option of directing contributions into any of the investment account options selected by the Organization and may change the allocation to the extent permitted by the individual agreements. The QDIA is the MOA Clear Passage Funds. Participants are defaulted into the funds in accordance with their birth year.

Participant Accounts

A separate account is maintained for each participant. Each participant’s account is credited with the participant’s contribution, the Organization’s contribution, if any, an allocation of Plan earnings, and may be charged for Plan administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service as follows:

Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years	100%

403(b) Thrift Plan for R'Club Child Care, Inc.
Notes to Financial Statements
September 30, 2025 and 2024

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts are used for the payment of Plan expenses. The unallocated forfeitures account, which consists of the unused balance of terminated participants' non-vested employer contributions, approximated \$11,000 and \$2,000 for the years ended September 30, 2025 and 2024, respectively. Approximately \$20,000 and \$10,000 of forfeitures were used during the 2025 and 2024 Plan year to pay Plan expenses and as reallocations to participants.

Participant Loans with Mutual

The Plan provides for participants to obtain loans directly from Mutual of America Life Insurance Company ("Mutual") as opposed to borrowing from their individual accounts; accordingly, such loans are not deemed to be Plan assets. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50%, of their vested account balance. The loans are collateralized by the balance in the participant's account (required collateral of 120% of the outstanding loan balance) and bear interest at a rate that is 3% higher than the interest rate credited to the insurance company general account. Loans must be repaid to Mutual by the participant in accordance with the repayment terms of the agreement. In the event of default, foreclosure on the participant's account balance will not occur until a distributable event occurs in the Plan. The amount collateralized for participant loans held by Mutual was approximately \$41,000 and \$52,000 at September 30, 2025 and 2024, respectively.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant becomes fully and automatically vested and may elect to receive either a lump-sum payment equal to the value of the participant's vested interest in their account, installments, or annuity payments over a fixed period of time, not to exceed the life expectancy of the participant/designated beneficiary. Participants who terminate for reasons other than death, disability, or retirement are entitled only to their vested balances payable in a lump-sum distribution. The Plan allows for in-service distributions if a participant reaches age 59^{1/2} and hardship distributions subject to Plan provisions.

At September 30, 2025 and 2024, there were no amounts allocated to the accounts of individuals who have elected to withdraw from the Plan but had not yet been paid.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets, changes in net assets, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Quoted market prices, if available, are used to value investments. Pooled separate accounts are valued using a market valuation basis at the reported closing net asset value ("NAV") of the funds daily. NAV is based on the fair market value of the funds' underlying investments, less any fund liabilities.

403(b) Thrift Plan for R'Club Child Care, Inc.
Notes to Financial Statements
September 30, 2025 and 2024

Fully benefit-responsive investment contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less participant withdrawals and administration expenses. The Plan's investments in the Mutual of America Interest Accumulation Account and Empower's Guaranteed Certificate and Guaranteed Fixed Funds, which are insurance company general accounts, are stated at contract value (see Note 5).

Purchases and sales of securities are recorded on a trade-date basis, and interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation/depreciation in the fair value of the Plan's investments include the Plan's gains and losses on investments bought and sold, as well as the unrealized gains and losses on those investments that are held at the end of the year.

Contributions

Contributions from Plan participants and the matching contributions from the Employer are recorded in the year in which the employee contributions are withheld from compensation. All plan participant and Employer contributions are participant-directed.

Payment of Benefits

Benefits to participants are recorded when paid.

Administrative Costs and Investment Fees

The Plan's administrative expenses are paid by either the Plan or the Organization, as provided by the plan document. Certain administrative functions are performed by employees of the Organization. No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (distributions) are charged directly to the participant's account. Investment-related fees and commissions are netted against net appreciation/depreciation in fair value of investments.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through July 15, 2026, the date the financial statements were issued.

Note 3. Certification of Plan Custodians

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual, the Empower Trust Company, and the Empower Annuity Insurance Company of America (the "Plan Custodians"), qualified institutions, have certified the following information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of September 30, 2025 and 2024
- Net change in fair value of investments and interest as shown in the statements of changes in net assets available for benefits for the years ended September 30, 2025 and 2024
- Investment information included in the accompanying schedule of assets (held at end of year) as of September 30, 2025

The Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4. Disclosures About Fair Value of Plan Assets and Liabilities

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1** Quoted prices in active markets for identical assets or liabilities
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3** Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Recurring Measurements

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at September 30, 2025 and 2024:

2025				
	Fair Value	Fair Value Measurements Using		
		Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled separate accounts	\$ 5,182,337	\$ 5,182,337	\$ -	\$ -
2024				
	Fair Value	Fair Value Measurements Using		
		Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Pooled separate accounts	\$ 5,771,826	\$ 5,771,826	\$ -	\$ -

Note 5. Investment Contract with Insurance Company

Investments held in unallocated insurance company contracts are invested in the Mutual of America General Account, Empower Guaranteed Certificate Fund, and the Empower Guaranteed Fixed Fund. These funds are deemed to be fully benefit-responsive investment contracts and are reported at contract value. Contract value is the relevant measurement attribute for fully benefit-responsive investment contracts, because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

September 30, 2025 and 2024

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, withdrawals influenced by Organization-triggered events, such as reallocation of investments, may result in a distribution at other than contract value, and are subject to certain restrictions. The Plan's ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the contract issuer's ability to meet its financial obligations. There are no reserves against contract values for credit risk of the contract issuer or otherwise.

The insurance company contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The average yield for these contracts ranged from 2.65% to 4.00% and 1.30% to 4.00% for the years ended September 30, 2025 and 2024, respectively.

Note 6. Missed Employee Deferrals

During the year ended September 30, 2025, the Organization identified errors for missed employee deferrals on the last pay checks of certain terminated employees for the plan year 2025. This error constitutes a plan operational failure under ERISA. In accordance with IRS guidelines, the Organization is required to correct the underfunding, including lost earnings, for affected participants. These corrections will be funded in 2026.

Note 7. Risk and Uncertainties

The Plan has investments that are exposed to risk, such as interest rate, credit, and market risks. Due to the level of risk associated with certain investment securities, it is possible that changes in the value of investment securities may occur in the near term and that such change could materially affect the amounts reported in these financial statements.

The value, liquidity, and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Plan's investments are not insured or protected by the Plan Custodians, the Plan sponsor, the Pension Benefit Guarantee Corporation, or any other governmental agency; accordingly, the Plan is subject to the normal investment risks associated with similar investments.

Note 8. Tax Status

The Plan operates under a pre-approved Plan Document that has received an opinion letter from the IRS dated November 29, 2024, stating that the form of the pre-approved Plan Document was in compliance with applicable requirements of the Internal Revenue Code (IRC). The Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, the Plan is qualified.

Note 9. Plan Termination

Although it has not expressed any intent to do so, the Organization has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 10. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, and employee organization whose members are covered by the plan, a person who owns 50% or more of such an employer or employee association or relatives of such persons.

As described in Note 2, the Plan paid certain expenses related to the Plan operations and investment activity to various service providers, including the custodians. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Fees paid by the Plan for administrative services were approximately \$800 and \$3,000 for the year ended September 30, 2025 and 2024. These transactions qualify as exempt party-in-interest transactions under ERISA.

Note 11. Subsequent Events

Change in Custodian

Effective March 1, 2026, the Plan was amended and restated and a new custodian of the Plan was selected. The Plan transferred substantially all of its assets from Mutual, one of the Plan's custodians during the year ended September 30, 2025, to Principal, which became the Plan's new custodian. The transfer was approved by the Plan Administrator and was completed to enhance participant services and investment platform capabilities.
